Chromecast Octavio Barrick,2016-10-27 One of the most popular media streaming devices on the market today is Google Chromecast, a puck shaped devices that hooks right up to your TV with an HDMI report and streams content to it in the form of movies, TV shows, games, music, and much more. But at the same time, there are already numerous media streaming devices on the market already, right? What specifically makes Google Chromecast better than all of the other streaming devices you can buy? Well, there is not one specific reason but rather twenty five specific reasons, each of which we are going to explore in detail in this book. For example, did you know that Chromecast can work with practically any app? That you can take it with you and use it on vacation? That you can use it as an audio adapter? Or that you can even use it to make a professional business presentation? These are just four of the twenty five incredible things Chromecast can do for you that we will explain in detail in this book. The world is changing and the way we view media and entertainment is changing with it. That's why you want to make sure you have the most innovative media streaming device there is so that it will be long lasting and kept up to date with today's current trends. Google Chromecast is that device. Download your copy of Chromecast by scrolling up and clicking Buy Now With 1-Click button.

How To Use A Chromecast Kieron "Chromecast Apps" Phillips,Conrad "Chromecast Guide" Jackson, This book will teach you how to setup your Chromecast quickly and easily, which are the best compatible apps, which are the best devices to use, and also some extras like how to get your content to appear in HD. There is also a small troubleshooter section in Chapter 3 of this book, with things to check if anything ever goes wrong. We also provide links to external websites to troubleshoot your Chromecast in more depth. We have input a small key to make it easier to follow depending on your devices. A: = PC, Mac or Chromebook. B: = iphone, ipad or Android device. We hope you find this book extremely useful, and thanks again for purchasing How to use a Chromecast by Kieron “Chromecast Apps” Phillips and Conrad “Chromecast Guide” Jackson.

Advanced Chromecast Tips and Tricks (Chromecast User Guide): Lisa Thompson,2015-01-06 The Google Chromecast is an amazing device. It can allow you to watch an unlimited number of on-on-demand videos from YouTube, Google Play TV & Movies, Netflix, Hulu, and many other online services; but on your television instead of your computer screen. If you have been spending money on expensive premium cable services in the past, the Chromecast can even help to reduce these costs by providing you with other options. However, there is one problem that you may run into if you

own or are considering owning a Chromecast: Google provides very little documentation as to how this device works. If the only thing you want to do with your Chromecast is to watch a few videos from Hulu or Google Play, then you can probably get by on learning how to use the Chromecast solely from the information that Google provides on its website. But what if you want to use unofficial services such as the free versions of Hulu or Spotify? Or, what if you want to use your Google Chromecast to make business presentations? For another example, what if you want to turn your computer into a wireless media server or share your Android or iOS screen to your television? If you want to use your Chromecast for more than just its basic functions, you will need a user's guide to do so. Unfortunately though, many Chromecast user's guides on the market are outdated and employ complicated workarounds in cases where they are not necessary. Because of this problem, I have created a Chromecast user's guide that provides the simplest answers to any Chromecast issue and that is completely up-to-date. Here are just some of the topics covered in Chromecast Guide: Google Chromecast Tips & Tricks. How to connect and set up your Chromecast. Factory resetting your Chromecast. How to use your Chromecast to give presentations. Using your Android or iOS device as a remote control. A complete description of the best services to use with your Chromecast, such as Hulu, Pandora Radio, Crackle, and many others. How to watch Hulu on your television without paying for the premium service. How to listen to Spotify music on your television or through your stereo system. How to display web-content on your television. How to use your television to mirror the screen of your smart phone. How to use your computer as a wireless media server. How to cast music and video from the Kindle Fire. How to configure Amazon Instant Video so that it will display on your television. How to use your smart phone to turn on your TV. And many other topics that explain how to get the most out of your Chromecast. Get a copy of this book now and unlock the power of your Chromecast device!

Chromecast James J. Burton, 2014-03-04 What This Book Has For You This book will highlight the importance of the device that was introduced by Google for as low as \$35 in detail. Chromecast by Google, which was introduced in July 2013, has proven to be big competition to Apple TV despite its small size. While it's compared to Apple TV as well as Roku 3, the tiny device is really very unique, with useful features and its own set of limitations. That being said, if you already have your hands on this device, this book will give you all the details to make the most out of this little magic you have in your hand. This book will help you maximize the usage and potential of Chromecast and if you haven't yet purchased the device, will encourage you to enjoy the unique experience the device brings along. With all the details you require and all that you need to learn about this new hype, this book is just

right for you. This book offers you: Step by step details about Chromecast Easy-to-understand-and-implement details to help beginners get started Highlights on the advantages Google Chromecast So read on and learn why Google Chromecast is the next 'hot device' to own!

Making the Best of Chromecast Michael Edwards,2015-02-01 With Chromecast being around for around two years now, and customers are enjoying the offers of Chromecast, there are a lot of things so many customers don't know about it. There are tons of tricks and tools customers can use to get

their money's worth and much more. With knowing these different tools, customers can ditch cable companies forever, for just a one-time fee of \$35 to buy the Chromecast device. Once getting the Chromecast device, the setting up is in store. Also, certain things must be downloaded and in order, if it hasn't been already. Many already have the Google Chrome Browser; however, the Google Cast extension must be downloaded as well before setting up the Google Chromecast device. After having all the required items for downloading and installing for setting up Chromecast, users should make sure that other required items are present which include the Wi-Fi connection, a TV with an HDMI input, a tablet or smartphone, and a computer. After that is done, the next thing to do is to plug the Chromecast device. Then you are ready to proceed with the different tricks of the trade which include the following: streaming local media; playing any media type using Plex; sending websites to the TV; mirroring the mobile phone and TV; improving video playback by streaming quality adjustment; adding Emojis; hosting YouTube parties; always making full screen videos play; personalizing the wallpaper with personal photos; turning on the TV with a smartphone; using Chromecast in a hotel room; using a headphone; watching 3D VR without the headset (the Oculus Rift and Alterglaze); mirroring the full desktop; using Chromecast with Kindle Fire; resetting Chromecast back to factory settings; playing Nintendo Wii games with Chromecast and a smartphone; using outside Androids with Chromecast without being on the same Wi-Fi account; accessing Chromecast's hidden settings; turning the TV into a lava lamp; launching Netflix; using guest mode for friends; getting free stuff; and using an audio adaptor.

Chromecast Device User Guide Joseph Joyner,2015-06-01 Since the internet speeds went above the 500kbps mark, the number of things people can do with their interconnected devices skyrocketed. Automated homes, connected cars, and internet enabled TVs. The latter is what threatens to revolutionize the entertainment world as we know it, do away with cable TV and abolish the need for expensive blue-ray players. Even though smart TVs are so lucrative, most people find them either too costly, or limiting. The alternative would be going for a TV with an HDMI port, a USB port and purchasing a dongle to bring in the power of internet TV. Chromecast is one of the best and cheapest such tools in the market.

The New Chromecast: A Guide for Beginners Philip Tranton,2015-12-03 Chromecast is a selection of digital media players manufactured by Google. Created as small dongles, the devices play audio or video content on a smart TV or audio system by streaming the content through Wi-Fi or from networks operating in that area. Users choose the means through which they want to play with the help of apps found on cellular phones and apps from the internet that is compatible with Google Cast technology. Also, videos or music can be mirrored from the Chrome operating on a personal computer. The original Chromecast, which was a video streaming device, was launched on July 24, 2013, and was in stores at the same time and sold for US\$35. The Google Cast was launched on February 3, 2014, which gave access to third parties to adjust their software to be compatible with Chromecast. Google reported that over 20,000 Google Cast compatible apps are accessible after May 2015.

Chromecast Finally Works in Hotels [September 2014 Edition] Tracy Mitchell,2014-07-30 [Detailed for Beginners] This Manual is Only for the Windows XP User and Specific to the TL-WR702N Device for Chromecast Setup on a Hotel WiFi Network. * If you are a Windows 7 user, then please click on the author's name above to get the Windows 7 version of this manual. Are you having a difficult time trying to get the Chromecast to work in hotels? If you have been in search for a Chromecast hotel workaround solution, then look no further. 'Chromecast Finally Works in Hotels' is a step-by-step guide that shows you how to setup Chromecast on hotel WiFi. The manual does not talk about how to hack or disassemble the Chromecast nor how to hack into the hotel's WiFi. This manual is the legitimate Chromecast hotel workaround. With these instructions, your Chromecast will continue to be under its original warranty and the hotel's WiFi -- other than your connection to it -- it will remain untouched and unharmed. This manual gives you a full set of instructions, including settings required to making the Chromecast device work with your tablet on a hotel's WiFi Internet access. These instructions could even help you get your Roku device working in a hotel room as well because this setup is getting you an access point for your

Chromecast and/or Roku device. More than two hours was spent creating this manual for the sake of it being very easy-to-follow for you. And now it's available for you to download to your Kindle or any device you can read e-books. *** UPDATES *** September 10, 2014: Added link showing products used (e.g. description, specifications, price) and where to buy them for your convenience. Made small change in wording in same section link provided. August 19, 2014: Added section below manual's conclusion and fixed last page source-links.
