Pierre Jakez Hélias

A Gift from Brittany Marjorie Price, 2008-04-17 The enchanting memoir of an artist's liberating sojourn in France during the sixties and the friendship that transformed her life. While in her late twenties, Marjorie Price leaves the comfort of her Chicago suburb to strike out on her own in Paris and hone her artistic talents. Dazzled by everything French, she falls in love with a volatile French painter and they purchase an old farmhouse in the Breton countryside. When Marjorie's seemingly idyllic marriage begins to unravel, she forms a friendship with an elderly peasant woman, Jeanne, who is illiterate, has three cows to her name, and has never left the village. Their differences are staggering yet they forge a friendship that transforms one another's life.

Fly Brittany J. Thurman, 2022-01-11 Pure joy and the power of community radiate from this sweet picture book about a young Black girl's perseverance and confidence in following her double Dutch dreams. Africa's grandmother was a double Dutch legend, and Africa knows she can become the same. Her brother scoffs when she signs up for a double Dutch competition, though—how can she hope to compete when she's never done it before? But Africa has all the tools she needs: memories of her grandmother, her bestie Bianca's dance moves, her friend Omar's rhythm, and her classmates' Mary Mack timing and cartwheels. If Africa can pull everything together to jump some winning moves, she might just fly, but it's the birthmark in the shape of her name that tells her she's always been a winner.

The Brittanys Brittany Ackerman, 2021-06-15 Bursting with bittersweet nostalgia, a funny, poignant, perfectly voiced debut that captures what it's like to be a teenage girl—"full of brilliantly-rendered awkwardness and the hilarious minor horrors of a privileged adolescence, *The Brittany*s shimmers with the everyday incandescence of youth" (Kimberly King Parsons, author of *Black Light*). They're not the most popular freshmen at their Florida prep

school, but at least everyone knows their name(s). The Brittany. Brittany Rosenberg: drives her golf cart around her subdivision to meet boys. Brittany Gottlieb: insists you can't lose your virginity if you haven't gotten your period. (She heard it somewhere!) Brittany Tomassi: is from New York. Brittany Jensen: once threw her tampon into a stranger's swimming pool. A brash, bold, unapologetic tomboy. And the greatest person in the whole wide world. At least as far as the fifth Brittany--our narrator--is concerned. Even within their friend group, she and Jensen are a duo: with their matching JanSport backpacks, Tiffany chokers, and Victoria's Secret push-up bras, they are unstoppable. And now that they're finally growing up, they're going to do everything: dye their hair, attend no-parent parties, try pot . . . maybe even lose their virginities. 2004 is totally going to be their year! Except Jensen's interests may be diverging from her friends'. And within our narrator's own family--in the lives of her exhausted mother and beloved, genius older brother--life-changing events may be taking shape. Events that only years later, looking back, she has the perspective to see. A VINTAGE ORIGINAL

A Knock at Midnight Brittany K. Barnett, 2021-08-03 LOS ANGELES TIMES BOOK PRIZE FINALIST • NAACP IMAGE AWARD NOMINEE • A “powerful and devastating” (The Washington Post) call to free those buried alive by America’s legal system, and an inspiring true story about unwavering belief in humanity—from a gifted young lawyer and important new voice in the movement to transform the system. “An essential book for our time . . . Brittany K. Barnett is a star.”—Van Jones, CEO of REFORM Alliance, CNN Host, and New York Times bestselling author Brittany K. Barnett was only a law student when she came across the case that would change her life forever—that of Sharanda Jones, single mother, business owner, and, like Brittany, Black daughter of the rural South. A victim of America’s devastating war on drugs, Sharanda had been torn away from her young daughter and was serving a life sentence without parole—for a first-time drug offense. In

Sharanda, Brittany saw haunting echoes of her own life, as the daughter of a formerly incarcerated mother. As she studied this case, a system came into focus in which widespread racial injustice forms the core of America's addiction to incarceration. Moved by Sharanda's plight, Brittany set to work to gain her freedom. This had never been the plan. Bright and ambitious, Brittany was a successful accountant on her way to a high-powered future in corporate law. But Sharanda's case opened the door to a harrowing journey through the criminal justice system. By day she moved billion-dollar deals, and by night she worked pro bono to free clients in near hopeless legal battles. Ultimately, her path transformed her understanding of injustice in the courts, of genius languishing behind bars, and the very definition of freedom itself. Brittany's riveting memoir is at once a coming-of-age story and a powerful evocation of what it takes to bring hope and justice to a system built to resist them both. Death in Brittany Jean-Luc Bannalec, 2015-06-30 Roll over, Maigret. Commissaire Dupin has arrived.—M.C. Beaton
Commissaire Georges Dupin, a cantankerous, Parisian-born caffeine junkie recently relocated from the glamour of Paris to the remote (if picturesque) Breton coast, is dragged from his morning croissant and coffee to the scene of a curious murder. The local village of Pont-Aven—a sleepy community by the sea where everyone knows one other and nothing much seems to happen—is in shock. The legendary ninety-one-year-old hotelier Pierre-Louis Pennec, owner of the Central Hotel, has been found dead. A picture-perfect seaside village that played host to Gauguin in the nineteenth century, Pont-Aven is at the height of its tourist season and is immediately thrown into uproar. As Dupin delves into the lives of the victim and the suspects, he uncovers a web of secrecy and silence that belies the village's quaint image. A delectable read, Jean-Luc Bannalec's *Death in Brittany* transports readers to the French coast, where you can practically smell the sea air and taste the perfectly cooked steak frites in an expertly crafted, page-turning mystery for fans of Martin Walker.

this remarkable region, as well as an ideal travel companion for any inquisitive globetrotter who enjoys doing her homework. Brittany Wendy Mewes, 2015-04-15 A cultural guide to a region on the edge of Europe that has been visited by the Romans, Franks, Vikings, Anglo-Saxons and Germans. Brittany's richly layered landscape has contributed depth and character to the region's traditional oral culture, from stories of the sea and shore to tales of misty moors, sacred hill-tops and secretive forests. Evangelizing Dark Age saints from Britain laid the foundations of Breton language and society, imposing Christianity on the landscape and in the minds of the people. Their legacy rests visually in the prolific spread of chapels, churches and cathedrals, and the Celtic language still preserved with pride. Right on the edge of Europe, the region has been vulnerable to assault and exploitation. Franks, Vikings, English, Germans have all made their mark, resisted at every turn with resilience. The problematic relationship with neighboring France before and after Union in 1532 has left wounds to this day. The rapacity of the ancien régime was followed by deprivation of privileges during the Revolution, attacks on religion and subsequent suppression of the Breton language which struck at the very heart of Brittany. The nineteenth century combined economic stagnation with growing interest in Celtic roots, fuelling the search for that ultimate chimera—Breton identity. Historians and poets began to assert the distinct character of the region, while foreign travelers also left accounts of a people speaking an unfathomable language and appearing a race apart. This "primitivism" coupled with the lure of the mysterious megaliths created an image of wild exoticism, and made Brittany a prime target for tourists and artists. Today the past is perpetuated and the future welcomed in a packed festival calendar of Celtic music and Breton culture. Yet for all its modernity, Brittany remains as intensely complex and challenging to preconceived notions as ever. -- Landscape and legends: Marches of Brittany; Druids and megaliths; St-Malo and sea adventures; mysteries of the Monts d'Arrée; Merlin in the Forêt de

Brocéliande. - Complexity and ambiguity: part of France yet a separate world; nationalism, regionalism, resistance, unity and division of language; four departments or five? - Writers and artists: Chaucer, Balzac, Hugo, Flaubert, Ernest Renan, Thomas Adolphus Trollope, Arthur de la Borderie, Mathurin Méheut, Max Jacob, Yves Tanguy.
