The Big Book of Blob Trees Pip Wilson, Ian Long, 2018-04-17 The Big Book of Blob Trees features 70 different Blob trees that can be used as prompts to explore feelings. This unique collection of Blob trees with its range of different Blob characters is a fabulous way of opening up discussions about feelings and developing understanding of emotions, empathy and self-awareness. The trees show a variety of different scenarios that people may relate to, and can be used as a springboard for conversations with people of any age group. This second edition includes a new set of Blob trees relevant to many topical issues, including Blob trees themed around autism, eating, free speech, anxiety and smartphones. Each Blob tree comes with suggested questions that can be used to guide the discussion; for example: Which Blob do you feel like? Which Blob seems happiest? Which Blob confuses you? Which Blob annoys you, and why? Which Blob would you like to feel like? Offering handy photocopiable resources, The Big Book of Blob Trees provides a unique way to initiate discussion and gently approach emotive topics with individuals or groups.

Blob Bullying Pip Wilson, Ian Long, 2022-11-28 This practical and accessible resource contains a wealth of discussion sheets and games to help victims of bullying reflect and talk about their experiences and feelings using the internationally familiar Blob figures. Diverse and inclusive, the Blob figures are a proven way to help children and adults share their feelings and experiences. Without age, culture or gender, they enable the individual to focus on feelings and body language. In this book, the Blobs explore bullying. From Blob Trees to Bingo games, cards and emotional scales, the Blobs provide a visual structure that allows children, teenagers and adults to open up about being bullied. Offering unique activities that help scaffold conversations for people of all ages and abilities, this is an essential resource for teachers, teaching assistants, youth and social workers, psychologists, counsellors and all those who work with and have caring responsibilities for others.

Blob School Pip Wilson,2018-10-24 Blob School is an educational resource designed specifically for one of the main purchasers of the Blobs - teachers! This practical resource aims to cover all the key areas of school life so that teachers, assistants, school workers, pupils and parents can reflect upon a wide range of contexts and issues which occur throughout the school year. The book includes 47 images which can be projected upon an Interactive White Board or photocopied for whole class or small group discussion. The Blobs are simple. They deal with deep issues using the primary languages we learn from infancy - feelings and body language. This is why they are used with children as young as 4, all the way through to the elderly. Without words, the Blobs can be interpreted in a hundred different ways. There is no right and wrong about the Blobs, which is very important. A leader who uses them in a 'one way of reading them only way' will find that the rest of their group become very frustrated in discussions. Each picture is a means to a conversation, rather than a problem to be solved or a message to be agreed upon.

The Blob Anger Book Pip Wilson,2017-07-05 When was the last time someone 'made you' angry? It's amazing just how many times in a day a situation arises that can 'cause us' to boil over. Anger management is a way to become more conscious of how we react to a situation which triggers us to become angry. Identifying these trigger points is one way to break the pattern and preparing ourselves to change behaviour. This book includes a wide range of scenarios and situations to enable identification of feelings and discussions about the most appropriate way to deal with them. Subjects include: Blob Bitter; Blob Blame; Blob Humiliated; Blob Frustration; and, Blob Fight. As with every Blob tool the open approach provides an opportunity to discuss feelings and consider mechanisms for change.
