Is the United States CPI Biased Across Income and Age Groups? Mr. S. Nuri Erbas,Chera L. Sayers,1998-09-01 The recent Boskin Commission Report (1996) underscores a significant upward bias in CPI measurement in the United States. This may result in excessive cost-of-living adjustment (COLA) of some entitlements in the federal budget because COLA is indexed to CPI. This paper presents some evidence that overall CPI may be biased against lower income elderly households, the primary beneficiaries of COLA. Although a downward adjustment in CPI resulting in an across-the-board cut in COLA of entitlements may yield significant budgetary savings, it may result in a deterioration in income distribution against lower income elderly households.

Final Report of the Advisory Commission to Study the Consumer Price Index United States. Congress. Senate. Advisory Commission to Study the Consumer Price Index,William Victor Roth (Jr.),1997

Implementing a CPI Culture MAQ; Mike Maquet,2008-06-23 Implementing a CPI Culture is written as a HOW TO Book which includes everything an organization needs to know when they are either trying out some process improvement activities or are Implementing a Continuous Process Improvement (CPI) Culture across their entire organization. CPI is the fluid combination of principles and sub tools from the Process-Focused methodologies Lean, Six Sigma, and Theory of Constraints. This book is unique because it is applicable to Military Organizations as well as Commercial Businesses. MAQ has 35 years of experience in the USAF and US Army and helped generate the DoD CPI Guide. He is more than qualified to relate CPI to the Military environment. He is a certified Level 2 and 3 Mentor for the USAF. The techniques identified in this book have been proven successful at several Air Force and Army Bases as well as private businesses. They are similar to many techniques used throughout the Department of Defense and across industry. Although every Military Service is using a different combination of the three techniques; Lean, Six Sigma, and Theory of Constraints, CPI combines all these techniques into a single approach that makes the best use of each sub tool when it is appropriate. If you want to improve processes in your organization, this is the book to read and use. For more information on CPI, contact MAQ or Mike Maquet at www.m2mcp.com.

CPI Detailed Report ,1995 Consumer price index, U.S. city average and selected areas.

Georgia: Technical Assistance Report-Scanner Data for CPI International Monetary,International Monetary Fund. Statistics Dept.,2021-11-12 The purpose of the mission was to assist the National Statistics Office of Georgia (Geostat) with continuing its modernization of the Consumer Price Index (CPI). This was the first technical assistance (TA) mission to Georgia to specifically focus on scanner data (SD). Two earlier missions on the residential property price index (RPPI) (September 23-October 4, 2019, and November 30-December 4, 2020) already provided initial guidance and addressed the planned modernization of the CPI using SD. The mission was delivered remotely, and the sessions were recorded for future reference.

Improving the Efficiency of the U.S. CPI Paul A. Armknecht, 1996-09 The IMF Working Papers series is designed to make IMF staff research available to a wide audience. Almost 300 Working Papers are released each year, covering a wide range of theoretical and analytical topics, including balance of payments, monetary and fiscal issues, global liquidity, and national and international economic developments.

Getting Prices Right Dean Baker, 1998 Presents both sides of the debate about the accuracy of methods used to determine the consumer price index (CPI) and its role in balancing the federal budget. Analyzes the Boskin Commission report, which states that the CPI was too high and needs to be adjusted downward to save billions of dollars in government entitlement payments and raise taxes, and raises serious doubts about the report's results. Includes many bandw charts and graphs. Paper edition \$19.95, 0-7656-0222-9. Annotation copyrighted by Book News, Inc., Portland, OR
