Steel Closets Anne Balay, 2014-04-07 Even as substantial legal and social victories are being celebrated within the gay rights movement, much of working-class America still exists outside the current narratives of gay liberation. In *Steel Closets*, Anne Balay draws on oral history interviews with forty gay, lesbian, and transgender steelworkers, mostly living in northwestern Indiana, to give voice to this previously silent and invisible population. She presents powerful stories of the intersections of work, class, gender, and sexual identity in the dangerous industrial setting of the steel mill. The voices and stories captured by Balay--by turns alarming, heroic, funny, and devastating--challenge contemporary understandings of what it means to be queer and shed light on the incredible homophobia and violence faced by many: nearly all of Balay's narrators remain closeted at work, and many have experienced harassment, violence, or rape. Through the powerful voices of queer steelworkers themselves, *Steel Closets* provides rich insight into an understudied part of the LGBT population, contributing to a growing body of scholarship that aims to reveal and analyze a broader range of gay life in America.

The Digital Closet Alexander Monea, 2023-05-02 An exploration of how heteronormative bias is deeply embedded in the internet, hidden in algorithms, keywords, content moderation, and more. A Next Big Idea Club nominee. In *The Digital Closet*, Alexander Monea argues provocatively that the internet became straight by suppressing everything that is not, forcing LGBTQIA+ content into increasingly narrow channels—rendering it invisible through opaque algorithms, automated and human content moderation, warped keywords, and other strategies of digital overreach. Monea explains how the United States' thirty-year “war on porn” has brought about the over-regulation of sexual content, which, in turn, has resulted in the censorship of much nonpornographic content—including material on sex education and LGBTQIA+ activism. In this wide-ranging, enlightening account, Monea examines the cultural, technological, and political conditions that put LGBTQIA+ content into the closet. Monea looks at the anti-porn activism of the alt-right, Christian conservatives, and anti-porn feminists, who became strange bedfellows in the politics of pornography; investigates the coders, code, and moderators whose work serves to reify heteronormativity; and explores the collateral damage in the ongoing war on porn—the censorship of LGBTQ+ community resources, sex education materials, art, literature, and other content that engages with sexuality but would rarely be categorized as pornography by today's community standards. Finally, he examines the internet architectures responsible for the heteronormalization of porn: Google Safe Search and the data structures of tube sites and other porn platforms. Monea reveals the porn industry's deepest, darkest secret: porn is boring. Mainstream porn is stuck in a heteronormative filter bubble, limited to the same heteronormative tropes, tagged by the same heteronormative keywords. This heteronormativity is mirrored by the algorithms meant to filter pornographic content, increasingly filtering out all LGBTQIA+ content. Everyone suffers from this forced heteronormativity of the internet—suffering, Monea suggests, that could be alleviated by queering straightness and introducing feminism to dissipate the misogyny.

Sara Berman's Closet Maira Kalman, Alex Kalman, 2018-12-04 Maira Kalman, the author of the bestsellers *The Principles of Uncertainty* and *The Elements of Style*, and Alex Kalman, the designer, curator, writer, and founder of Mmuseumm, combine their talents in this captivating family memoir, a creative blend of narrative and striking visuals that is a paean to an exceptional woman and a celebration of individuality, personal expression, and the art of living authentically. In the early 1950s, Jewish émigré Sara Berman arrived in the Bronx with her husband and two young daughters. When the children were grown, she and her husband returned to Israel, but Sara did not stay for long. In the late 1960s, at age sixty, she left her husband after thirty-eight years of marriage. One night, she packed a single suitcase and returned alone to New York City, moving into a studio apartment in Greenwich Village near her family. In her new home, Sara began discovering new things and establishing new rituals, from watching *Jeopardy* each night at 7:00 to eating pizza at the Museum of Modern Art's cafeteria every Wednesday. She also began discarding the unnecessary, according to the Kalmans: in a burst of personal expression, she decided to wear only white. Sara kept her belongings in an extraordinarily clean and organized closet. Filled with elegant, minimalist, heavily starched, impeccably pressed and folded all-white clothing, including socks and undergarments, as well as carefully selected objects—from a potato grater to her signature perfume, Chanel No.19—the space was sublime. Upon her death in 2004, her family decided to preserve its pristine contents, hoping to find a way to exhibit them one day. In 2015, the Mmuseumm, a new type of museum located in a series of unexpected locations founded and curated by Sara's grandson, Alex Kalman, recreated the space in a popular exhibit—*Sara Berman's Closet*—in Tribeca. The installation eventually moved to the Metropolitan Museum of Art, and in spring 2019, will become an outdoor monument to independence at the National Museum of American Jewish History on Independence Mall in Philadelphia. Inspired by the exhibit, this spectacular illustrated memoir, packed with family photographs, exclusive images, and Maira Kalman's distinctive paintings, is an ode to Sara's life, freedom, and re-invention. *Sara Berman's Closet* is an indelible portrait of the human experience—overcoming hardship, taking risks, experiencing joy, enduring loss. It is also a reminder of the significance of the seemingly insignificant moments in our lives—the moments we take for granted that may turn out to be the sweetest. Filled with a daughter and grandson's wry and touching observations conveyed in Maira's signature script, *Sara Berman's Closet* is a beautiful, loving tribute to one woman's indomitable spirit.
