Based on their own experiences, first as upcoming assistant editors, then as successful Hollywood editors, the authors guide you through the ins and outs of establishing yourself as a respected film and video editor. Insight is included on an array of technical issues such as script breakdown, prepping for sound effects, organizing camera and sound reports, comparison timings, assembly footages and more. In addition, they also provide first-hand insight into industry protocol, providing tips on interviewing, etiquette, career planning and more, information you simply won't find in any other book. The book concludes with a chapter featuring Q+A sessions with various established Hollywood editors about what they expect from their assistant editors.

Prime Cut Diane Mott Davidson, 2000-02-29 Cheesecake, beefcake, and a pair of dueling caterers whet someone's appetite for murder in this sinfully delicious novel by the New York Times bestselling author of Sticks & Scones Caterer Goldy Schulz is convinced things couldn't get worse. An

unscrupulous rival is driving her out of business. An incompetent contractor has left her precious kitchen in shambles. And she has just agreed to cater a fashion shoot at a nineteenth-century mountain cabin with her mentor and old friend, French chef André Hibbard. Then Goldy's contractor is found hanging in the house of one of her best friends. A second murder follows and Goldy must somehow solve a mystery and prepare for a society soirée that could make—or break—her career. It's a mystery that involves the dead contractor's unwholesome past, a food saboteur, the theft of four historical cookbooks, and an overzealous D.A. who has suspended Goldy's detective husband, Tom, from the force. What Goldy discovers is the perfect recipe for murder. And she may be dessert!

LAST CUT Samantha Paige,2019-09-17 Have you ever felt like a stranger in your own life? After a cancer diagnosis at age 21 and many subsequent experiences lived from a place of fear and anxiety, author Samantha Paige did for far too long. Over time, she learned to regularly ask herself: How can I own my life and make my life my own?" By taking time for honest introspection and acknowledging these moments of disconnect, she began to make some significant decisions, or last cuts, to create a life with greater congruence between her inner and outer worlds. Through her own process of healing, Paige outlined seven universal steps to the last cut process. In **LAST CUT**, she vulnerably shares from her own story and frames these phases of self-discovery and growth in a clear framework so that anyone facing a moment of questioning within their own lives can relate to a shared journey.

One Cut Eve Porinchak,2017-05-02 Real stories. Real teens. Real crimes. A backyard brawl turned media circus filled with gang accusations turns a small, quiet town upside down in this second book in the new Simon True series. On May 22, 1995 at 7 p.m. sixteen-year-old Jimmy Farris and seventeen-year-old Mike McLoren were working out outside Mike's backyard fort. Four boys hopped the fence, and a fight broke out inside the dark fort made of two-by-four planks and tarps. Within minutes, both Mike and Jimmy had been stabbed. Jimmy died a short time later. While neighbors knew that the fort was a local hangout where drugs were available, the prosecution depicted the four defendants as gang members, and the crime as gang related. The accusations created a media circus, and added fuel to the growing belief that this affluent, safe, all-white neighborhood was in danger of a full-blown gang war. Four boys stood trial. All four boys faced life sentences. Why? Because of

California's Felony Murder Rule. The law states that "a death is considered first degree murder when it is commissioned during one of the following felonies: Arson, Rape, Carjacking, Robbery, Burglary, Mayhem, Kidnapping." In other words, if you—or somebody you are with—intends to commit a felony, and somebody accidentally dies in the process, all parties can be tried and convicted of first degree murder and sentenced to life without parole, even if nobody had any intention of committing a murder. What really happened that day? Was it a case of robbery gone wrong? Gang activity? Or was it something else?

Cut of the Real Katerina Kolozova, 2014-01-07 Following François Laruelle's nonstandard philosophy and the work of Judith Butler, Drucilla Cornell, Luce Irigaray, and Rosi Braidotti, Katerina Kolozova reclaims the relevance of categories traditionally rendered unthinkable by postmodern feminist philosophies, such as the real, the one, the limit, and finality, thus critically repositioning poststructuralist feminist philosophy and gender/queer studies. Poststructuralist (feminist) theory sees the subject as a purely linguistic category, as always already multiple, as always already nonfixed and fluctuating, as limitless discursivity, and as constitutively detached from the instance of the real. This reconceptualization is based on the exclusion of and dichotomous opposition to notions of the real, the one (unity and continuity), and the stable. The non-philosophical reading of poststructuralist philosophy engenders new forms of universalisms for global debate and action, expressed in a language the world can understand. It also liberates theory from ideological paralysis, recasting the real as an immediately experienced human condition determined by gender, race, and social and economic circumstance.

Cut in Half Mike Warren, 2018-10-09 A science writer and a photographer explore the complicated inner workings of seeming simple everyday objects. What exactly is inside a laptop, a golf ball, a vacuum cleaner, or a novelty singing fish toy? The insides of these and dozens of other objects are revealed in this photographic exploration of the stuff all around us, exposed and explained. With the help of a high-pressure waterjet cutter able to slice through four inches of steel plate, designer and fabricator Mike Warren (creator of the popular Cut in Half YouTube channel) cuts into everything from boom boxes to boxing gloves, oil filters to seashells, describing and demystifying the inner workings and materials of each. With gorgeously detailed photography, *Cut in Half* is a fascinating and accessible popular science look at the extraordinary in the everyday. Praise for *Cut in Half* "If you've ever wondered what it looks like inside a hair dryer, or a baseball, or a Magic 8-ball, this book is for you. Mike Warren cuts things in half with a high-pressure waterjet cutter and then has an explanation of what you're looking at inside. . . . One fun feature: the cover of the book itself is "cut in half" along

the center.” —GeekDad “A book of mesmerizing photographs of objects that have been perfectly cut in half. . . . Accompanying each photograph are explanations from Warren, who has been doing this for years on his YouTube channel, that walk us through the amazing complexity of the many apparently simple objects.” —Fast Company “Let your device addict explore the fascinating inner workings of common household items with this book from gadget You Tuber Mike Warren.” —Real Simple

Devil's Cut J.R. Ward, 2017-08-01 NEW YORK TIMES BESTSELLER • In J. R. Ward’s thrilling finale to her Bourbon Kings series, the Bradford family dynasty teeters on the edge of collapse after the murder of their patriarch—and a shocking arrest. At first, the death of William Baldwine, the head of the Bradford family, was ruled a suicide. But then his eldest son and sworn enemy, Edward, came forward and confessed to what was, in fact, a murder. Now in police custody, Edward mourns not the disintegration of his family or his loss of freedom . . . but the woman he left behind. His love, Sutton Smythe, is the only person he has ever truly cared about, but as she is the CEO of the Bradford Bourbon Company’s biggest competitor, any relationship between them is impossible. And then there’s the reality of the jail time that Edward is facing. Lane Baldwine was supposed to remain in his role of playboy, forever in his big brother Edward’s shadow. Instead he has become the new head of the family and the company. Convinced that Edward is covering for someone else, Lane and his true love, Lizzie King, go on the trail of a killer—only to discover a secret that is as devastating as it is game-changing. As Lane rushes to discover the truth, and Sutton finds herself irresistibly drawn to Edward in spite of his circumstances, the lives of everyone at Easterly will never be the same again. For some, this is good; for others, it could be a tragedy beyond imagining. Only one thing is for certain: Love survives all things. Even murder. Praise for J. R. Ward’s Bourbon Kings series “A most sinful indulgence . . . The gorgeous Kentucky backdrop will sweep you away.”—Susan Wiggs “Breathless fun!”—Lisa Gardner
