Absorbed in her new duties as a wife and mother she has not been aware of the slow diminishing of her spirit, or the way in which her relationship with her husband, though comfortable and happy, has lost its passion. As the year progresses, Marise continues as the glue of the household, drawing new neighbors into the family circle as she tries to find her life's light once again.

**Chachaji's Cup** Uma Krishnaswami,2003 A boy learns about his family history and the Partition of India from his great uncle, through stories told over a beloved old teacup.

**The Crystal Cup** Gertrude Atherton,2021-01-01 Inhibitions and a neurosis against sex fight a losing battle with endocrines and glands In a romance of atavism, which Gertrude Atherton calls The Crystal Cup." Taking her title from George Sterling's Into a crystal cup the dusky wine I pour, and, musing at so rich a shrine, I watch the star that haunts its ruddy glow," Miss Atherton uses her conception of Freudian theories to clear up the duskiess. As a result the book is more or less a study of sex Inhibitions. Melodrama has its place in the pages of "The Crystal Cup" as the wine of life pours into the veins of the heroine, Gita Carteret.

**The Cracked Cup** Mike Mazzalongo,2016-02-02 This mini book outlines some of the attitudes Christians need to cultivate in order to promote unity and peace within the church. Based on Ephesians 4:31-5:2.

Visit us online at [www.1stWorldLibrary.ORG](http://www.1stWorldLibrary.ORG) - The Bishop's House was a comfortable, double dwelling of a smooth, bright red brick and large, plate-glass windows, situated in a plot at the western end of Waverley Place. It had been bought by the Diocese in the nineties, and was representative of that transitional period in American architecture when the mansard roof had been repudiated, when as yet no definite types had emerged to take its place. The house had pointed gables, and a tiny and utterly useless porch that served only to darken the front door, made of heavy pieces of wood fantastically curved. It was precisely ten o'clock in the morning when Hodder rang the bell and was shown into the ample study which he had entered on other and less vital occasions. He found difficulty in realizing that this pleasant room, lined with well-worn books and overlooking a back lawn where the clothes of the episcopal family hung in the yellow autumn sun, was to be his judgment seat, whence he might be committed to trial for heresy.

**The Blessing Cup** Patricia Polacco,2013-08-27 "The skeins of faith and love that connect a family are all knit together in this powerful, accessible, and deeply affecting story. " —Kirkus Reviews, starred review A New York Times bestseller A bond of love unites a family throughout generations in this companion to the beloved and bestselling classic The Keeping Quilt. As a young Russian Jewish girl in the early 1900s, Anna and her family lived in fear of the Czar's soldiers. The family lived a hard life and had few possessions—their treasure was a beautiful china tea set. A wedding gift to Anna's parents, the tea set came with a wish that "Anyone who drinks from this will have blessings from God. They will never know a day of hunger. Their lives will always have flavor.

They will know love and joy and they will never be poor.” When Anna’s family leaves Russia for America, they bring the tea set and its blessings. A source of heritage and security, the tea set helps Anna’s family make friends and find better lives in America. A cup from the tea set—The Blessing Cup—became an anchor of family history, and it remains a symbol of lasting love more than a century later. This tender tribute to the importance of loving lineage is a prequel and companion to the perennial bestseller *The Keeping Quilt* and is told and illustrated with authenticity and tremendous heart.

The Keeper of the Cup P. A. Magnusen,2009-04-08 The Holy Grail - a mystic quest? Or a cup of healing and power - a cup meant to change lives and destinies? Come with the Keeper of the Cup on a quest and an adventure from the Middle East to South America. Come see what the cup can do.

God in a Cup Michael Weissman,2011-06-01 Follow the ultimate coffee geeks on their worldwide hunt for the best beans. Can a cup of coffee reveal the face of God? Can it become the holy grail of modern-day knights errant who brave hardship and peril in a relentless quest for perfection? Can it change the world? These questions are not rhetorical. When highly prized coffee beans sell at auction for \$50, \$100, or \$150 a pound wholesale (and potentially twice that at retail), anything can happen. In *God in a Cup*, journalist and late-blooming adventurer Michael Weissman treks into an exotic and paradoxical realm of specialty coffee where the successful traveler must be part passionate coffee connoisseur, part ambitious entrepreneur, part activist, and part Indiana Jones. Her guides on the journey are the nation’s most heralded coffee business hotshots: Counter Culture’s Peter Giuliano, *Intelligentsia*’s Geoff Watts, and *Stumptown*’s Duane Sorenson. With their obsessive standards and fiercely competitive baristas, these roasters are creating a new culture of coffee connoisseurship in America—a culture in which \$10 lattes are both a purist’s pleasure and a way to improve the lives of third-world farmers. If you love a good cup of coffee—or a great adventure story—you’ll love this unprecedented up-close look at the people and passions behind today’s best beans. “Weissman illustrates how the origin, flavor compounds and socioeconomic impact of a cup of coffee are relevant now more than ever. . . . Tagging along behind the main characters in today’s specialty coffee scene, [she] travels from the exotic to the expected to artfully deconstruct the connoisseur’s cup of coffee.” —Publishers Weekly

**Cup - Poems** Jeredith Merrin, 2014-12-01 Jeredith Merrin's third collection, *Cup*, deftly muses on art, travel to exotic locations, nature's gains and losses, the resiliency of spirit juxtaposed against the body's frailty, the joys and discords of the familial unit, and aging without bitterness and giving "Praise/ to her or him who keeps, past sixty/ and in all weathers, an open heart." This collection of abundant wit, insight, longing and passion is deservedly a special honoree of the 2013 Able Muse Book Award. **PRAISE FOR CUP:** In *Cup* we meet a poet of rare power and unique originality, unafraid of feeling, able to take on matters of the deepest consequence. Jeredith Merrin strikes me as admirably hard-minded, shunning poeticisms and needless wordage, delivering again and again the real thing. For proof, see the title poem, or the wonderful tribute to John Clare. Plunge in anywhere, and be regaled. —X.J. Kennedy, Judge for the 2013 Able Muse Book Award ". . . stanzas, rooms, lives./ And you, toiling to make it better,/ whatever your it is./ Each has a cup." In these forthright and moving poems written in restrained, disciplined stanzas, the stories are told of how we each, "trying to make it better,/ whatever . . . it is," have to find our own cup, and find it acceptable. This is most vividly so in the poems about the bravery and laughter required by a terrible sickness, but also in the very description of a block of still-inhabited Victorian houses, porch after porch, which is like a train going who knows where. The poems' stanzas are the rooms, and in the rooms are the lives. —David Ferry, winner of the National Book Award In *Cup*, Jeredith Merrin confronts time's confounding passage, but there's not a glimmer of self-pity here, no mourning the fate of an aging body. Instead she offers us an artful contemplation of what age brings: the strangeness of shifting perspectives, the quiet richness of sustained love, and the unabated force of old griefs. Both witty and meditative, these poems brim with insight and affection. And "Lear's Macaw" alone is worth the price of admission! —Mark Doty, author of *Paragon Park* Jeredith Merrin's exhilarating poems pulse with memory, with art, and the complex emotional richness that is the present. At the book's heart is a sequence of poems of helpless shock and of the courage of her adult daughter's confrontation with cancer: "She's doing it, my grown/ child, with characteristic kindness and/ intelligence. . . ." We recognize not only a mother's love, but also fury in the midst of crisis, and, most movingly, her admiration. The wished-for reprieve, "our raft saved for now," is, when it comes, "Easeful." These are understated yet passionate poems that ravish with their gallant dignity. Merrin's *Cup* is large and it is full. —Gail Mazur, author of *Figures in a Landscape*

*A Cup of Comfort Stories for Sisters* Colleen Sell, 2012-01-15 No one knows you as a woman quite like your sister does - no matter your differences, rivalries, or how far apart you may drift over time. You confide in each other, share your most intimate secrets, and depend on each other for support and guidance when everyone else in your lives disappoints you. The three stories in *A Cup of Comfort for Sisters* celebrate the special relationship that only sisters share. You'll relate to how these sisters care for one another through good times and bad, providing advice and a reassuring hug when they are needed most.

**A Cup of Dust** Susie Finkbeiner, 2015-10-27 Where you come from isn't who you are "Riveting. An achingly beautiful tale told with a singularly fresh and original voice." —Jocelyn Green, award-winning author of the *Heroines Behind the Lines* Civil War series Ten-year-old Pearl doesn't understand a lot of things—why her sister's brain doesn't work right, why the preacher yells so much, why Jesus and the president seem to have forgotten all about Oklahoma. But she does know who she is: Pearl Spence, daughter of the esteemed town sheriff. Generous and always ready to help in a crisis, the Spences bring hope to this desolate town, and Pearl is proud of her family. She knows who she is, she knows she is loved, and even in unrelenting hardship, life feels secure. Not even the dust that sweeps incessantly across Red River can quench her hopes and dreams. But someone else seems to know who she is, too, and he makes Pearl uneasy. From the moment the mysterious hobo steps off the train and stares at her with his cold blue eyes, Pearl's secure world begins to unravel.

How does Eddie know her name? Why does he seem to hover everywhere she turns? And why does he act like he knows something about her family that she doesn't? Pearl is determined to avoid him, but Eddie is bent on forcing his way into her life and disrupting her family's shaky tranquility. The more he badgers Pearl, the greater her confusion, until the storm within her rivals the swirling of dust and dirt without. "The author does a great job of giving the reader a feel for those dark days in our nation's history. Very intriguing reading!" —Virgil Dwain McNeil, a Dust Bowl survivor

Can You Drink the Cup? Henri J. M. Nouwen, 1996-01-01 Using the cup as a metaphor, Nouwen reflects on three images--Holding, Lifting, and Drinking--to articulate basics of the spiritual life. Nouwen draws stories from his own life and ministry to illustrate his main themes.

*A Cup of Light* Pam Baxter, 2011
