The Complete Guide to Chihuahuas David Anderson, 2019-04-26 Easily one of the most recognizable dogs in the world, Chihuahuas are easy to identify. If you ask someone what they think of Chihuahuas, you are almost certain to get a strong reaction either in favor of them or against them. They can be an incredibly polarizing breed. One thing that most people agree on about Chihuahuas is that they don't appear to understand just how small they are. Most Chihuahuas don't exhibit much (or any fear), going up and barking at a Great Dane or Mastiff. It's impossible not to shake your head at their antics. This guide will walk you through the in's and out's of owning this phenomenal breed. Whether you're someone playing with the idea of getting a Chihuahua, or have already embarked on your journey with your pup, this guide will offer an insight into how to create a happy and fulfilling life for you and your Chi. This book will answer all your questions such as: Is a Chihuahua the right dog for me? I brought my Chihuahua home. What now? How can I best train my Chihuahua? What are some common mistakes should I avoid? They can be difficult to train, and their personalities tend to match their parents' personalities. But with early socialization, they can make fantastic additions to any family. Topics covered in the book include: Mischievous Charmers – the Defining Characteristics Breed History and Characteristics The Ideal Home Finding Your Chihuahua Preparing for Your Puppy The First Week The First Month Housetraining

Your Aging Chihuahua Given their small size, Chihuahuas are a surprisingly entertaining dog – largely
because they don’t realize just how small they are. They tend to be wary of strangers, but when it comes
to their family, they are one of the most loyal breeds. They love their families and want to protect them
just as much as any large breed. Chihuahuas are not for everyone, but if you bring one into your home,
you will have a dog that will love you unconditionally.

Chihuahua Natalie Lunis,2009-01-01 Chihuahuas are the world’s tiniest dogs, but that doesn’t stop them
from being some of the bravest and boldest canines around! Right off the bat, you’ll meet Zoey, a five-
pound Chihuahua who saved her one-year-old companion from a rattlesnake bite—by getting bitten
herself! Where did this courage come from? Perhaps it came from the Chihuahua’s ancestors, who lived
with the Toltecs and Aztecs of Mexico as far back as 1,000 years ago. Today, the little dog is found in the
homes of everyday citizens, in movies such as *Legally Blonde*, and even in Taco Bell commercials.
Chihuahua: Señor Tiny is a narrative treat for dog lovers that includes amazing, real-life stories about these
little pups while also recounting the breed’s history and its relationship to the animal’s physical
characteristics, personality, and suitability as a pet.

Meet the Chihuahua American Kennel Club,2012-08-14 The American Kennel Club's Meet the Chihuahua, an official publication of the American Kennel Club (AKC) prepared in collaboration with the Chihuahua Club of America, serves as the go-to resource for new and experienced owners of the world's

tinest dog. With his saucy personality, childlike intelligence, and perfect diminutive stature, the Chihuahua is the favorite of millions of dog lovers in America and around the world. Meet the Chihuahua begins with a discussion about who makes the right owner for such a tiny wonder as the Chihuahuas, and the parent-like responsibilities that accompany owning this long-lived canine tot. Equally important is the selection of the right breeder, a topic covered in a chapter on puppy selection that includes a list of questions to ask the breeder and the answers new owners are looking for. The book addresses the health of the Chi and alerts new owners to potential problems in the breed. The chapter on health discusses the importance of finding the right veterinarian for this breed as well as how to embark on a preventive-healthcare regimen with your vet. New owners will profit from the chapters dedicated to selecting the right merchandise for a new puppy and how to make the home and yard safe for the inquisitive Chi puppy. House-training and obedience training are presented in individual chapters, topics that all Chi owners need to consider seriously. The AKC's stance on positive training methods shines through as owners are enlightened to the power of praise and rewards. Additionally, Meet the Chihuahua offers info about grooming both coat varieties, exercise, dental health, and feeding. The final chapter presents a fun-filled chapter on participating in dog sports; from participating in AKC performance events like dog shows, obedience and agility trials to becoming certified as a therapy dog and visiting nursing homes and retirement homes with your ready-to-love Chihuahua. The chapters also offer advice on how to pursue the AKC S.T.A.R. Puppy and the Canine Good Citizen programs, both ideal for young dogs getting their start in organized dog events and therapy work. The Resources section of the book includes excellent

recommendations for websites, periodicals, books, and programs that owners will find informative and helpful.
