Box (Book One) Patrick Wirbeleit,2019-06-26 Matthew likes to build things. And invent things. So, finding a box sitting in front of his house one day is a real stroke of luck. But he has to pinch himself when it suddenly starts talking. A living toolbox! Even better, Box loves to invent things too, so the two become fast friends. But where did Box come from, and how did he get to be so magical? When his secret comes out and accidentally leaves Matthew's parents frozen, the two friends will have to race to find the answers and save the day.

Poke the Box Seth Godin,2015-09-15 A one-two punch! Half kick in the ass, half cheerleading encouragement. –Steven Pressfield, author of The War of Art If you are happy being just a dreamer, perhaps you don't need this book. If you're enjoying the status quo, don't even consider reading this book. If you are content waiting for success to find you, please put this book down and go find something else to read. Why has Poke the Box become a cult classic? Because it's a book that dares readers to do something they're afraid of. It could be what you need, too. Is Seth Godin the Pied Piper for however many of us have been afraid to fail? Will I answer his call? Will you? –Peter Shermeta, reviewing the original edition of Poke the Box

The Box Marc Levinson,2016-04-05 In April 1956, a refitted oil tanker carried fifty-eight shipping containers from Newark to Houston. From that modest beginning, container shipping developed into a huge industry that reshaped manufacturing. But the container didn't just happen. Its adoption required huge sums of money, years of high-stakes bargaining, and delicate negotiation on standards. Now with a new chapter, The Box tells the dramatic story of how the drive and imagination of an iconoclastic entrepreneur turned containerization from an impractical idea into a phenomenon that transformed economic geography, slashed transportation costs, and made the boom in global trade possible. -- from back cover.

Bird Box Josh Malerman,2014-05-13 Now a Netflix film starring Sandra Bullock, Trevante Rhodes, John Malkovich, Sarah Paulson, and Rosa Salazar! Written with the narrative tension of The Road and the exquisite terror of classic Stephen King, Bird Box is a propulsive, edge-of-your-seat horror thriller, set in an apocalyptic near-future world—a masterpiece of suspense from the brilliantly imaginative Josh Malerman. Something is out there . . . Something terrifying that must not be seen. One glimpse and a person is driven to deadly violence. No one knows what it is or where it came from. Five years after it began, a handful of scattered survivors remain, including Malorie and her two young children. Living in an abandoned house near the river, she has dreamed of fleeing to a place where they might be safe. Now, that the boy and girl are four, it is time to go. But the journey ahead will be terrifying: twenty miles downriver in a rowboat—blindfolded—with nothing to rely on but her wits and the children's trained ears. One wrong choice and they will die. And something is following them. But is it man, animal, or monster? Engulfed in darkness, surrounded by sounds both familiar and frightening, Malorie embarks on a harrowing odyssey—a trip that takes her into an unseen world and back into the past, to the companions who once saved her. Under the guidance of the stalwart Tom, a motely group of strangers banded together against the unseen terror, creating order from the chaos. But when supplies ran low, they were forced to venture outside—and confront the ultimate question: in a world gone mad, who can really be trusted? Interweaving past and present, Josh Malerman's breathtaking debut is a horrific and gripping snapshot of a world unraveled that will have you racing to the final page.

The Supermodel and the Brillo Box Don Thompson,2014-05-27 Acquiring contemporary art is about passion and lust, but it is also about branding, about the back story that comes with the art, about the relationship of money and status, and, sometimes, about celebrity. The Supermodel and the Brillo Box follows Don Thompson's 2008 bestseller The \$12 Million Stuffed Shark and offers a further journey of discovery into what the Crash of 2008 did to the art market and the changing methods that the major auction houses and dealerships have implemented since then. It describes what happened to that market after the economic implosion following the collapse of Lehman Brothers and offers insights and art-world tales from dealers, auction houses, and former executives of each, from New York and London to Abu Dhabi and Beijing. It begins with the story of a wax, trophy-style, nude upper-body sculpture of supermodel Stephanie Seymour by Italian artist Maurizio Cattelan, which sold for \$2.4 million to New York über-collector and private dealer Jose Mugarbi, and recounts the story of a wooden Brillo box that sold for \$722,500. The Supermodel and the Brillo Box looks at the increasing dominance of Christie's, Sotheby's, and a few über dealers; the hundreds of millions of new museums coming up in cities like Dubai, Abu Dhabi, and Beijing; the growing importance of the digital art world; and the shrinking role of the mainstream gallery.

The Box Boy Mal Webster,2011 A boy loves collecting things, especially cardboard boxes. He makes more and more amazing things from boxes, until his work is noticed

by an art gallery director who gives him a big exhibition. He tires of artistic fame though, and goes back home to play with his boxes, until one day he discovers a new collectible, with potential, inside a box bubble wrap!
