I Am Not My Father's Daughter Shanetris Campbell,2011-09-16 A puddle. A deposit. A life. Going through life, thinking you're nothing more than a sperm donation. To my father, rap music multimillionaire and First Amendment crusader, Luther Campbell of 2 Live Crew fame, that's exactly what I am. My name is Shanetris Campbell. I was born on September 7, 1982. This is the story of my life. Molded by the abuse of my mother and the poisonous venom of my father, I bounced back and forth throughout my childhood from the housing projects of Miami's notorious Liberty City to the luxurious environs of my father's mansions and yachts.

History of the Campbell Family (Classic Reprint) Henry James Lee,2015-07-06 Excerpt from History of the Campbell Family All races of men seem to have an intuitive feeling that it is a subject of legitimate pride to be one of a clan or family whose name in written large in past history and present affairs. Everybody likes to know something about his forefathers, and to be able to tell to his children the tales or stories about their ancestors, which he himself has heard from his parents. The commandment Honor thy father and thy mother is good and sufficient authority for that feeling of reverence which is so generally shown towards a line of honorable ancestry. The history of the family was a matter of much importance to the Greeks; it was the custom of the early Roman to place in the aula of his house the images of the illustrious men of his family; the Chinese go so far as to magnify such reverence into ancestor

worship, and even the red Indian of our own Northwest recorded the traditions of his ancestors on the totem of his tribe. Well, then, may the story of the chivalry, courage and even lawlessness (so often the mate of courage) of their forefathers find a responsive echo in the hearts of Campbells of the present generation, who come of ane house and are of ane surname, notwithstanding this lang time bygane.
