Renee Fisher, a refreshing new voice for today's generation, pulls no punches as she addresses the real, relevant questions and issues young adults encounter today: How do I honor God with my body? What's the deal with online dating? Does it matter if my significant other is a Christian? Is there only one person out there for me? Can God use me in my singleness? How should I relate to my ex after a breakup? I think there's more to life than dating... but what? What happens if I've made mistakes? With her trademark wit and enthusiasm, Renee Fisher, Devotional Diva and author of *Faithbook of Jesus*, urges young adults to take a closer look at the way they relate to God and others, showing them that every relationship finds its perfect example in Christ. Modern Dating: A Field Guide Chiara Atik, 2013-05-01 From the creators of the popular online dating site HowAboutWe.com comes the definitive guide for navigating the modern dating world. The single woman is having a moment. In the worlds of work, personal finances, and education, women are more successful than ever before. When it comes to dating, they're happy to take their time exploring lots of different relationships before deciding if they want to settle down. Women today, like the generations of women before them, want to fall in love. But they want it to happen organically, at its own pace, and with the right person. Rather than listing a set of rules, *Modern Dating* offers advice on modern challenges, like how to send a relatively unembarrassing sext, how to create a failproof first date idea, and how to make sure you're getting into a relationship for the right reasons. Instead of telling you How to Win a Husband in Just 3 Easy Steps!, it will gently guide you through all the triumphs and pitfalls of what dating is actually like, from one-night stands, to confusing texts and emails, to your first online date. Frank, funny, and totally relatable, this is a book that really gets at how women are dating today--the ideal travel companion for your dating life. The only rule is that there are no rules, but this book will be there for guidance, or just for laughs, every step of the way.

Dating by the Book Mary Ann Marlowe, 2019-06-25 Includes an excerpt from *Some kind of magic*.

Sex, Dating, and Relationships Gerald Hiestand, Jay S. Thomas, 2012-02-29 Considering the pervasive immorality and high divorce rate of our contemporary Christian culture, we evidently need a biblically based, theologically compelling, practical understanding of sex, dating, and relationships. Pastors Gerald Hiestand and Jay

Thomas counteract this problem with their paradigm-shifting view of purity and relationships—a view that challenges even the basic assumptions of evangelical subculture. Unlike most books on dating, this one cuts straight to the heart of dating relationships, asserting with confidence that the line must be drawn at no sexual activity whatever. Few have dared to define and apply the Bible's understanding of purity in premarital relationships to this degree, but Heistand and Thomas have done it. Furthermore, both authors are vocational pastors who communicate regularly with the target audience and have a proven ability to express biblical truth in a winsome and compelling manner. Sex, Dating, and Relationships adds a new, almost provocative voice to the conversation that, with straightforward theological insight, pleads with Christians to get serious about honoring Christ with their sexuality.

Dating Basics 101 David Linares, 2019-12-20 Dating basics 101 is the first in a series, designed to help make man's journey in dating and relationships easier. Unlike other dating books, the simple, step by step, comprehensive formula combines modern day psychological principles and ancient philosophical thought to educate men on how to avoid embarrassment and to be successful in dating. Author David Linares starts by examining philosophical beliefs about women and dating, as well as common misconceptions that lead to anxiety and insecurity in men. He then offers effective ways to deal with these issues. Next, he explores the attitudes that women find attractive and interesting, how to effectively communicate with women, where to meet women, how to ask for a date, where to go, what to do, how to be romantic, and so much more. This innovative guide will explain how to have self confidence and to relax and enjoy the date. Some dating books help a certain kind of guy looking for a certain kind of girl. Others will explain how to get the girl, but not how to actually build up the confidence to do it. The primary purpose of Dating Basics 101 is to assist in gaining the knowledge and skills necessary to succeed in the world of dating.
