A Bright Future Joshua S. Goldstein,Staffan A. Qvist,2019-01-08 The inspiration for *Nuclear Now*, the new Oliver Stone film, co-written by Joshua Goldstein As climate change quickly approaches a series of turning points that guarantee disastrous outcomes, a solution is hiding in plain sight. Several countries have already replaced fossil fuels with low-carbon energy sources, and done so rapidly, in one to two decades. By following their methods, we could decarbonize the global economy by midcentury, replacing fossil fuels even while world energy use continues to rise. But so far we have lacked the courage to really try. In this clear-sighted and compelling book, Joshua Goldstein and Staffan Qvist explain how clean energy quickly replaced fossil fuels in such places as Sweden, France, South Korea, and Ontario. Their people enjoyed prosperity and growing energy use in harmony with the natural environment. They didn't do this through personal sacrifice, nor through 100 percent renewables, but by using them in combination with an energy source the Swedes call *kraft*, hundreds of times safer and cleaner than coal. Clearly written and beautifully illustrated, yet footnoted with extensive technical references, Goldstein and Qvist's book will provide a new touchstone in discussions of climate change. It could spark a shift in world energy policy that, in the words of Steven Pinker's foreword, literally saves the world.

Bright Burning Stars A.K. Small,2019-05-21 “A compulsively readable story. I was breathless and battling tears up until the very last stunning turns onstage and beyond. A dazzling, heart-wrenching debut.” —Nova Ren Suma, #1 New York Times bestselling author of *The Walls Around Us* Would you die for the Prize? Best friends Marine Duval and Kate Sanders have trained since childhood at the Paris Opera Ballet School, where they’ve forged an inseparable bond through shared stories of family tragedies and a powerful love for dance. When the body of a student is found in the dorms just before the start of their final year, Marine and Kate begin to ask themselves how far they would go for the ultimate prize: to be named the one girl who will join the Opera’s prestigious corps de ballet. Would they cheat? Seduce the most talented boy in the school, dubbed the Demigod, hoping his magic will make them shine, too? Would they risk death for it? Neither girl is sure. But then Kate gets closer to the Demigod, even as Marine has begun to capture his heart. And as selection day draws near, the competition—for the Prize, for the Demigod—becomes fiercer, and Marine and Kate realize they have everything to lose, including each other. *Bright Burning Stars* is a stunning, propulsive story about girls at their physical and emotional extremes, the gutting power of first love, and what it means to fight for your dreams.

Bright, Bright Day Stephen Gill,2007 Here is a lavishly produced book of previously unseen photographs by the legendary Russian filmmaker Andrey Tarkovsky (1932-1986). The focus of the book is an array of mostly hitherto unseen polaroids from the Florence-based Tarkovsky Foundation, which is maintained by the filmmaker's son Arseniy Tarkovsky. Taken in Russia and Italy between 1979 and 1984, the photographs range from romantic landscapes and studied portraits to private shots of the auteur's family and friends, including the distinguished scriptwriter Tonino Guerra. They demonstrate the singular compositional and visual-poetic ability of this master image-maker. Many of the polaroids created in Russia complement and extend the personal imagery of the film Mirror (1974). Equally rewarding cross-fertilization is apparent in the images that were taken in Italy while he was travelling with Tonino Guerra and preparing Nostalgia (1983).

Bright Dead Things Ada Limón,2019-02-07 'Bright Dead Things buoyed me in this dismal year. I'm thankful for this collection, for its wisdom and generosity, for its insistence on holding tight to beauty even as we face disintegration and destruction.' Celeste Ng, author of Everything I Never Told You A book of bravado and introspection, of feminist swagger and harrowing loss, Bright Dead Things considers how we build our identities out of place and human contact - tracing in intimate detail the ways the speaker's sense of self both shifts and perseveres as she moves from New York City to rural Kentucky, loses a dear parent, ages past the capriciousness of youth and falls in love. In these extraordinary poems Ada Limón's heart becomes a 'huge beating genius machine' striving to embrace and understand the fullness of the present moment. 'I am beautiful. I am full of love. I am dying,' the poet writes. Building on the legacies of forebears such as Frank O'Hara, Sharon Olds and Mark Doty, Limón's work is consistently generous, accessible, and 'effortlessly lyrical' (New York Times) - though every observed moment feels complexly thought, felt and lived.

Shine On, Bright and Dangerous Object Laurie Colwin,2001-01-09 When Sam Bax, that charming daredevil of a Boston lawyer, sails his boat into a storm off the coast of Maine, Elizabeth Olly Bax, his wife and ardent sidekick, becomes a widow at the edge of seventy-seven. Realizing that her risks are as daring as any of Sam's -- while he chanced life and limb, Olly risks her heart -- she finds that love can take some surprising turns. Laurie Colwin depicts Olly's recovery with humor, compassion, and a decided lack of sentimentality, creating a real heroine who remains true to her heart and still manages to keep her head.

The Bright Side Melanie Korach,Cynthia Milone,2020-10-08 Sometimes in life we find a person who takes up a very special place in our hearts. They say friends are like second family, and that's certainly true for us when we met. Since we share the same passion of making this world a better place, we decided to be co-authors of our new book, The Bright Side, which reminds all of us that, no matter our age, we can be the best version of ourselves. With the help of this book, The Bright Side, each one of us can find the strength to lift ourselves up to be our very best. We met on Twitter in 2018 and immediately discovered a shared passion for helping people and making a difference, one person at a time. What began as two teachers supporting each other in daily tweets about kindness, naturally progressed to talking on the phone as our friendship developed. During the 2019 Christmas break, Cynthia and I decided it would be wonderful to co-write a mental health book together. The book was inspired by our deep rooted friendship combined with our shared desire to help empower people of all ages. The Bright Side: Mental Health Messages and Affirmations to Empower is a book of hope to help people live happier and more meaningful lives. This book is not only a mental health resource for educators to help empower themselves and their

students, but also a book anyone can pick up to improve their lives. It is also a great resource for anyone working in the mental health field. Happiness begins with a positive mindset and a desire to cultivate daily habits that will improve our lives. We hope you enjoy our book and that it inspires you to live on the bright side of life. Be the change you wish for in the world! With Kindness, Melanie and Cynthia

The Bright Lands John Fram,2020-07-07 A Best Book of 2020 from Library Journal, CrimeReads, and BookPage “Marks the debut of an already accomplished novelist.” —John Banville The town of Bentley holds two things dear: its football, and its secrets. But when star quarterback Dylan Whitley goes missing, an unrelenting fear grips this remote corner of Texas. Joel Whitley was shamed out of conservative Bentley ten years ago, and while he’s finally made a life for himself as a gay man in New York, his younger brother’s disappearance soon brings him back to a place he thought he’d escaped for good. Meanwhile, Sheriff’s Deputy Starsha Clark stayed in Bentley; Joel’s return brings back painful memories—not to mention questions—about her own missing brother. And in the high school hallways, Dylan’s friends begin to suspect that their classmates know far more than they’re telling the police. Together, these unlikely allies will stir up secrets their town has long tried to ignore, drawing the attention of dangerous men who will stop at nothing to see that their crimes stay buried. But no one is quite prepared to face the darkness that’s begun to haunt their nightmares, whispering about a place long thought to be nothing but an urban legend: an empty night, a flicker of light on the horizon—*The Bright Lands*. Shocking, twisty and relentlessly suspenseful, John Fram’s debut is a heart-pounding story about old secrets, modern anxieties and the price young men pay for glory.
