📖 **THE UNHOLY CONSULT** R. SCOTT BAKKER,2019-02-12 With this shattering final novel, “it can at last be said that Bakker has written the epic fantasy series of the post-Tolkien era” (Speculiction). The Men of the Great Ordeal have been abandoned by Anasurimbor Kellhus, and the Grand Crusade has devolved into cannibalism and chaos. When Exalt-General Proyas attempts to gain control of the lost Men and continue their march to Golgotterath, it becomes clear that the lost Lord-and-Prophet is not so easily shaken from the mission. As Sorweel, the Believer-King of Sakarpus, and Serwa, daughter of the Aspect-Emperor, join the Great Ordeal, they discover that the shortest path is not always the safest. Souls, morality, and relationships are called into question when no one can be trusted, and the price for their sins is greater than they imagined. An uncompromising portrayal of a catastrophic world of myth, war, and sorcery, the Aspect-Emperor books have earned their place alongside George R. R. Martin’s A Song of Ice and Fire. Powerful and haunting, this thrilling final installment of Bakker’s groundbreaking series is “no holds barred from page one” (Speculiction).
