My Ideal Bookshelf Thessaly La Force, 2012-11-13

The books that we choose to keep -- let alone read -- can say a lot about who we are and how we see ourselves. In My Ideal Bookshelf, dozens of leading cultural figures share the books that matter to them most; books that define their dreams and ambitions and in many cases helped them find their way in the world. Contributors include Malcolm Gladwell, Thomas Keller, Michael Chabon, Alice Waters, James Patterson, Maira Kalman, Judd Apatow, Chuck Klosterman, Miranda July, Alex Ross, Nancy Pearl, David Chang, Patti Smith, Jennifer Egan, and Dave Eggers, among many others. With colorful and endearingly hand-rendered images of book spines by Jane Mount, and first-person commentary from all the contributors, this is a perfect gift for avid readers, writers, and all who have known the influence of a great book.

Custom Nation Anthony Flynn, Emily Flynn Vencat, 2012-11-15 Smart brands such as Chipotle, Zazzle, Nike, and Pandora are ditching the outdated 20th century model of a one-size-fits-all approach to providing products and services. From a Netflix movie night to a marriage courtesy of eHarmony, customization is changing every corner of American life and business. The New York Times bestseller Custom Nation is a practical how-to guide by someone who has built his business on the power of customization. YouBar founder Anthony

Flynn and business journalist Emily Flynn Vencat explain how marketers, brand managers, and entrepreneurs across all industries can reinvigorate their businesses and increase profits. In *Custom Nation*, learn: • Why customization is key to today's businesses and what does and doesn't work • How to incorporate customization in new and established businesses to make your products stand out and sell • What strategies work for the most successful and profitable custom brands Drawing on firsthand interviews with the CEOs and founders of dozens of companies specializing in customization, *Custom Nation* reveals how customization can make any business stand apart and generate market share, increase profit margins, and develop customer loyalty.

Customs Solmaz Sharif, 2022-03-01 Winner of the 2023 CLMP Firecracker Award for Poetry Winner of the 2023 Northern California Book Award for Poetry Finalist for the 2023 Kingsley Tufts Poetry Award Finalist for the 2022 L.A. Times Book Prize for Poetry Longlisted for the 2023 PEN/Jean Stein Book Award In *Customs*, Solmaz Sharif examines what it means to exist in the nowhere of the arrivals terminal, a continual series of checkpoints, officers, searches, and questionings that become a relentless experience of America. With resignation and austerity, these poems trace a pointed indoctrination to the customs of the nation-state and the English language, and the realities they impose upon the imagination, the paces they put us through. While Sharif critiques the culture of

performed social skills and poetry itself—its foreclosures, affects, successes—she begins to write her way out to the other side of acceptability and toward freedom. Customs is a brilliant, excoriating new collection by a poet whose unfolding works are among the groundbreaking literature of our time.

The American Custom Car Pat Ganahl, 2001 Among the hardest core of American automotive enthusiasts there always exists a desire to press styling and performance a step beyond the showroom floor -- to truly craft an automobile of one's own. This photographic and cultural history examines the evolution of American custom cars from the 1930s to present, covering touchstone trends, influential builders (Barris, Roth, Coddington et al), custom shows, enthusiast magazines and regional styles. An expensive collection of rare period photography and exclusive modern shots help illustrate how Detroit informed the styling of customs (and vice versa), the explosion of the custom car scene after World War II and the factors that led to the custom's near-death in the 1960s and its resurgence in the '80s. But most of all, this chronicle is a showcase of the great cars and people who influenced the movement through the years.

Custom Cars Alan Mayes, 2010-06-07 Before beginning any custom car project, many choices must be made: body style, paint, upholstery, wheels and tires, engines, interior accessories, and more. By the end of the project, many thousands of dollars and hours will have been spent—and hopefully wisely. Before beginning your own custom car or hiring a builder, it pays to develop a vision for your car, how you want it to stand out, and what you want it to express. In Custom Cars, noted author and motojournalist Alan Mayes explores each element of a custom car build in detail with hundreds of award-winning customs as examples. From postwar classics to more modern cruisers to complete custom builds, Mayes explains the various types of materials and styles available with hundreds of color photos to illustrate the challenges and benefits of each. Spend a little time designing your dream car with Alan Mayes's Custom Cars and you're sure to create a real head-turner.
