Connected Nicholas A. Christakis, James H. Fowler, 2009-09-28 Celebrated scientists Nicholas Christakis and James Fowler explain the amazing power of social networks and our profound influence on one another's lives. Your colleague's husband's sister can make you fat, even if you don't know her. A happy neighbor has more impact on your happiness than a happy spouse. These startling revelations of how much we truly influence one another are revealed in the studies of Dr. Christakis and Fowler, which have repeatedly made front-page news nationwide. In Connected, the authors explain why emotions are contagious, how health behaviors spread, why the rich get richer, even how we find and choose our partners. Intriguing and entertaining, Connected overturns the notion of the individual and provides a revolutionary paradigm—that social networks influence our ideas, emotions, health, relationships, behavior, politics, and much more. It will change the way we think about every aspect of our lives.

In *Clarity & Connection*, Yung Pueblo describes how intense emotions accumulate in our subconscious and condition us to act and react in certain ways. In his characteristically spare, poetic style, he guides readers through the excavation and release of the past that is required for growth. To be read on its own or as a complement to *Inward*, Yung Pueblo's second work is a powerful resource for those invested in the work of personal transformation, building self-awareness, and deepening their connection with others.

The Wolf Connection Teo Alfero, 2022-10-11 Discover the transformative lessons from one of humanity's oldest teachers—the wolf—with this enthralling, accessible, and “beautiful book” (Helen Hunt, Academy Award-winning actress) that “is rich with meaning, emotion, and spirit. A must read” (Douglas W. Smith, PhD, leader of the Wolf Restoration Project at Yellowstone National Park) to help us restore our connection with nature, our communities, and our deepest selves. Myths from cultures around the world show that wolves have enthralled humankind for millennia. In *The Wolf Connection*, Teo Alfero, shamanic practitioner and wolf conservancy founder, shows how interacting with wolves and wolfdogs can benefit people from all walks of life. By restoring our ancestral bond with these resourceful beings, we can reclaim the best of what it means to be human. *The Wolf Connection* offers twelve Wolf Principles to awaken our intuition, live more authentically, and heal from trauma. The principles draw on knowledge that

Teo and the Wolf Connection sanctuary team have gleaned firsthand through their Wolf Therapy® education and empowerment program, as well as the findings of wolf biologists and the wisdom of First Nation elders. Stories from myriad sources including Wolf Heart Ranch provide a compelling understanding of the lessons wolves have to offer us.

The Animal Connection: A New Perspective on What Makes Us Human Pat Shipman, 2011-06-13 A bold, illuminating new take on the love of animals that drove human evolution. Why do humans all over the world take in and nurture other animals? This behavior might seem maladaptive—after all, every mouthful given to another species is one that you cannot eat—but in this heartening new study, acclaimed anthropologist Pat Shipman reveals that our propensity to domesticate and care for other animals is in fact among our species' greatest strengths. For the last 2.6 million years, Shipman explains, humans who coexisted with animals enjoyed definite adaptive and cultural advantages. To illustrate this point, Shipman gives us a tour of the milestones in human civilization—from agriculture to art and even language—and describes how we reached each stage through our unique relationship with other animals. The Animal Connection reaffirms our love of animals as something both innate and distinctly human, revealing that the process of domestication not only changed animals but had a resounding impact on us as well.

Created for Connection Sue Johnson, Kenneth Sanderfer, 2016-10-04 Whoever does not love does not know God, because God is love.--1 John 4:8 Are you

looking to enrich a healthy relationship, revitalize a tired one, or rescue one gone awry? Do you yearn to grow closer to God, and to further incorporate Him and His teachings into your marriage? We all want a lifetime of love, support, and faith. But sometimes we need a little help. Enter Dr. Sue Johnson, developer of Emotionally Focused Therapy (EFT) and the best couple therapist in the world, according to bestselling relationship expert Dr. John Gottman. In *CREATED FOR CONNECTION*, Dr. Johnson and Kenneth Sanderfer, a leading EFT practitioner in the Christian community, share Johnson's groundbreaking and remarkably successful program for creating stronger, more secure relationships not only between partners, but between us and God. The message of *CREATED FOR CONNECTION* is simple: Forget about learning how to argue better, analyzing your early childhood, or making grand romantic gestures. Instead, get to the emotional underpinnings of your relationship by recognizing that you are attached to and dependent on your partner in much the same way that a child is on a parent, and we are on the Heavenly Father, for nurturing, soothing, and protection. The way to enhance or save our relationships with each other and with God is to be open, attuned, responsive, and to reestablish safe emotional connection. Filled with Bible verses, inspiring real-life stories, and guidance, *CREATED FOR CONNECTION* will ensure a lifetime of love.

The Greek Connection James H. Barron, 2020-07-13 Spanning from WWII to the Cold War and beyond, this is the “magnificent . . . triumphant” biography of

the investigative journalist, resistance fighter, and whistle blower who helped expose the Watergate scandal (Doris Kearns Goodwin, author of Leadership) He was one of the most fascinating figures in 20th-century political history. Yet today, Elias Demetracopoulos is strangely overlooked—even though his life reads like an epic adventure story . . . As a precocious twelve-year-old in occupied Athens, he engaged in heroic resistance efforts against the Nazis, for which he was imprisoned and tortured. After his life was miraculously spared, he became an investigative journalist, covering Greece's tumultuous politics and America's increasing influence in the region. A clever and scoop-hungry reporter, Elias soon gained access to powerful figures in both governments—and attracted many enemies. When the Greek military dictatorship took power in 1967, he narrowly escaped to Washington DC, where he would lead the fight to restore democracy in his homeland—while running afoul of the American government, too. Now, after a decade of research and original reporting, James H. Barron uncovers the story of a man whose tireless pursuit of uncomfortable truths would put him at odds with not only his own government, but that of the Truman, Eisenhower, Kennedy, Johnson, Nixon, Ford, Carter and Reagan administrations, making him a target of CIA, FBI, and State Department surveillance and harassment—and Greek kidnapping and assassination plots American authorities may have purposefully overlooked. A stunning feat of biographic storytelling, sweeping from World War II to the Cold War, Watergate and beyond, The Greek

Connection is about a lifetime of standing up for democracy and a free press against powerful special interests. It has much to teach us about our own era's abuses of power, dark money, journalist intimidation, and foreign interference in elections.

On Connection Kae Tempest, 2020-09-29 Beneath the surface we are all connected . . . 'An authentically soothing, powerful, thought-provoker.' MATT HAIG 'On Connection is medicine for these wounded times.' MAX PORTER 'On Connection came to me when I needed it most, and reminded me that the links we have to places, people, words, ourselves, are what keep us alive.' CANDICE CARTY-WILLIAM 'This is a book about connection. About how immersing ourselves in creativity can help us cultivate greater self-awareness and bring us closer to each other. Drawing on two decades of experience as a writer and performer, Kae Tempest champions the role of creativity - in whatever form we choose to practice it - as an act of love, helping us establish a deeper relationship to our true selves, and to others and the world we live in. Honest, hopeful and written with piercing clarity, *On Connection* is an inspiring personal meditation that will transform the way you see the world.' 'Persuasive and profound.' OBSERVER 'Tempest's prose is crisp and thoughtful.' NEW STATESMAN

The Cuban Connection Eduardo Sáenz Rovner, 2009-06-01 A comprehensive history of crime and corruption in Cuba, *The Cuban Connection* challenges the common view that widespread poverty and geographic proximity to the United

States were the prime reasons for soaring rates of drug trafficking, smuggling, gambling, and prostitution in the tumultuous decades preceding the Cuban revolution. Eduardo Saenz Rovner argues that Cuba's historically well-established integration into international migration, commerce, and transportation networks combined with political instability and rampant official corruption to help lay the foundation for the development of organized crime structures powerful enough to affect Cuba's domestic and foreign politics and its very identity as a nation. Saenz traces the routes taken around the world by traffickers and smugglers. After Cuba, the most important player in this story is the United States. The involvement of gangsters and corrupt U.S. officials and businessmen enabled prohibited substances to reach a strong market in the United States, from rum running during Prohibition to increased demand for narcotics during the Cold War. Originally published in Colombia in 2005, this first English-language edition has been revised and updated by the author.

Separated by decades in age, the two women are extremely similar in many other ways and become fast friends. For Michelle, being single, no matter what age, is a roller coaster: one can accept the excitement and unpredictability or get off the ride. Michelle has learned to embrace the ride, and she encourages Vanessa to do the same, no matter past trauma. Michelle even gifts Vanessa with her memoir, *Keep Walking*, based on her life as a widow and her baby boomer dating experience. At home in New York, Vanessa will have decisions to make as she has a new job waiting and a possible relationship in the wings. Michelle's insights and optimism change

The Connection Romona Kolma, 2022-06-10 The Lord wants a connection with His people. He doesn't want us to do the work completely on our own, He doesn't want us to move ahead of him, and He does not want us to lag behind. He wants our cooperation in completing the work He has begun in us. When we lose our focus on Him and we try to fix the problem ourselves or we cannot see when He will fulfill His promise to us, so we move ahead of Him, thinking we are helping. All of a sudden we find ourselves in the middle of disasters, confusion, and bewilderment. It is at those very times when we let go that He then will reach down and pull us up. He can and will connect us back to Him

when we let go of our plans and allow His plans to shine through you. It's our willingness to surrender ourselves for His purposes. This is a statement I read that sums it all up: The Lord has a great work to be done, and He will bequeath the most in the future life to those who do the most faithful, willing service in the present life. The Lord chooses His own agents, and each day under different circumstances, He gives them a trial in His plan of operation. In each truehearted endeavor to work out His plan, He chooses His agents, not because they are perfect but because, through a connection with Him, they may gain perfection. (BLJ 277.2)
