Woman's Relief Corps (U.S.)

Corps Strength Paul J. Jr. Roarke, Paul J.

Roarke, 2010-09 Renowned for its rigorous fitness training, the Marine Corps requires every member to be physically fit, regardless of age, grade, or duty assignment. Corps Strength applies the same techniques used to develop and maintain each Marine's combat readiness to a day-to-day program for top-level fitness. Every aspect of training is incorporated into the program - including warm-ups, stretching, upper body, core strength, lower body, cardio, running, goal-setting, and motivation. The author has trained thousands of people and witnessed time and again the amazing results achieved by these proven techniques. Regardless of current fitness levels, this personalized training methodology will enable readers to begin today and immediately progress in absolute strength, muscular endurance, aerobic capacity, and joint flexibility. The workouts in this book are packed with grueling mind- and body-draining tasks that test the mettle of any athlete while bringing him or her to top physical form.

Star Corps Ian Douglas, 2009-10-06 In the future, earth's warriors have conquered the heavens. But on a distant world, Humanity is in chains ... Many millennia ago, the human race was enslaved by the An -- a fearsome alien people whose cruel empire once spanned the galaxies, until they were defeated and consigned to oblivion. But a research mission to the planet Ishtar has made a terrifying -- and fatal -- discovery: the Ahanu, ancestors of the former masters, live on, far from the reach of Earth -- born weapons and technology ... and tens of thousands of captive human souls still bow to their iron will. Now Earth's Interstellar Marine Expeditionary Unit must undertake a rescue operation as improbable as it is essential to humankind's future, embarking on a ten-year voyage to a hostile world to face an entrenched enemy

driven by dreams of past glory and intent once more on domination. For those who, for countless generations, have known nothing but toil and subjugation must be granted, at all costs, the precious gift entitled to all of their star-traveling kind: freedom!
