The World of the Paris Café W. Scott Haine,1998-09-04 In *The World of the Paris Café*, W. Scott Haine investigates what the working-class café reveals about the formation of urban life in nineteenth-century France. Café society was not the product of a small elite of intellectuals and artists, he argues, but was instead the creation of a diverse and changing working population. Making unprecedented use of primary sources—from marriage contracts to police and bankruptcy records—Haine investigates the café in relation to work, family life, leisure, gender roles, and political activity. This rich and provocative study offers a bold reinterpretation of the social history of the working men and women of Paris.

A Rich Brew Shachar M. Pinsker,2019-09-15 Finalist, 2018 National Jewish Book Award for Modern Jewish Thought and Experience, presented by the Jewish Book Council A fascinating glimpse into the world of the coffeehouse and its role in shaping modern Jewish culture Unlike the synagogue, the house of study, the community center, or the Jewish deli, the café is rarely considered a Jewish space. Yet, coffeehouses profoundly influenced the creation of modern Jewish culture from the mid-nineteenth to mid-twentieth centuries. With roots stemming from the Ottoman Empire, the coffeehouse and its drinks gained increasing popularity in Europe. The “otherness,” and the mix of the national and transnational characteristics of the coffeehouse perhaps explains why many of these cafés were owned by Jews, why Jews became their most devoted habitués, and how cafés acquired associations with Jewishness. Examining the convergence of cafés, their urban milieu, and Jewish creativity, Shachar M. Pinsker argues that cafés anchored a silk road of modern Jewish culture. He uncovers a network of interconnected cafés that were central to the modern Jewish experience in a time of migration and urbanization, from Odessa, Warsaw, Vienna, and Berlin to New York City and Tel Aviv. *A Rich Brew* explores the Jewish culture created in these social spaces, drawing on a vivid collection of newspaper articles, memoirs, archival documents, photographs, caricatures, and artwork, as well as stories, novels, and poems in many languages set in cafés. Pinsker shows how Jewish modernity was born in the café, nourished, and sent out into the world by way of print, politics, literature, art, and theater. What was experienced and created in the space of the coffeehouse touched thousands who read, saw, and imbibed a modern culture that redefined what it meant to be a Jew in the world.

Enjoy Drinking National Cafe' Au Lait Day Devera Jones,2021-02 National Café au Lait Day Café au lait is French for coffee with milk, and the drink is simply coffee with hot milk added. It is similar to café con leche in Spain, and similar drinks in other European countries. In Europe it is either espresso or dark coffee based, and steamed milk is used. In France it is traditionally served in a white porcelain cup or bowl. In America it is served in coffee houses from strong drip brewed coffee or French pressed coffee. Steamed milk is added. It is popular in New Orleans, where it is made with milk and coffee mixed with chicory. Chicory began being used in Louisiana during the Civil War, when it was mixed with coffee to stretch the supply. In contrast to the European style, in New Orleans it is made with scalded milk instead of steamed milk. It is popular at places like Café du Monde and Morning Call, and is traditionally enjoyed with beignets sprinkled with powdered sugar. In this book, you can find different recipes of coffee with milk in Europe and cake recipes from coffee, enjoy it with your friends in National Café au Lait Day.

The Last Days of Café Leila Donia Bijan,2017-04-18 “A glorious treat awaits you at the literary table of Donia Bijan.” —Adriana Trigiani Set against the backdrop of Iran’s rich, turbulent history, this exquisite debut novel is a powerful story of food, family, and a bittersweet homecoming. When we first meet Noor, she is living in San Francisco, missing her beloved father, Zod, in Iran. Now, dragging her stubborn teenage daughter, Lily, with her, she returns to Tehran and to Café Leila, the restaurant her family has been running for three generations. Iran may have changed, but Café Leila, still run by Zod, has stayed blessedly the same—it is a refuge of laughter and solace for its makeshift family of staff and regulars. As Noor revisits her Persian childhood, she must rethink who she is—a mother, a daughter, a woman estranged from her marriage and from her life in California. And together, she and Lily get swept up in the beauty and brutality of Tehran. Bijan’s vivid, layered story, at once tender and elegant, funny and sad, weaves together the complexities of history, domesticity, and loyalty and, best of all, transports readers to another culture, another time, and another emotional landscape.
