The Cross Robin M. Jensen,2017-04-17 The cross stirs intense feelings among Christians as well as non-Christians. Robin Jensen takes readers on an intellectual and spiritual journey through the two-thousand-year evolution of the cross as an idea and an artifact, illuminating the controversies—along with the forms of devotion—this central symbol of Christianity inspires. Jesus’s death on the cross posed a dilemma for Saint Paul and the early Church fathers. Crucifixion was a humiliating form of execution reserved for slaves and criminals. How could their messiah and savior have been subjected to such an ignominious death? Wrestling with this paradox, they reimagined the cross as a triumphant expression of Christ’s sacrificial love and miraculous resurrection. Over time, the symbol’s transformation raised myriad doctrinal questions, particularly about the crucifix—the cross with the figure of Christ—and whether it should emphasize Jesus’s suffering or his glorification. How should Jesus’s body be depicted: alive or dead, naked or dressed? Should it be shown at all? Jensen’s wide-ranging study focuses on the cross in painting and literature, the quest for the “true cross” in Jerusalem, and the symbol’s role in conflicts from the Crusades to wars of colonial conquest. The Cross also reveals how Jews and Muslims viewed the most sacred of all Christian emblems and explains its role in public life in the West today.

The Cross Max Lucado,2017-02-14 Max's most encouraging words on life's most important subject are collected into one volume and enhanced with beautiful, full-color photography. An everyday reminder of what the Cross means to you adds joy and gratitude to ordinary days, pain-filled days, and even the best days.

Cross the Line James Patterson,2016-11-21 Homicide Detective Alex Cross teams up with his wife to beat a D. C. criminal at his own game. Washington, DC, has never been more dangerous. After shots pierce the tranquil nighttime calm of Rock Creek Park, a man is dead: what looks at first like road rage might be something much more sinister. But Alex has only just begun asking questions when he's called across town to investigate a new murder, one that hits close to home: his former boss and the beloved mentor of Alex's wife, Bree. Now there's a killer on the loose, a long list of possible suspects, a city in panic, and nobody in charge of the besieged police force. . . until Bree gets tapped for the job. As Bree scrambles to find her footing and close two high-profile cases, new violence stuns the capital. What should be a time for her to rely on Alex for support and cooperation is instead a moment of crisis in their marriage as well as their city when their investigative instincts clash and their relationship reaches a breaking point. And the fiendish mind behind all the violence has appointed himself judge, jury, and executioner, with a terrifying master plan he's only begun to put in motion. To beat him at his own game, Alex and Bree must take the law back into their own hands before he puts them both out of commission . . . permanently.

The Philosophy of the Cross Robert Edgar,2023-12-31 Reprint of the original, first published in 1874.

Cruciformity Michael J. Gorman,2001-07-17 Most studies of Paul concentrate solely on his theology. This book breaks new ground by focusing on the source and nature of Paul's spirituality. Taking his cue from Paul's express desire to know nothing but Christ crucified, Michael Gorman shows how Paul's personal experience of God constantly intersects with the story of the cross, an event that both reveals the cruciform character of God and shapes believers into a community of cruciformity (conformity to the crucified Christ). Expertly combining biblical studies and theological reflection, this noteworthy volume presents a model of the Christian life marked by faith, love, power, and hope.

Ali Cross James Patterson,2019-11-25 James Patterson's blockbuster Alex Cross series has sold over 100 million copies – and now he's bringing those thrills to a new generation! Alex's son Ali is eager to follow in his father's footsteps as a detective, but when his best friend goes missing, what price will he have to pay to solve the mystery? Ali Cross has always looked up to his father, former detective and FBI agent Alex Cross. While solving some of the nation's most challenging crimes, his father always kept his head and did the right thing. Can Ali have the same strength and resolve? When Ali's best friend Gabe is reported missing, Ali is desperate to find him. At the same time, a string of burglaries targets his neighborhood -- and even his own house. With his father on trial for a crime he didn't commit, it's up to Ali to search for clues and find his friend. But being a kid sleuth isn't easy -- especially when your father warns you not to get involved! -- and Ali soon learns that clues aren't always what they seem. Will his detective work lead to a break in Gabe's case or cause even more trouble for the Cross family?

The Cross Bob Sorge ,2021-02-12 Kneel again in blood and water, and revisit the hill where the two of you first met. Understand the great paradox of the cross—He suffered so we never have to, and He suffered to show us how. His cross will make sense of your sufferings. Your faith will be strengthened as you believe God for your own resurrection! This is the most profound writing on the cross I have ever read. The magnitude of this book is almost beyond my ability to describe—it’s a treasure of truth. Don WilkersonCo-Founder, Teen Challenge

Double Cross James Patterson,2007-11-13 Just when Alex Cross's life is calming down, he is drawn back into the game to confront a criminal mastermind like no other. The elaborate murders that have stunned Washington, DC, are the wildest that Alex Cross and his new girlfriend, Detective Brianna Stone, have ever seen. This maniac adores an audience, and stages his killings as spectacles in public settings. Alex is pursuing a genius of terror who has the whole city on edge as it waits for his next move. And the killer loves the attention, no doubt—he even sets up his own Web site and live video feed to trumpet his madness. And in Colorado, another criminal mastermind is planning a triumphant return. From his supermaximum-security prison cell, Kyle Craig has plotted for years to have one chance at an impossible escape. If he has to join forces with DC's Audience Killer to get back at the man who put him in that cell--Alex Cross--all the better. From the author Time magazine has called the man who can't miss, Double Cross has the pulse-racing momentum and electrifying thrills that have made James Patterson a #1 bestselling storyteller all over the world.

Crosses Shelley StoeHR,2016-03-08 An ALA Best Book for Young Adults, an ALA Quick Pick, and an ALA Recommended Book for Reluctant Young Readers Nancy and Katie are best friends with one big thing in common—they both cut themselves: “Not by accident, we do it purposely—and regularly—because physical pain is comforting, and because now it has become a habit.” Crosses was the first novel for young adults to deal with an increasingly widespread disorder, and “graphically describes the cry for help of many adolescents and how far they have to fall before they are even noticed” (Voice of Young Adults).

Sutter's Cross W. Dale Cramer,2003-01-01 Men and women of all ages will warm to Cramer's elegant prose and Southern charm. William Faulkner once insisted that great

stories must capture the old universal truths...love and honor and pity and pride and compassion and sacrifice. Sutter's Cross delivers the truth in grand style. Sutter's Cross is a resort town in the southern Appalachians, where people live in comfortable homes, have comfortable portfolios, and wear comfortable clothes. They expect their lives, their weather, even their God, to be cooperative and predictable--until a stranger calling himself Harley shows up in the buffet line at the church's annual spring picnic looking like a wreck and wearing stolen jeans. Can God use an outcast to change a town?

Meditations on the Cross Manfred Weber,1996 The cross and the resurrection were central themes for Bonhoeffer's theology. These excerpts from sermons and letters contain his personal and faithful words about the crucifixion and the power of the cross for all Christians. Meditations on the Cross is ideal for devotional reading and personal reference.

Deadly Cross James Patterson,2020-11-23 The murder of a glamorous DC socialite becomes Alex Cross's deadliest case since Along Came a Spider. Kay Willingham led a life as glamorous as it was public—she was a gorgeous Georgetown socialite, philanthropist, and the ex-wife of the vice president. So why was she parked in a Bentley convertible idling behind a DC private school, in the middle of the night, with the man who was the head of that school? Who shot them both, point blank, and why? The shocking double homicide is blazed across the internet, TV, newspapers—and across Alex Cross's mind. Kay had been his patient once. And maybe more. While John Sampson of DC Metro Police investigates the last movements of Christopher Randall, the educator killed along with Kay Willingham, detective Alex Cross and FBI special agent Ned Mahoney find unanswered questions from Willingham's past, before she arrived in DC and became known in DC society as someone who could make things happen. They travel to Alabama to investigate Kay's early years. There they find a world of trouble, corruption, and secrets, all of them closed to outsiders like Cross and Mahoney. Kay had many enemies, but all of them seemed to need her alive. The harder the investigators push, the more resistance they find when they leave behind the polite law offices and doctors' quarters of the state capital. Alex Cross will need to use all his skills as a doctor, a detective, and a family man to prevent that resistance from turning lethal . . . again.

In the Shadow of the Cross Randal Earl Denny,2007-02-01 How could things deteriorate so quickly in twenty-four hours? From a banquet to a burial! The dark shadow of the executioner's cross sliced across that unforgettable day. A tragic day -- yet planned by a sovereign God. Watch anew as Jesus prays his prayer of submission to the Father's will, as he passes through the sting of betrayal, as he faces undaunted the inhumane and hateful treatment, and as he speaks unexpected last words that leave a legacy of love. Walk with Jesus from the garden to the tomb, to that first Easter morning, the dawning of hope and joy. For the shadow of the cross is the anguished prelude to the best news you will ever hear: He is risen!

Construing the Cross Frances M. Young,2016-02-18 Construing the Cross reconsiders ways in which the cross of Christ was understood before “atonement theories” narrowed the categories. The “typology” of Passover is explored as probably the very first way in which Christians came to understand the passion. The use of sacrificial imagery is re-examined. The significance of identifying the cross with the Tree of Life is traced across the centuries into medieval times, along with other surprising links with the Eden narrative. The validity of seeking imaginative insights to grasp what the cross signifies is given theological consideration in a chapter that moves into literary and liturgical reflections and is punctuated with cruciform poems. The overall outcome is a quite paradoxical focus, not on death, but on life. Provisional contents Preface Introduction Chapter 1: Passover and Passion Chapter 2: Scapegoat and Sacrifice Chapter 3: Tree of Life Chapter 4: Signs, Symbols, and Serpents Chapter 5: Language, Liturgy, and Life A Final Word Bibliography Index

A Contemporary Way of the Cross William John Fitzgerald,2015-02-01 A Contemporary Way of the Cross by Fr. William John Fitzgerald.A Traditional Way of the Cross that Relates to Present Day Crosses This is the traditional Way of the Cross that relates the user to present day crosses in the lives of ordinary people. It can be used by an individual for private devotions or can be purchased in bulk to be used by parishes for their own larger group stations on the Fridays of Lent.Our parish obtained copies of the Contemporary Way of the Cross and we used them as a community at our regular stations on the Fridays of Lent. I found them to be very helpful in relating Christ's suffering to the suffering of so many in our own times. I recommend it for private or personal use. -- K.S., St. Mary's Parish, Bellevue --

In the Shadow of His Cross Douglas McDonough,2019-02-15 Over two thousand years ago, a man named Jesus of Nazareth lived, preached about love and forgiveness to his friends and followers, ultimately was crucified on a cross, died, and rose on the third day. It is a story that has been told and retold for millennia. But what do we know about what was happening in the shadows of Christ's cross? In the Shadow of His Cross is a fictional story of political intrigue, love, and revenge. Titus is a centurion of the Roman army assigned to maintain peace and order in one of the furthest outreaches of the Roman Empire. There, he navigates the dangerous political waters in Jerusalem, following his orders while also using the power plays between Pontius Pilate, the governor of the Roman province of Judea, and Caiaphas, the high priest of the great temple of Jerusalem, to his ultimate advantage. In the shadows, we also meet Dysmas. Dysmas is a man no different from many of us. He is a devoted husband and father, doing his best to raise his two young children in difficult political times. He is a hardworking craftsman and a loyal neighbor. But something

happens to change him, to seal his destiny to be crucified alongside Jesus of Nazareth. Is forgiveness and redemption possible? Find out what took place In the Shadow of His Cross.

Cross Introduction

In todays digital age, the availability of Cross books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Cross books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Cross books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Cross versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Cross books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Cross books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Cross books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Cross books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Cross books and manuals for download and embark on your journey of knowledge?
