Paravision Rodrigo Medeiros,2018-02-23 Paravision explores one of the richest parapsychic capacities of all: clairvoyance. There are countless references to this phenomenon in history, mystic literature, and popular culture. The approach used in the book is both practical and technical, so that this skill can be put to good use to enhance personal growth. The term clairvoyance has different meanings depending on the line of study and period in history where it is used. This book presents clairvoyance as paravision, a visual perception beyond your physical eyes. Paravision is a type of psychic ability that allows you to see auras, non-physical energies, and non-physical dimensions. Rodrigo Medeiros presents a thorough, accessible explanation of how this phenomenon works, several step-by-step techniques for you to experience it, and fascinating accounts of clairvoyance.

You Are Psychic Debra Lynne Katz,2015 YOU ARE PSYCHIC has been hailed as “the psychic’s bible” and has put tens of thousands of readers on the fast track to accessing and controlling their clairvoyant and healing abilities. In this 2015 revised edition by Living Dreams Press, *You Are Psychic* continues to open the eyes of readers and reverse the “blindness” of those cut off from their greatest gifts of in-sight and healing. Topics covered include: psychic readings, Clairvoyant healing methods, communicating with your creator and your guides, Transformation, psychic protection techniques and the business of spirituality. This book will take your abilities to levels never imagined and facilitate your profound transformation into empowerment and living the life you were meant to live. This improved edition has been updated to reflect the changing times of having a successful intuitive guiding business in a more technologically advanced world. It incorporates extraordinary insights of the author, whom has been conducting clairvoyant readings, trainings and mentoring sessions for thousands of clients and budding psychics for two decades. She has also collaborated with the top psychic researchers and remote viewers to conduct scientific studies, serving both as scientist and subject. In this edition, she fine-tunes techniques based upon those endeavors. One of the greatest values this book has is its normalizing and comforting effect: by sharing intimate details of her own readings along with step by step techniques, she catalyzes “breakthrough” experiences that changes lives for the better and shows readers that clairvoyance is fun, numinous and enlightening. Perhaps most importantly, those who experiment with the material in this book will gain immediate awareness of the profound connection all beings have with each other.

Clairvoyance (Annotated Edition) C. W. Leadbeater, 2013-12-10 Clairvoyance means literally nothing more than clear-seeing, and it is a word which has been sorely misused, and even degraded so far as to be employed to describe the trickery of a mountebank in a variety show. Even in its more restricted sense it covers a wide range of phenomena, differing so greatly in character that it is not easy to give a definition of the word which shall be at once succinct and accurate. It has been called spiritual vision, but no rendering could well be more misleading than that, for in the vast majority of cases there is no faculty connected with it which has the slightest claim to be honoured by so lofty a name. This book is your guide into the world and secrets of clairvoyance.
