Buddy and Earl Maureen Fergus, 2015-07-24 “An understated winner of a friendship story. ... simultaneously of-the-moment and timeless.” – Publishers Weekly, STARRED REVIEW What's in the box that Meredith has carried into the living room? Buddy doesn't know, but when the small, prickly creature says he is a pirate – and that Buddy is a pirate, too – the mismatched friends are off on a grand adventure. In this first book in the best-selling Buddy and Earl series, a dog who likes to play by the rules meets a hedgehog who knows no limits. Their friendship is tender and loyal, and their adventures are funny and imaginative. Maureen Fergus's text is witty and understated, and Carey Sookocheff's art emphasizes both the humor and the warmth of this odd and loveable animal couple. Buddy's New Buddy Christina Geist, 2022-07-12 The newest picture book in the New York Times bestselling Buddy series is about being yourself through-and-through while going back to school and trying to make new buddies! After Buddy's best friend moves away, he doesn't know what to do: Who will he high five at school? Who will he play robo chargers with at lunch? Who will be his field trip partner? Buddy feels he has nothing in common with anyone.... Until a new student shows up who might just be a buddy in the making! And best of all: Buddy can be completely himself with her. This third book in New York Times bestselling author Christina Geist's heartwarming and humorous series explores evergreen social-emotional themes like authenticity and friendship-building--right in time for back-to-school season.

Buddy Brian McGrory, 2012-11-13 Award-winning journalist Brian McGrory goes head to beak in a battle royale with another male for a top-spot in his home, vying for dominance with the family's pet rooster. Brian McGrory's life changed drastically after the death of his beloved dog, Harry: he fell in love with Pam, Harry's veterinarian. Though Brian's only responsibility used to be his adored Harry, Pam came with accessories that could not have been more exotic to the city-loving bachelor: a home in suburbia, two young daughters, two dogs, two cats, two rabbits, and a portly, snow white, red-crowned-and-wattled step-rooster named Buddy. While Buddy loves the women of the house, he takes Brian's presence as an affront, doing everything he can to drive out his rival. Initially resistant to elements of his new life and to the loud, aggressive rooster (who stares menacingly, pecks threateningly, and is constantly poised to attack), Brian eventually sees that Buddy shares the kind of extraordinary relationship with Pam and her two girls that he wants for himself. The rooster is what Brian needs to be – strong and content, devoted to what he has rather than what might be missing. As he learns how to live by living with animals, Buddy, Brian's nemesis, becomes Buddy, Brian's inspiration, in this inherently human story of love, acceptance, and change. In the tradition of bestsellers like *Marley and Me*, *Dewey*, and *The Tender Bar* comes

a heartwarming and wise tale of finding love in life's second chapter - and how it means all the more when you have to fight for it.

Bud, Not Buddy Christopher Paul Curtis, 2001-11-13 Hit the road with Bud in this Newbery Medal and Coretta Scott King Award-winning classic about a boy on a journey to find his father—from Christopher Paul Curtis, author of *The Watsons Go To Birmingham—1963*, a Newbery and Coretta Scott King Honoree. It's 1936, in Flint Michigan. Times may be hard, and ten-year-old Bud may be a motherless boy on the run, but Bud's got a few things going for him: 1. He has his own suitcase full of special things. 2. He's the author of *Bud Caldwell's Rules and Things for Having a Funnier Life and Making a Better Liar Out of Yourself*. 3. His momma never told him who his father was, but she left a clue: flyers advertising Herman E. Calloway and his famous band, the Dusky Devastators of the Depression!!!!!! Bud's got an idea that those flyers will lead him to his father. Once he decides to hit the road to find this mystery man, nothing can stop him—not hunger, not fear, not vampires, not even Herman E. Calloway himself. “[A] powerfully felt novel.” —The New York Times

Buddy and Earl Meet the Neighbors Maureen Fergus, 2018-08-01 When Wonder Buddy and Super Earl learn that the Evil Doctor Stinker is planning to shut down the only hamburger factory in town, they know they have to find the supervillain's secret lair – fast! At first, Mister the bulldog is alarmed by Wonder Buddy's laser-beam eyes (even though Buddy does not know how to turn them on), and Snowball the cat thinks that Earl is the funniest-looking mouse she's ever seen. But when Snowball ends up in mortal danger, Buddy and Mister team up to save the day, and Snowball and Earl discover that they have more in common than they thought. The dog who likes to play by the rules and the hedgehog who knows no limits make some super new friends in this fifth book in the critically acclaimed Buddy and Earl series.

Buddy's Universe - A Beagle's Life Book I BuzzzzOff, Buddy, 2015-10-20 Hi! My name is Buddy. I am a Beagle. Since I can read and write, I am no ordinary Beagle. I also am very fond of Mental Masturbation. Mental Masturbation, Dear Reader, is a form of anxiety relief. It affects my ever-wandering, always-worrying, exceedingly-addictive mind that works 24 hours per day, 365 days per year. I even can confirm that Mental Masturbation manages to continue spinning an extra day during leap year. This collection of missives, which I hope you will read (albeit I do not know why you would care so to do) and for which I beg you to pay, is my banal attempt to understand the why of life. Whether I am discussing my adventures or thinking about meaningless things, I hope you find my words interesting, fun, thought-provoking or, well, you bought the book so at that point my hopes already have been achieved, i.e. I made money to buy more treats! Oh yes, if anyone has a cure for Mental Masturbation, I would be most grateful with any elixir that would speed me towards enlightenment. Hugs and Kisses, Buddy

Buddy System Geoffrey Greif, 2009 Much has been made of the complex social arrangements that girls and women navigate, but little scholarly or popular attention has focused on what friendship means to men. Drawing on in-depth interviews with nearly 400 men, therapist and researcher Geoffrey L. Greif takes readers on a guided tour of male friendships, explaining what makes them work, why they are vital to the health of individuals and communities, and how to build the kinds of friendships that can lead to longer and happier lives. Another 120 conversations with women help map the differences in what men and women seek from friendships and what, if anything, men can learn from women's relationships. The guiding feature of the book is Greif's typology of male friendships: he dispels the myth that men don't have friends, showing that men have must, trust, just, and rust friends. A must friend is the best friend a man absolutely must call with earthshaking news. A trust friend is liked and trusted but not necessarily held as close as a must friend. Just friends are casual acquaintances, while rust friends have a long history together and can drift in and out of each other's lives, essentially picking up where they last left off. Understanding the role each of these types of friends play across men's lives reveals fascinating developmental patterns, such as how men cope with stress and conflict and how they make and maintain friendships, and how their friends keep them active and happy. Through the lively words of men themselves, and detailed profiles of men from their twenties to their nineties, readers may be surprised to find what friendships offer men--as well as their families and communities--and are sure to learn what makes their own relationships tick.
