**The Book of Cards for Kids** Gail MacColl, 2012-05-31 The thrill of double war. The excitement of shouting Gin! Every kid knows at least a handful of card classics, and every grown up kid remembers the fun of playing them. Now promising an abundance of entertainment for children and their families comes the first book to focus exclusively on card games for kids--and to be paired with an over-sized, custom-designed set of playing cards. From such favorites as Baby Snap, Go Fish, Concentration, and Blackjack to the less well-known Chase the Ace, Racing Demon, Smudge, and Frogs in the Pond, here are over 35 games for two to six players, plus Solitaire for a rainy day. Specially created for the book, the Kids' Card Deck is a brightly colored, big and bold pack of 54 cards based on the standard 52-card playing deck plus two jokers. Each suit is a different color to make it immediately distinguishable; numerals and letters are large and easy to read. Selection of the Book-of-the-Month Club. Suitable for ages 4-9. Over 1.1 million copies in print.

**The Royal Road to Card Magic** Jean Hugard, Frederick Braue, 1999-05-27 Would you like to confound your friends, amaze your acquaintances, amuse and dazzle crowds at parties and gatherings? Mastering a few card tricks will allow you to do all that and more. With the help of this book, anyone can develop a versatile repertoire of first-rate card tricks. In fact, mastery of just the first chapter will enable you to perform a half-dozen astounding and entertaining sleights of hand. The authors, both noted authorities on magic, present complete, easy-to-understand explanations of shuffles, flourishes, the glide, the glimpse, false shuffles and cuts, the pass, the classic force, and many other techniques. These will enable card handlers to perform over 100 mind-boggling feats of card magic, including Thought Stealer, Gray's Spelling Trick, Do as I Do, Now You See It, Obliging Aces, Rapid Transit, Kangaroo Card, A Topsy Trick, and dozens of others. Illustrated with more than 120 clear line cuts that make the explanations easy to follow, this exciting introduction to card conjuring will enable even beginners to develop professional-level skill and the ability to perform tricks guaranteed to astound family and friends. Unabridged Dover (1999) republication of the work published by World Publishing Company, Cleveland, Ohio, 1951 (first edition, Harper & Brothers, 1948).

**Classic Cards** Marrian Piers, 2007 These are 60 of the most beautiful cards a crafter will ever see, with unique techniques that no other card-making guide uses. Every project showcases excellent craftsmanship, and features great color how-to photographs, diagrams, and patterns. Choose from the classic Dutch and other European styles of folding and stitching to create something special for any occasion. Embroider a geometric star in metallic threads, and then add seed beads for an elegant, crisp design. Layer bright squares, construct a Chinese Pagoda design out of many small bits and scraps, use bold, thick threads to make a wonderfully realistic three-dimensional butterfly, or quilt a small heart-shaped card for Valentine's Day. Each card is so exquisite that it's a gift in itself.

**Simply Fortune Telling with Playing Cards** Jonathan Dee, 2007 The successful *Simply* series now offers an easy-to-use guide to the art of telling

fortunes with cards. Starting with the general significance of each suit (for example, hearts stand for autumn and good fortune, while spades mean winter and possible trouble), it goes on to give a detailed interpretation of each card in the deck—including how the meaning changes when its position is reversed. Copious charts show exactly how to lay out the cards and interpret combinations and spreads. The many different patterns allow the reader the choice of providing a quick answer to a single question, or doing a comprehensive reading.

improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Cards books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Cards books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Cards books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
