How To Make your Dog Come Without Being a Butthead Mike Deathe,2016-05-24 Okay, please don't misunderstand me. I am not trying to insult you with the title of this book. Rather, I want to get your attention. The goal of teaching you how to get you pooch to come back to you when you call them is secondary. My primary goal is to get you to think about dog training in a different way!

In many ways, I train dogs the way most of us want to teach children. That being said, I for some reason have way more patience with my dogs than my own kids - just ask my sons and they will confirm. I think it has something to do with the fact my sons talk back and my dogs don't but that is just one man's opinion . . .

Providing essential information, as only Beavis and Butthead can, on such topics as how to be a better person (step one: find someone you're better than), the numbskulled youths explain their personal philosophies of life. Throughout, MTV's favourite animated, terminal adolescents share their inspirational stories, such as 'The day I got free Nachos', and give a 12-step programme for people who never score. Filled with maladjusted mayhem and anarchic antics, CHICKEN SOUP FOR THE BUTT is their funniest collection of stories yet.

Buttheads from Outer Space Jerry Mahoney,2018-03-13 The buttheads have landed—and they're trying to wipe us out! My best friend Lloyd and I had the perfect plan. We started a blog to invite aliens to come to Earth and hang out—but only with us. That way, they wouldn't have to meet any boring world leaders or get cut open by scientists or anything like that. We'd just chill out, eat junk food, and play video games together. Sweet, right? And it worked! Two aliens showed up one night in the bathroom of my favorite restaurant, and we snuck them home to my room. The problem is, they're total buttheads! Literally. They have butts on their heads, and they talk in farts. They're rude, disgusting, and they love Earth so much, they just invited 70 billion of their friends to join them here. Oops. Now it's up to us—two sixth graders with B-pluses in science—to save the planet from the sickest extraterrestrials in the universe. (Preferably without my parents finding out.) Sorry, everyone. Better get used to talking out of your butts, because we're all probably doomed...
