*Citizen Coors* Dan Baum,2001-04-10 Name by Jonathon Yardly of the Washington Post as one of the best books of 2000, *Citizen Coors* combines a monumental business story with a heartrending tale of family strife and a sweeping vista of American politics in the last half of the twentieth century. From the moment when the dsitute Prussian Adolph Coors stows away to America in 1868, through the creation of the Heritage Foundation, to the global expansion of the billion-dollar Coors Brewing Company, the Coors family triumphed by iron-willed commitment to its own values -- values that ironically prove the family's undoing on both the business and political fronts. Acclaimed writer Dan Baum captures it all, from Adolph's Prohibition-provoked suicide to the banishment of an heir-apparent for marrying without permission. Baum vividly depicts the genius, eccentricity, and tragic weaknesses of the remarkable Coors family.

**The Coors Connection** Russ Bellant,1991 Journalist Russ Bellant examines the influential but little-known role of the Coors beer family in American politics. Through their philanthropic donations, Joseph Coors and other family members have bankrolled a right-wing agenda of union-busting, homophobia, sexism, racism, and covert operations. The Coors family has served as the cornerstone of the right-wing movement known as the New Right. The Coors Connection details the individuals, organizations, and causes supported by Coors philanthropy. A picture emerges of a family's frighteningly narrow vision of the American dream, and its willingness to support extremists who would undermine American democracy. Russ Bellant is an investigative journalist whose work has appeared in the National Catholic Reporter, the New York Times, the Texas Observer, and other publications. In 1984, he contributed to an award-winning NBC documentary on Lyndon LaRouche. Mr. Bellant was honored in 1989 for investigative reporting by the Catholic Press Association, which said, Tracking the historical roots of a group or movement is nothing short of a monumental task... Bellant is obviously very much at home with investigative reporting. Mr. Bellant is also the author of *Old Nazis*, *The New Right*, and *The Republican Party*-- South End Press, 1991.

The Death of an Heir Philip Jett,2017-09-26 The Death of an Heir is Philip Jett's chilling true account of the Coors family's gilded American dream that turned into a nightmare when a meticulously plotted kidnapping went horribly wrong. In the 1950s and 60s, the Coors dynasty reigned over Golden, Colorado, seemingly invincible. When rumblings about labor unions threatened to destabilize the family's brewery, Adolph Coors, Jr., the septuagenarian president of the company, drew a hard line, refusing to budge. They had worked hard for what they had, and no one had a right to take it from them. What they'd soon realize was that they had more to lose than they could have imagined. On the morning of Tuesday, February 9, 1960, Adolph “Ad” Coors III, the 44-year-old CEO of the multimillion dollar Colorado beer empire, stepped into his car and headed for the brewery twelve miles away. At a bridge he stopped to help a man in a yellow Mercury sedan. On the back seat lay handcuffs and leg irons. The glove box held a ransom note ready to be mailed. His coat pocket shielded a loaded pistol. What happened next set off the largest U.S. manhunt since the Lindbergh kidnapping. State and local authorities, along with the FBI personally spearheaded by its director J. Edgar Hoover, burst into action attempting to locate Ad and his kidnapper. The dragnet spanned a continent. All the while, Ad's grief-stricken wife and children waited, tormented by the unrelenting silence. The Death of an Heir reveals the true story behind the tragic murder of Colorado's favorite son.

**Brewing a Boycott** Allyson P. Brantley,2021-04-06 In the late twentieth century, nothing united union members, progressive students, Black and Chicano activists, Native Americans, feminists, and members of the LGBTQ+ community quite as well as Coors beer. They came together not in praise of the ice cold beverage but rather to fight a common enemy: the Colorado-based Coors Brewing Company. Wielding the consumer boycott as their weapon of choice, activists targeted Coors for allegations of antiunionism, discrimination, and conservative political ties. Over decades of organizing and coalition-building from the 1950s to the 1990s, anti-Coors activists molded the boycott into a powerful means of political protest. In this first narrative history of one of the longest boycott campaigns in U.S. history, Allyson P. Brantley draws from a broad archive as well as oral history interviews with long-time boycotters to offer a compelling, grassroots view of anti-corporate organizing and the unlikely coalitions that formed in opposition to the iconic Rocky Mountain brew. The story highlights the vibrancy of activism in the final decades of the twentieth century and the enduring legacy of that organizing for communities, consumer activists, and corporations today.

**Coors and Jack** Glen S. Steelman,2010-09 The story takes place in the early 1880's in the Arizona Territories with two old friends that grew up together since childhood. Jack and Coors get together a few times a year to take off on one of their wild adventures. This story is about one of their last adventures that took them to the southeastern part of Arizona where they get involved with the brotherhood of the Cowboys that wore red sashes around their waists. Thet take part in one of the most documented treasure stories of the southwest: 'The Skeleton Canyon Massacre', located in the southeastern part of Cochise County. With events that take place, they get the cache for themselves and hide it to be dug up later. 125 years later, Glen and Bill get together and make trips to various places around Arizona where actual western history took place. They decide to check out the area where the 'Skeleton Canyon Massacre took place. They meet an old coot by the name of Zwing Hunt who is a relative of one of the men that actually took part in the Massacre. They befriend each other and share information on the Massacre and the various scenarios of where the treasure may be stashed. The Strange events that take place later with Glen and Bill, lead them to the cache. They travel on to Tombstone with the cache and there, still experience events that make them wonder what the hell is going on. The night before they leaveTombstone to return to Prescott, they have the same dream which answers all of their questions regarding the strange events. Back in Prescott they take count of their cache and discuss how they're going to dispose of it. Bill, with a smile says, When do we start.

**Silver Bullets** Robert J. Burgess,1993 A senior marketing analyst with the Coors Brewing Company from 1985 to 1988 analyzes the events leading to the company's decline, revealing the war-room mentality of senior management, bungled new-product ideas, and other problems.

*A Taste of the West from Coors* Anita Krajieski,1985 Cooking-with-beer cookbook from the Coors beer company.

**Citizen Coors** Dan Baum,2000-06-01 A history of the Coors Brewing Co. from its founding in 1868 to the worldwide expansion of the billion-dollar co. Also the tragic story of generations of Coors men broken against the will of their fathers, sometimes even committing suicide. Chronicles how America was shaped politically in the last 3 decades of the 20th cent. The Coors family changed the Amer. political landscape by creating the Heritage Fdn. & a right-wing TV network, by financing the conservative shift in Congress, & by being early backers of Ronald Reagan. In retaliation, blacks, feminists, unions, gays, & environmentalists came together to bash Coors in perhaps the most effective consumer boycott of modern times. Photos.

**The Founder of the Coors Boycott and The Espinoza Family** Pastor Arnold L. Espinoza,2022-08-05 An inspirational true story of Joe Espinoza and his family who came out of being migrant farm workers and became college graduates and successful businessmen and women. They overcame life's struggles and gave back to America. Dad successfully pioneered the Coors Boycott that succeeded in the hiring of more minorities and then was inspired by God through a dream to unite his family to help the ailing Chrysler Corp. in 1981 by starring in a television commercial to help bring Chrysler out of a financial catastrophe and so much more!

**From Coors to California** Kent Wong,Julie Monroe,Peter B. Olney,Jaime A. Regalado,2019-01-31 David Sickler has worked for fifty years as one of the most creative and successfulunion organizers in the country. Starting out working on an assembly line inColorado's Coors Brewery, Sickler went on to lead breakthrough campaignsthat transformed the US labor movement and to become an influential laboradvocate within Los Angeles City Hall.This book captures some of Sickler's historic campaign victories, from hisleadership of the national Coors Boycott to unprecedented organizing driveswith immigrant workers, often in direct challenge to the leadership of US labor.The revitalization of the California labor movement is integrally linked to thisnew wave of immigrant workers, and it was Sickler who built the foundationfor organizing the new working class.Sickler's fierce commitment, strategic vision, and ability to forge powerfulalliances have characterized his entire life's work. This book will serve as aninspiration to anyone who cares about the fight for economic and social justice.

**Mountain Brew: A High-Spirited Guide to Country-Style Beer Making** Tim Matson,Lee Anne Dorr,2015-09-07 The 1970s classic that sparked the homebrewing revolution in Vermont Long before Heady Topper or Hill Farmstead, Vermont was already at the forefront of the American beer revolution. In the 1970s, the big-name brews like Bud and Coors ruled the roost, and homebrewed beer was still as illegal as moonshine. But a small group of Vermonters—people like Tim Matson and Lee Anne Dorr—weren't the kind to let a little thing like the law stop them from enjoying their own brews. They shared their concoctions with friends and family and then went a step farther: publishing the first homebrewer's guide since Prohibition and selling it out of the back of their truck. Now, forty years later, that groundbreaking book is back. Featuring a brand-new introduction, Mountain Brew shows you how to produce homemade malt, grow your own hops, and keep away thirsty neighbors who want to steal your hooch. Through recipes and colorful stories from their day, let these Green Mountain boys (and girls) show you how to make better beer than you'd ever find at the local watering hole.
