Who's Craze Now? Lisa Verrico,Noddy Holder,2010-12-15 As lead singer and extraordinary frontman of SLADE, Noddy Holder was one of the most successful musicians of the '70s and '80s. The epitome of the Glam Rock look and lifestyle, they released anthem after anthem as they mixed pure pop madness with football chant choruses. Seemingly on a mission to corrupt the spelling of a generation, the hits are songs we still hold dear today: MAMA WEER ALL CRAZEE NOW, LOOK WOT YOU DUN, CUM ON FEEL THE NOIZE. . . In a short few years they had 12 top five hits, 6 of them making #1 spot. Their albums also topped the charts and their huge Christmas anthem MERRY CHRISTMAS EVERYBODY has entered the top twenty over 7 times. In the '80s Slade made a brilliant revival with even more hits, especially RUN RUN AWAY and the classic MY OH MY. Today Noddy is as loved by the British public as he has ever been and in this hilarious autobiography he will tell us his complete life story, from growing up in the Midlands, to performing in the working men's clubs. The information of their first group, The N'Betweens and the mutation into an unlikely skinhead group, Ambrose Slade. And then, of course, Glam Rock and all the excesses of lifestyle that accompanied the outrageous clothes, not to mention guitarist Dave Hill's incredible hair style.

The Tree of Family Life Trilogy Eva Jordan,2021-12-13 The funny, poignant trilogy following a modern British mother as she shepherds her kids through adolescence into adulthood, in one volume. These three novels chronicle the ups and downs of Lizzie as she navigates motherhood (and stepmotherhood) and her loving, if sometimes dysfunctional, relationships with Cassie, Connor, and Maisy—along with her job at the library, the needs of her ailing mum, and the yearnings of her own heart. Includes: 183 Times a Year Teenage Cassie, Lizzie’s selfie-taking, social media-obsessed daughter, hates everything about her life and wishes her parents had never divorced. But when the discovery of a terrible betrayal and a brutal attack throws the household into disarray, both Cassie and Lizzie must reassess what’s important as they embark upon separate journeys of self-discovery. All the Colours In Between Lizzie is pushing fifty, and her once angst-ridden teenage daughters have flown the nest—Cassie to London and Maisy to Australia—leaving only the less-troublesome Connor to take care of. The hard years, Lizzie believes, are behind her. But then a visit to her daughter in London leaves Lizzie troubled. Add an unexpected visitor, a disturbing phone call, a son acting suspiciously, a run-in with her ex-husband, and a new man, and Lizzie will soon learn life is something that happens while you’re busy making plans. Time Will Tell Lizzie has become a writer, and in her spare time she does all she can to keep her family—still grieving a recent loss—together. But then, the suspicious death of a celebrity brings a shock to everyone. A troubling personal connection to the dead man will lead to fear, mistrust, and a mystery reaching back into the past . . .

All the Colours In Between Eva Jordan,2021-05-20 A novel of “love, friendships and laughter, heartbreak, loss and tears, simply life in its full glory” from the author of 183 Times a Year (A Bookaholic Swede). Life is never straightforward. Lizzie is fast approaching fifty. Her once angst-ridden teenage daughters have flown the nest: Cassie to London and Maisy to Australia. And although Connor, Lizzie’s teenage son, is now on his own tormented passage to adulthood, his quest to get there is a far quieter journey than that of his sisters. The hard years, Lizzie believes, are behind her. But things are never quite as black and white as they seem . . . A visit to her daughter in London leaves Lizzie troubled. And that’s just to start. Add to the mix an unexpected visitor, a disturbing phone call, a son acting suspiciously, a run-in with her ex-husband, plus a new man in her life, and Lizzie will soon learn life is something that happens while you’re busy making plans. Nobody said it would be easy. Lizzie knows only too well that life is never straightforward when you see all the colours in between. “All the Colours in Between explores the theme of families in a highly captivating read, full of laughter, tears, and bittersweet moments. A fabulous and surprising read that I would highly recommend.” —The Book Review Café “Filled with emotion: you’ll laugh and you’ll cry but you’ll never forget All the Colours in Between. The characters are so enchanting that I think of them as my own family and I’m sure many readers feel the same.” —The Book Magnet Don’t miss the third book in the trilogy, Time Will Tell

Crazee Lady, Too G. Venora,2005-04 G. Venora began writing poetry at a very young age. Her love for poetry is enhanced by works of famous poets such as Robert Frost, Elizabeth Barrett Browning, Langston Hughes and others. Growing up in the treacherous fifties inspired many writings that spoke on experiences of that period. She has seen life's difficulties and many frailties that encompassed her own life. G. Venora's solutions to many scenes attempted to inspire change or at least recognition to solutions because, as she always noted, if the things you are trying are not working, pray and then try another way. Her love for the English language in school presented even newer challenges and inspirations. She has embarked on a new life now, as a widow who needed a change, and now resides in Wichita, Kansas, after leaving the Pacific Northwest. She hopes to move forward in presenting poetry to a broader audience.

Crazee Teena T. Starnes,2017-06-20 Teena Le Blanc is a fixture at the ocean-side town where she paints portraits, chalks poetry on beachfront walls . . . and talks to people that only she can see.The regulars at Sadovsky's restaurant know and love Teena's infectiously positive attitude and bohemian spirit. Mark Seagrave, handsome university student and manager at Sadovsky's, befriends Teena and discovers he feels more than casual friendship. Some in the town only see her disheveled appearance and awkward behaviors but Mark sees much more.When tragedy strikes on her twenty-first birthday, her friends, imagined and real, help her through one of the most challenging moments of her life.Can Teena quiet her inner voices long enough to confront the realities of her life? Including joy, happiness, and tragedy in the wake of trauma?****Crazee Teena is a nontraditional romantic, bittersweet, story of innocence, new love, and the bonds of community in the face of mental illness, social class and prejudice.

All Crazee Now David Tossell,2021-02-15 All Crazee Now is the story of English football and its footballers in the 1970s, a decade that saw the start of the move from the 'old-fashioned' game towards the modern Premier League era; a transition that accelerated throughout the decade. Much of what we recognise in today's game is rooted in the seventies - including diverse ethnicity and multi-nationalism in club teams; the rise of commercialism; the cult of the manager; the end of the player-next-door; and the demand for victory ahead of individualism. The beginning of the decade remains the period in English football that supporters felt more connected than anytime previous or since. By the time the Thatcherite 1980s were dawning, the way had been paved for a rapid evolution towards 21st-century football. More than just a chronicle of trophy winners, star players and personalities, it offers a study of the tactical, philosophical, social, cultural, economic and political landscape that shaped football throughout a turbulent period for a nation and its favourite sport.

Fresh Every Hour John Peter Toohey,2018-08-19 A most prepossessing young person whose parents had inflicted upon her the name of Lolita Murphy was directly responsible for the alarming symptoms already hinted at. From the precise moment that Lolita came within his ken Jimmy ceased to be a rational being in full control of his faculties and his heart, in sympathetic accord with the agitated condition of its owner, began to put on an antic disposition and indulged in curious palpitations of a most annoying nature on the slightest pretext. The usual provocation at first was the sight of Lolita herself, but after a day or two even the thought of her produced a cardiac ratiplan that would have done credit to the trap drummer of a jazz band.
