

Dallas

Josiah Thompson

Dallas Barbara A. Curran,2005-08 Previously published as 25 Years of Dallas by Virtualbookworm.com Publishing--T.p. verso.

Living Dead in Dallas Charlaine Harris,2010 When a vampire asks Sookie Stackhouse to use her telepathic skills to find another missing vampire, she agrees under one condition: the bloodsuckers must promise to let the humans go unharmed. Easier said than done.

Dallas Patricia Evridge Hill,2010-01-01 From the ruthless deals of the Ewing clan on TV's Dallas to the impeccable customer service of Neiman-Marcus, doing business has long been the hallmark of Dallas. Beginning in the 1920s and 1930s, Dallas business leaders amassed unprecedented political power and civic influence, which remained largely unchallenged until the 1970s. In this innovative history, Patricia Evridge Hill explores the building of Dallas in the years before business interests rose to such prominence (1880 to 1940) and discovers that many groups contributed to the development of the modern city. In particular, she looks at the activities of organized labor, women's groups, racial minorities, Populist and socialist radicals, and progressive reformers—all of whom competed and compromised with local business leaders in the decades before the Great Depression. This research challenges the popular view that business interests have always run Dallas and offers a historically accurate picture of the city's development. The legacy of pluralism that Hill uncovers shows that Dallas can accommodate dissent and conflict as it moves toward a more inclusive public life. Dallas will be fascinating and important reading for all Texans, as well as for all students of urban development.

Goodnight Dallas Jennifer Gaines Drez,2013-02 Rhyming text which says goodnight to historically significant buildings and areas in Fort Worth, Texas. Includes brief histories of Fort Worth and each establishment mentioned in the text.

Dallas Landmarks ,2009 Dallas has a reputation as a progressive city--always ready to build something new to replace the old. In the late 19th century, as Dallas became the transportation and commercial center for North Texas, brick and stone edifices supplanted the simple frame structures of the early days. By the 1920s, the city was the financial capital of the region and boasted the tallest building west of the Mississippi. In 1936, Dallas hosted the Texas Centennial Exposition in Fair Park, an ensemble of art deco buildings that is a National Historic Landmark. As business grew, so did the skyline. Today Dallas has a rich collection of historic buildings that chronicle the city's growth and progress.

New York to Dallas J. D. Robb,2012-03-06 #1 New York Times bestselling author J. D. Robb presents an intense and terrifying case for New York homicide cop Eve Dallas: one that will take her all the way to the city that named her—and plunge her into the nightmares of her childhood... When a monster named Isaac McQueen—taken down by Eve back in her uniform days—escapes from Rikers, he has two things in mind. One is to take up where he left off, abducting young victims and leaving them scarred in both mind and body. The other is to get revenge on the woman who stopped him all those years ago.

Dallas 1963 Bill Minutaglio,Steven L. Davis,2013-10-08 Winner of the PEN Center USA Literary Award for Research Nonfiction Named one of the Top 3 JFK Books by Parade Magazine. Named 1 of The 5 Essential Kennedy assassination books ever written by The Daily Beast. Named one of the Top Nonfiction Books of 2013 by Kirkus Reviews. In the months and weeks before the fateful November 22nd, 1963, Dallas was brewing with political passions, a city crammed with larger-than-life characters dead-set against the Kennedy presidency. These included rabid warriors like defrocked military general Edwin A. Walker; the world's richest oil baron, H. L. Hunt; the leader of the largest Baptist congregation in the world, W.A. Criswell; and the media mogul Ted Dealey, who raucously confronted JFK and whose family name adorns the plaza where the president was murdered. On the same stage was a compelling cast of marauding gangsters, swashbuckling politicians, unsung civil rights heroes, and a stylish millionaire anxious to save his doomed city. Bill Minutaglio and Steven L. Davis ingeniously explore the swirling forces that led many people to warn President Kennedy to avoid Dallas on his fateful trip to Texas. Breathtakingly paced, DALLAS 1963 presents a clear, cinematic, and revelatory look at the shocking tragedy that

transformed America. Countless authors have attempted to explain the assassination, but no one has ever bothered to explain Dallas-until now. With spellbinding storytelling, Minutaglio and Davis lead us through intimate glimpses of the Kennedy family and the machinations of the Kennedy White House, to the obsessed men in Dallas who concocted the climate of hatred that led many to blame the city for the president's death. Here at long last is an accurate understanding of what happened in the weeks and months leading to John F. Kennedy's assassination. DALLAS 1963 is not only a fresh look at a momentous national tragedy but a sobering reminder of how radical, polarizing ideologies can poison a city-and a nation.

Secret Dallas: A Guide to the Weird, Wonderful, and Obscure Mark Stuertz,2018-04-15 Take an excursion through the weird, the wry, and the wonderful idiosyncrasies that comprise the Big D. From the Playboy Marfa bunny-with-a-muscle-car sculpture, to the ceaseless failed attempts to navigate the Trinity River, to the invention of the computer chip and German chocolate cake, Dallas is the birthplace of the whimsical, the wistful, and the profound. Secret Dallas answers questions about Big D you never knew you had, catapulting you through a portfolio of little-known but fascinating people, places, episodes, and artifacts. Think of it as a scavenger hunt travelogue, providing insights into hidden rhinestones and diamonds in the caliche. Secret Dallas is a riveting excursion into the city's odds and ends, where the rare and the phenomenal express the big, the bold, and the brash in everyone.

Historic Photos of Dallas Michael V. Hazel,2006 Historic Photos of Dallas takes a look into the past of the Big D through striking historic photographs from the city's finest archives. From the rugged west to the largest corporate headquarter concentration in the United States, Historic Photos of Dallas provides a unique look into the city's past. With over 200 archival photos reproduced in multiple inks on heavy art paper in large format, many of which have never been published. This book is a perfect additin to any historian's collection.

Six Seconds in Dallas Josiah Thompson,1968

Historic Dallas Theatres D. Troy Sherrod,2014 Dallas was the show business capital of Texas and much of the South throughout the 20th century. More than 100 theatres served the city's neighborhoods, and Elm Street once boasted more than 15 vaudeville and movie theatres--second in number to Broadway. The quality of the show houses in Dallas were surpassed by few cities and all major, and most minor, Hollywood studios maintained Dallas offices. Notable names figuring in this history include Margo Jones, Blind Lemon Jefferson, Karl Hoblitzelle, Baruch Lumet, Bob Hope, Greer Garson, Linda Darnell, Howard Hughes, Clyde Barrow, Gene Autry, Oliver Stone, Pappy Dolson, Jack Ruby, Lee Harvey Oswald, Nicola Rescigno, Don Henley, and Frank Lloyd Wright.

Historic Photos of Dallas ,2006-11-01 Historic Photos of Dallas takes a look into the past of the Big D through striking historic photographs from the city's finest archives. From the rugged west to the largest corporate headquarter concentration in the United States, Historic Photos of Dallas provides a unique look into the city's past. With over 200 archival photos reproduced in multiple inks on heavy art paper in large format, many of which have never been published. This book is a perfect additin to any historian's collection.

Dallas, November 22, 1963 Robert A. Caro,2013-10-01 This account of the Kennedy assassination (the most riveting ever, says The New York Times) is taken from Robert A. Caro's brilliant and bestselling The Passage of Power. Here is that tragic day in Dallas alive with startling details reported for the first time by the two-time Pulitzer Prize-winning author. Just as scandals that might end his career are about to break over Lyndon Johnson's head, the motorcade containing the presidential party is making its slow and triumphant way along the streets of Dallas. In Caro's breathtakingly vivid narrative, we witness the shots, the procession speeding to Parkland Memorial Hospital, the moment when Kennedy aide Lawrence O'Donnell tells Johnson He's gone, and Johnson's iconic swearing in on Air Force One. Compelling. An eBook short.

Dallas, Public and Private Warren Leslie,1964 Critique of Dallas, Texas, and the social hierarchies that affect it.

Deadly Dallas Rusty Williams, 2021-06-28 Spring of 1904. An inexperienced automobile driver jumps the curb and drives into the lobby of the St. George Hotel. The mayor orders a roundup of unlicensed dogs due to a citywide outbreak of rabies. An elevator crushes the head of a young man as he retrieves a half dollar he had dropped down the shaft. Embers from a wood-burning stove transform a sleeping house into a funeral pyre. A ten-year-old boy in City Park has a spike driven into his temple by a playmate with a fence picket. All this in just a few days. Rusty Williams catalogues the heartbreaking and bizarre forms in which death stalked Dallas at the turn of the twentieth century.

John F. Kennedy Sites in Dallas-Fort Worth Mark Doty, John H. Slate, 2013-09-02 November 22, 1963, is a date that will forever live in the minds and hearts of those who were witness to or touched by the assassination of Pres. John F. Kennedy in Dealey Plaza. Surprisingly, the majority of sites associated with events surrounding that day still stand along the streets and in the neighborhoods of the greater Dallas-Fort Worth region. From Fort Worth's Hotel Texas to the Texas Theater and the Old Municipal Building in Dallas, John F. Kennedy Sites in Dallas-Fort Worth explores and documents the buildings, neighborhoods, and places with a direct connection to the assassination and its figures, both major and minor, in one of the darkest chapters in American and Texan history.

Dallas Helen Lepp Friesen, 2019 American Cities takes young readers on a tour of our capitals and major centers. Each book explores the geography, history, and people that give the featured city its distinctive flair--

Dallas's Little Mexico Sol Villasana, 2011 Little Mexico was Dallas's earliest Mexican barrio. Mexicanos had lived in Dallas since the mid-19th century. The social displacement created by the Mexican Revolution of 1910, however, caused the emergence of a distinct and vibrant neighborhood on the edge of the city's downtown. This neighborhood consisted of modest homes, small businesses, churches, and schools, and further immigration from Mexico in the 1920s caused its population to boom. By the 1930s, Little Mexico's population had grown to over 15,000 people. The expanding city's construction projects, urban renewal plans, and land speculation by developers gradually began to dismantle Little Mexico. By the end of the 20th century, Little Mexico had all but disappeared, giving way to upscale high-rise residences and hotels, office towers of steel and glass, and the city's newest entertainment district. This book looks at Little Mexico's growth, zenith, demise, and its remarkable renaissance as a neighborhood.

Lone Star Guide to the Dallas/Fort Worth Metroplex, Revised Robert R. Rafferty, Loys Reynolds, 2003-08-18 The Dallas/Fort Worth Metroplex is a nearly 40-mile long mega-metropolitan area anchored by Dallas on one end and Fort Worth on the other, with the area between filled in with more than a dozen attractive, interconnected cities. Among the unheralded facts about these interlocking cities are that they contain more restaurants per capita than New York City (5,000 in Dallas alone), are home to all the major professional sports (including NASCAR and rodeo), and house 30 museums. This guidebook gives readers detailed information on the wide range of choices in lodging, restaurants, and everything worth seeing and doing, not only in Dallas and Fort Worth, but in eleven of the smaller cities between the two. They include: Addison, Arlington, Farmers Branch, Garland, Grand Prairie, Grapevine, Irving, Mesquite, North Richland Hills, Plano and Richardson. In addition to the categories one would normally expect in a guide book, the authors have started each city listing with a description of free visitor services, as well as Bird's Eye View spots - great places to get a panoramic view of the city. (In Arlington it's the top of an oil derrick at Six Flags.) Finally, for the truly adventurous, there are plenty of Offbeat places of unusual interest that don't fit into the routine tourist categories.

Dallas, Texas, 2007-04

Uncover the mysteries within this enigmatic creation, Embark on a Mystery with **Dallas**. This downloadable ebook, shrouded in suspense, is available in
