

Cab

Iain Levison

New York Cab Driver and His Fare Charles

Vidich, 2017-09-29 Using information derived from research and interviews with cab drivers, Vidich has written a basic work on New York City cab drivers (hacks) that also provides passengers (fares) with a survival manual. Cab drivers are quoted by newspaper columnists, politicians, and at dinner parties; yet a hard look at the profession and its role in the transportation system of the city has been completely lacking. Vidich brings out in clear language the conflicts between the cab driver's position as a dispenser of a public service and his needs as a working person subjected to violence and pressure. It is difficult to imagine a more enjoyable introduction to an industry whose members are a folk tradition. At the same time, this book provides insight into the history and sociology of an important urban institution. It is a book about cab drivers everywhere; and cab drivers and fares in all cities have a new handbook in this volume.

Yellow Cab Robert Leonard, 2006 The sharp insights of a cab driver into the workings of the hidden world of an American city after dark.

Taxi! Graham Russell Gao Hodges, 2020-03-17 Why the cabdriver is the real victim of the false promises of Uber and the gig economy. 2007 Noteworthy Book in Industrial Relations and Labor Economics, Princeton University Industrial Relations Section Hailed in its first edition as a classic study of New York City's history and people, Graham Russell Gao Hodges's *Taxi!* is a remarkable evocation of the forgotten history of the taxi driver. This deftly woven narrative captures the spirit of New York City cabdrivers and their hardscrabble struggle to capture a piece of the American dream. From labor unrest and racial strife to ruthless competition and political machinations, Hodges recounts this history through contemporary news accounts, Hollywood films, and the words of the cabbies themselves. A new preface recalls the author's five years of hacking in New York City in the

early 1970s, and a new concluding chapter explores the rise of app-based ridesharing services with the arrival of companies like Uber and Lyft. Sharply criticizing the use of the independent contractor model that is the cornerstone of Uber and the gig economy, Hodges argues that the explosion of for-hire vehicles in Manhattan reversed decades of environmental anti-congestion efforts. He calls for a return to the careful regulations that governed taxicabs for decades and provided a modest yet secure living for cabbies. Whether or not you've ever hailed a cab on Broadway, *Taxi!* provides a fascinating perspective on New York's most colorful emissaries.

Financial Responsibility of Taxicab Owners United States. Congress. Senate. Committee on the District of Columbia, 1932 Considers legislation to establish insurance requirements for D.C. taxi owners and operators.

Taxi Cab Alex Summers, 2017-01-01 Have you ever been in a taxi cab? In this title, early readers learn about taxi cabs and what to expect if you ride in one. Included are a picture glossary and websites to visit.

Taxi! Biju Mathew, 2005 An analysis of the taxi industry in New York City documents changes within today's business practices and how such changes reflect the city's shifting corporate climate, citing such elements as the 1998 Taxi Workers Alliance strike, the recent fare hike, and the impact of multiculturalism and urban renewal on the daily lives of drivers.

Hack Melissa Plaut, 2007 In her late 20s, Plaut decided to honor a long-held secret ambition by becoming a New York City taxi driver. With wit and insight, she recreates the crazy parade of humanity that passes through her cab and shows how this grueling work provides her with a greater sense of self.

Taxi Alex Summers, 2018 Young readers learn all about what it's like to ride in a taxi cab as well as all the parts and people that make it go.

Taxi Cab Stories John Egan, 2018-12-22 Infused with John's

unique sense of wry humor, these stories take the reader along on a ride through John's experiences as a cab driver in Brockton, Mass during the late 1970s. The stories are a mixture of the hilarious, odd, insightful, and sorrowful; introducing the reader to such characters as Black Laurel and Hardy, Captain Quaalude, and Mr. Magoo. This is how one cab ride ended as John pulled up to an ER...An orderly, hearing the tires give up their remaining tread in an anguished squeal, ran out expecting a near death emergency arrival. I jammed my driver seat forward and ran over to open Mom's door. She got out calmly, I was anticipating a warm thanks. She got hold of her purse. I figured to get the fare and a great tip. Instead, she starts beating me with it! Hard! I am 6'4" and she was able to hit me squarely on top of my head. She was going to nail me into the ground like a human spike! She said, I told you to get me to the hospital quickly, not to put me in it! (as she rained beats down on me with her purse) Little Guy (her son) was hopping up and down saying Can we do that again!?! That was unbelievable! which made Mom angrier. The orderly skidded to a stop, wondering if I was the bad guy, Mom was a maniac, or this might be some personal matter between two consenting adults, especially one (Mom) that weighed about 4 times what he did. He said nothing, did not come an inch closer. He seemed frozen in fear, a desire for personal safety, and a crushing curiosity to see how it played out. This is how another cab ride ended after two guys considered robbing John...I got them to their destination in one piece. The fare was just under \$10, blond threw me a twenty and said, Keep it, as they fell over themselves in their hurry to get out. I didn't even thank them for the tip, just acted as if I expected it. Like it was payment for the 'joy ride.' The last thing the black-haired guy said as the scrambled out. I never met someone as nuts as you, man. Never! Blond goes, You're not safe, man. You're nuts. You shouldn't be f**kin' driving! I looked at them with a bored, 'do this all the time' look and shrugged....I radioed for Gary to get the cops. I gave the address, a

description, and said the cops should be careful as at least one was armed. Join John for other fares as he drives from experience to experience, wending his way through an incredible world of stories from his cab driving days.

The Cab of the Sleeping Horse John Reed Scott, 1916

The Yellow Cab Marcus Pfister, 2013-02-01 Jack, the little yellow taxi, used to be the fastest, brightest taxi around and traveled the city as if he had wings. If only he could fly. But something magical happens when Jack sees a bus that says, "Come to Brazil." Before Jack knows it, he's flying over the Brazilian rainforest and his new customers are macaws and howler monkeys! Jack couldn't be happier, playing pass-the-coconut. But their fun comes to a halt when big bulldozers and cranky cranes start chopping down the rainforest. Why don't you come back to the city and leave the forest alone? With a blink of an eye, Jack is back in the city. Could those be the same bulldozers he saw in the rainforest? Jack isn't sure until he spies a coconut on the park bench and smiles to himself...anything is still possible.

Cab Tales Eric Muirhead, 2012-04-01 This collection of short stories featuring the denizens of Houston's demimonde in the early 1970s is told from a cabdriver's perspective. The revised second edition includes a new foreword by the author.

Real Cab Stories Tom Frias, 2016-01-21 Real Cab Stories By Tom Frias It's here! Finally, what you have been waiting for has arrived. Real cab stories from a real cab driver. For your enjoyment, author Tom Frias has hand-selected these unique stories from 166,000 personal experiences. Alternately hilarious and tragic, Real Cab Stories covers all the bases: out-of-control bachelorette parties and shady businessmen, strip clubs and prostitutes, casino jackpots and unlucky accidents, all told with the wit and sincerity of someone who's seen it all. In Las Vegas, anything can happen—and half of it happens in the cab. Ranging from the wild to the hilarious, the lucky to the unlucky, there's a

favorite story waiting here for you. Which one is yours?

Hunting Indians in a Taxi-cab Kate Sanborn,1911 Relates to tobacco sign Indians.

Cab Talk Tim Keefe,2007-01-24 This book is a series of taped conversations that the author had with various passengers over the course of a number of months. During that time he talked to tourists, drug dealers, business people and about any other type of person in between. Each had a story and the little glimpse into their lives was a fascinating look and the individuals that make a city hum.

The Cab Driver Iain Levison,2018-02-20

Tck Taxi Cab Killer Roy Campbell,2018-05-26 A Taxi cab.... Desires.... PassengersDeath People generally don't trust strangers but put their lives in the hands of a taxi driver. A man who kills unsuspecting passengers for a number of reasons, it could be for revenge, as a vigilante and for sexual gratification or just because he enjoys it. The book is like John Wayne Gayce, Charles Manson and Dexter from the HBO series in a cab. It takes place in present day in New York Cit. A middle age Ali Chandahan Guyanese Ben Kingsley or Gery Bednob type. He's going thru life in a bad marriage. He has an undying love for his wife. He will do, accept every kind of abuse from her. She uses his unconditional love to abuse him. He goes after strangers to satisfy his inner demons away from home. The spousal abuse and betrayal pushes him over the edge to bring the killing close to home. When the unthinkable when the love of his life betrays him. He sets her up for a murder that she didn't commit. She goes to an insane asylum to be evaluated to stand trial. She realizes that her husband is a killer but it too late. No matter what she said, no one believes that her husband is a killer while she goes to jail. Threw out the time when he's with and without his wife. He's picking up, taking and killing passengers in his cab. Things continue to progress with his killings but things change and not in his favor. A nosy neighbor knows part of his secrets. The police begin to be

obsessed with him and his every move. So Ali goes around the city killing men and women for revenge, for pleasure and for survival. During his discovery of killings, the suppression of his desires is short lived. The thirst of killing is unquenched. He does everything possible to live and kill another day. TCK (Taxi Cab Killer) is a story of fear. It's a fear that scares everyone young and old to the core. Everyone has a story about a taxi driver that was funny, interesting and even heartwarming. It's the stories that make you wonder as you get in the next cab ride. Will anyone hear me scream? Will I ever see my friends and family again? Just because it's convenient, we get into that strangers car. Taxi cab killer is a story that everyone can be terrified of.

From the Cabby's Seat O.Henry,2022-07-29 A cabby picks up a fare and takes her around town only to find she doesn't have the money to pay. O. Henry admits part of the reason for this may be the physical separation caused by how the hansom is built. Even if the cabby were interested in looking at their rider's face, the structure of the hansom makes it pretty much impossible. But, as it happens in this story, the lack of contact can lead to some interesting situations. But who the fare turns out to be makes for quite a twist ending. O. Henry's short stories are well known for their wit, wordplay, warm characterization and clever twist endings.

The Gabby Cabby Peter Franklin,1996 As the Gabby Cabby, Peter Franklin is a self-described poor man's Andy Rooney, Franklin, having conducted interviews from his taxi from such locations as the Democratic convention and the World Trade Center (post-bombing). In this book, he details insights he has gained as a living library of New York news and trivia. Photos.

From the Cab Doug Riddell,1999
