The Unbearable Book Club for Unsinkable Girls Julie Schumacher, 2012 When four very different small-town Delaware high school girls are forced to join a mother-daughter book club over summer vacation, they end up learning about more than just the books they read.

Night Road Kristin Hannah, 2011-03-22 Vivid, universal, and emotionally complex, Kristin Hannah's *Night Road* raises profound questions about motherhood, identity, love, and forgiveness. A rich, multilayered reading experience, and an easy recommendation for book clubs. –Library Journal (starred review) Life comes down to a series of choices. To hold on... To let go...to forget...to forgive... Which road will you take? For eighteen years, Jude Farraday has put her children's needs above her own, and it shows—her twins, Mia and Zach, are bright and happy teenagers. When Lexi Baill moves into their small, close-knit community, no one is more welcoming than Jude. Lexi, a former foster child with a dark past, quickly becomes Mia's best friend. Then Zach falls in love with Lexi and the three become inseparable. Jude does everything to keep her kids out of harm's way. But senior year of high school tests them all. It's a dangerous, explosive season of drinking, driving, parties, and kids who want to let loose. And then on a hot summer's night, one bad decision is made. In the blink of an eye, the Farraday family

will be torn apart and Lexi will lose everything. In the years that follow, each must face the consequences of that single night and find a way to forget...or the courage to forgive. Vivid, universal, and emotionally complex, *Night Road* raises profound questions about motherhood, identity, love, and forgiveness. It is a luminous, heartbreaking novel that captures both the exquisite pain of loss and the stunning power of hope. This is Kristin Hannah at her very best, telling an unforgettable story about the longing for family, the resilience of the human heart, and the courage it takes to forgive the people we love. You cannot read *Night Road* and not be affected by the story and the characters. The total impact of the book will stay with you for days to come after it is finished. –The Huffington Post

She Hath Been Reading Katherine West Scheil, 2012-05-15 In the late nineteenth century hundreds of clubs formed across the United States devoted to the reading of Shakespeare. From Pasadena, California, to the seaside town of Camden, Maine; from the isolated farm town of Ottumwa, Iowa, to Mobile, Alabama, on the Gulf coast, Americans were reading Shakespeare in astonishing numbers and in surprising places. Composed mainly of women, these clubs offered the opportunity for members not only to read and study Shakespeare but also to participate in public and civic activities outside the home. In *She Hath Been Reading*, Katherine West Scheil uncovers this hidden layer of intellectual activity that flourished in American society well into the twentieth century. Shakespeare clubs were crucial for women's intellectual development because they provided a consistent intellectual stimulus (more so than was the case with most general women's clubs) and because women

discovered a world of possibilities, both public and private, inspired by their reading of Shakespeare. Indeed, gathering to read and discuss Shakespeare often led women to actively improve their lot in life and make their society a better place. Many clubs took action on larger social issues such as women's suffrage, philanthropy, and civil rights. At the same time, these efforts served to embed Shakespeare into American culture as a marker for learning, self-improvement, civilization, and entertainment for a broad array of populations, varying in age, race, location, and social standing. Based on extensive research in the archives of the Folger Shakespeare Library and in dozens of local archives and private collections across America, *She Hath Been Reading* shows the important role that literature can play in the lives of ordinary people. As testament to this fact, the book includes an appendix listing more than five hundred Shakespeare clubs across America.

The Kids' Book Club Book Judy Gelman, Vicki Levy Krupp, 2007-05-10 The first complete guide-for use by adults and children-to creating fun and educational book clubs for kids. As authors of *The Book Club Cookbook*, the classic guide to integrating great food and food-related discussion into book club gatherings, Judy Gelman and Vicki Levy Krupp hear a common refrain from

parents, librarians, teachers, community leaders and kids themselves: How about writing a book for kids' book clubs? Indeed, in recent years youth organizations, parents, libraries, schools, and our local, state, and federal governments have launched thousands of book clubs for children as a way to counter falling literacy rates and foster a love of reading. Based on surveys representing five hundred youth book clubs across the country and interviews with parents, kids, educators, and librarians, *The Kids' Book Club Book* features: _- the top fifty favorite book club reads for children ages eight to eighteen; _- ideas and advice on forming great kids' book clubs-and tips for kids who want to start their own book clubs; _- recipes, activities, and insights from such bestselling children's book authors as Christopher Paolini, Lois Lowry, Jerry Spinelli, Nancy Farmer, Christopher Paul Curtis, Andrew Clements, Laurie Halse Anderson, Norton Juster, and many others. From recipes for the Dump Punch and egg salad sandwiches included in Kate DiCamillo's *Because of Winn-Dixie* to instructions on how to make soap carvings like the ones left in the knot-hole of a tree in Harper Lee's *To Kill a Mockingbird*, this book provides a bounty of ideas for making every kids' book club a success.

Clubs, Drugs & Canapes Nick Valentine, 2013-10-17 Armed with a bottle of Milk Thistle and unshakeable optimism, Nick Valentine has spent most of his adult life in fifth gear, betting on a Royal Flush while covertly holding a pair of deuces. This is his story, the odyssey of a suburban bloke who has blagged, lucked and laughed his way into just about every party, club, stage and hot-tub imaginable. Following his first brush with celebrity at an impressionable age, and spending his teens and twenties as, amongst other things, a journalist, publicist, club promoter, musician and DJ, Nick eventually banked in the shallows of party central. He spent 15 years as a social editor on London's celebrity canapé circuit, while co-founding the Entertainment News press agency. An enterprising period acting as a social PR to the super-rich led to him co-founding three London nightclubs in quick succession, including the much lauded Cuckoo Club. With the West End as his

nocturnal playground, he then bid sleep a final fond farewell. Nick professes to have attended well over 5,000 parties in his time, drunk enough champagne to test the Thames barrier and occasionally made it home in time for Countdown. 'I'm a night person,' he says. 'The trouble is I'm a morning and afternoon person as well.' This account is a surprisingly touching, light-hearted look at the daily mechanics of enjoying life to the max and then some.

Women, Clubs and Associations in Britain David Doughan, Peter Gordon, 2006
Women have been consistently excluded from all sorts of clubs and societies, and in retaliation, women have either set up their own clubs or striven to break down resistance to their joining men's clubs. This text traces the development of the current situation and shows the transformation of Britain's social life.
