The Classroom Management Book Harry K. Wong,Rosemary Tripi Wong,Sarah F. Jondahl,Oretha F. Ferguson,2018 This is a solutions book that shows how to organize and structure a classroom to create a safe and positive environment for student learning and achievement to take place. It offers 50 classroom procedures that can be applied, changed, adapted, into classroom routines for any classroom management plan at any grade level. Each procedure is presented with a consistent format that breaks it down and tells how to teach it and what the outcome of teaching it will be. While all of the work and preparation behind a well-managed classroom are rarely observed, the dividends are evident in a classroom that is less stressful for all and one that hums with learning. The information is supplemented with 40 QR Codes that take the learning beyond the basic text. As the companion book to THE First Days of School, it takes one of the three characteristics of an effective teacher, being an extremely good classroom manager, and shows how to put it into practice in the classroom. It will show you how to manage your classroom step by step. THE Classroom Management Book will help you prevent classroom discipline problems and help you create an atmosphere where everyone knows what to do--even when you are not in the classroom! 320-page book with Index 50 step-by-step Procedures 40 QR Codes for extended learning

The InterActive Classroom Ron Nash,2019-07-22 Shift Students' Roles from Passive Observers to Active Participants. Preparing students for a world that did not exist when they were students themselves can be challenging for many teachers. Engaging students, particularly disinterested ones, in the learning process is no easy task, especially when easy access to information is at an all-time high. How then do educators simultaneously ensure knowledge acquisition and engagement? Ron Nash encourages teachers to embrace an interactive classroom by rethinking their role as information givers. The Interactive Classroom provides a framework for how to influence the learning process and increase student participation by sharing • Proven strategies for improving presentation and facilitation skills • Kinesthetic, interpersonal, and classroom management methods • Brain-based teaching strategies that promote active learning • Project-based learning and formative assessment techniques that promote a robust learning environment Intended to cultivate an interactive classroom in which students take an active role in learning, this book provides a blueprint for educators seeking to amplify student engagement while imparting critical twenty-first century skills.

The Noisy Classroom Angela Shanté,2020-05-05 Silver Medalist, 2020 Wishing Shelf Book Awards: Books for 6-8 Year Olds Winner, 2020 American Fiction Awards for Best Cover Design: Children's Books Finalist, 2020 American Fiction Awards for Children's Fiction The first day of school is coming... and I'm going to be in the noisy class. Any class but the noisy class will do! A young girl is about to enter the third grade, but this year she's put into Ms. Johnson's noisy class. Everything about the noisy class is odd. While all the other classes are quiet, Ms. Johnson sings and the kids chatter all day. The door is always closed, yet sounds from it can be heard in the hallway. With summer coming to an end and school starting, the girl realizes that soon she'll be going to the noisy class. What will school be like now? Featuring the honest and delightful humor of debut author Angela Shanté and the bold, graphic imagery of debut illustrator Alison Hawkins, The Noisy Classroom encourages those with first-day jitters to reevaluate a scary situation by looking at it from a different angle and to embrace how fun school can be, even in nontraditional ways.

Classroom Management From the Ground Up Todd Whitaker,Madeline Whitaker Good,Katherine Whitaker,2018-10-30 Classroom management can make or break your teaching. But as educators know, there is no one-fits-all solution for every classroom. That is why bestselling authors Todd Whitaker, Madeline Whitaker Good, and Katherine Whitaker came together to write this book. They created a guide combining sound research with practical wisdom so educators could have a classroom management resource written by teachers for teachers. From this book, you'll gain effective strategies for designing and improving your classroom management from the ground up. You'll learn how the three core aspects of classroom management (relationships, high and clear expectations, and consistency) can be used to build and maintain an effectively-run classroom. You'll also find out how to tweak minor issues and reset major challenges when things don't go as planned. Each chapter covers a core aspect of classroom management and includes a foundational understanding of the concept, powerful stories and examples, how-to applications, and tips on tweaking as problems arise. In addition, each chapter features a What You Can Do Tomorrow section--strategies you can implement immediately. Whether you are a new or experienced teacher, this book will empower you to identify what is going well, adjust what needs to be changed, and feel more prepared for the unexpected.
