The Deal Elle Kennedy, 2023-11-14 New York Times bestseller
Elle Kennedy brings you the first in the sexy Off-Campus series that everyone is talking about. She's about to make a deal with the college bad boy . . . Hannah Wells has finally found someone who turns her on. But while she might be confident in every other area of her life, she's carting around a full set of baggage when it comes to sex and seduction. If she wants to get her crush's attention, she'll have to step out of her comfort zone and make him take notice . . . even if it means tutoring the annoying, childish, cocky captain of the hockey team in exchange for a pretend date . . . and it's going to be oh so good All Garrett Graham has ever wanted is to play professional hockey after graduation, but his plummeting GPA is threatening everything he's worked so hard for. If helping a sarcastic brunette make another guy jealous will help him secure his position on the team, he's all for it. But when one unexpected kiss leads to the wildest sex of both their lives, it doesn't take long for Garrett to realize that pretend isn't going to cut it. Now he just has to convince Hannah that the man she wants looks a lot like him. Praise for Elle Kennedy: 'Delicious, complicated and drama-filled . . . I read it in one sitting, and you will, too' L. J. Shen, USA Today bestselling author 'A deliciously sexy story with a wallop of emotions that sneaks up on you' Vi Keeland, No.1 New York Times bestselling author 'Elle Kennedy delivers another sexy and addictive read, and my latest personal favourite from her!' Tijan, New York Times bestselling author

Trump: The Art of the Deal Donald J. Trump, Tony Schwartz, 2009-12-23 President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America’s foremost deal-maker. “I like thinking big. I always have. To me it’s very simple: If you’re going to be thinking anyway, you might as well think big.”—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker’s art. And throughout, Trump talks—really talks—about how he does it. *Trump: The Art of the Deal* is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for *Trump: The Art of the Deal* “Trump makes one believe for a moment in the American dream again.”—*The New York Times* “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—*Chicago Tribune* “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-than-life demeanor so vibrantly that the reader’s attention is instantly and fully claimed.”—*Boston Herald* “A chatty, generous, chutzpa-filled autobiography.”—*New York Post*

Raw Deal Chloe Sorvino, 2022-12-06 A shocking and engrossing exposé of the US meat industry, the devastating failures of the country’s food system, and the growing disappointment of alternative

meat producers claiming to revolutionize the future of food by the head of Forbes's Food, Drink, and Agriculture division, Chloe Sorvino-

DEAL Michael S. Vigil,2014-06-26 There were always two hotel rooms. One for his counterparts doing the surveillance and one he used as the stage to play a ruthless Mexican drug trafficker making the deal for enormous amounts of cocaine, marijuana or heroin. One small slip of the tongue, or a slight bead of sweat on the brow could result in his violent, painful death. He was willing to do anything to convince the dangerous criminals he was one of them. Whether showing them a million dollars cash packed in a suitcase, flashing a bag of diamonds, buying rounds of drinks for everyone in a nightclub, whatever it took to make them believe he was as greed-filled and callous as they were. It was a spectacular cat and mouse game with the ultimate reward of sitting next to a hand cuffed cartel head on a flight headed to prison. It was listening to him beg for his freedom, offer millions in bribes, threaten his life and both knowing he had won.

The Red Deal The Red Nation,2021 Introduction --Part 1.Divest : End the occupation --Part 2.Heal our bodies : Reinvest in our common humanity --Part 3 .Heal our planet: Reinvest in our common future -- Our words are powerful, our knowledge is inevitable.

Mergers & Acquisitions For Dummies Bill Snow,2018-08-30
Mergers & Acquisitions For Dummies (9781119543862) was previously published as Mergers & Acquisitions For Dummies (9780470385562). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The easy way to make smart business transactions Are you a business owner, investor, venture

capitalist, or member of a private equity firm looking to grow your business by getting involved in a merger with, or acquisition of, another company? Are you looking for a plain-English guide to how mergers and acquisitions can affect your investments? Look no further. *Mergers & Acquisitions For Dummies* explains the entire process step by step—from the different types of transactions and structures to raising funds and partnering. Plus, you'll get expert advice on identifying targets, business valuation, doing due diligence, closing the purchase agreement, and integrating new employees and new ways of doing business. Step-by-step techniques and real-world advice for making successful mergers and acquisitions Covers international laws and regulations How to take advantage of high-value deals Going beyond the case studies of other books, *Mergers & Acquisitions For Dummies* is your one-stop reference for making business growth a success.

Here's the Deal Kellyanne Conway, 2022-05-24 Among the Trump era's savviest insiders, one name stands especially tall: Kellyanne. As a highly respected pollster for corporate and Republican clients and a frequent television talk show guest, Kellyanne Conway had already established herself as one of the brightest lights on the national political scene when Donald Trump asked her to run his presidential campaign. She agreed, delivering him to the White House, becoming the first woman in American history to manage a winning presidential campaign, and changing the American landscape forever. Who she is, how she did it, and who tried to stop her is a fascinating story of personal triumph and political intrigue that has never been told...until now. In *Here's The Deal*, Kellyanne takes you on a journey all the way to the White House and beyond with her trademark sharp wit, raw honesty, and level eye. It's all here: what it's like to be

dissected on national television. How to outsmart the media mob. How to outclass the crazy critics. How to survive and succeed male-dominated industries. What happens when the perils of social media really hit home. And what happens when the divisions across the country start playing out in one's own family. In this open and vulnerable account, Kellyanne turns the camera on herself. What she has to share—about our politics, about the media, about her time in the White House, and about her personal journey—is an astonishing glimpse of visibility and vulnerability, of professional and personal highs and lows, and ultimately, of triumph.

The Soul of a Deal Richard Wolpert, 2018-03-12 Learn the skills to close your most important business deals. In this book Richard Wolpert shares the details of the deals he has completed with industry titans including Steve Jobs, Bill Gates, and many others. Richard also shares how he has been able to achieve such great success in deal making in his more than 30 year career that started out on the original software team for Macintosh at Apple. In addition, get the wisdom and insight of 22 other very successful business leaders and their secrets for closing deals including J.J. Abrams, Deepak Chopra, Peter Guber, Reid Hoffman, Penn Jillette and many others from fields as diverse as doing business with technology companies, in entertainment, with Africa, to deal making in war torn Iraq and Afghanistan. Whether you are in business school, have a job in business development, or just want insight into how deals really get done, this book is a must!

The Summer Deal Jill Shalvis, 2020-06-02 From New York Times bestselling author Jill Shalvis comes a friends-to-frenemies-to-lovers story... Add in a few secrets. Shake. Stir. Then read on a lazy summer day at the beach... Brynn Turner desperately wishes she had it

together, but her personal life is like a ping-pong match that's left her scared and hurt after so many attempts to get it right. In search of a place to lick her wounds and get a fresh start, she heads back home to Wildstone. And then there's Kinsey Davis, who after battling serious health issues her entire twenty-nine years of life, is tired of hoping for . . . well, anything. She's fierce, tough, and she's keeping more than one bombshell of a secret from Brynn -- her long-time frenemy. But then Brynn runs into Kinsey's best friend, Eli, renewing her childhood crush. The good news: he's still easy-going and funny and sexy as hell. The bad news: when he gets her to agree to a summer-time deal to trust him to do right by her, no matter what, she never dreams it'll result in finding a piece of herself she didn't even know was missing. She could have real connections, possibly love, and a future—if she can only learn to let go of the past. As the long days of summer wind down, the three of them must discover if forgiveness is enough to grasp the unconditional love that's right in front of them.

Venture Deals Brad Feld, Jason Mendelson, 2011-07-05 An engaging guide to excelling in today's venture capital arena Beginning in 2005, Brad Feld and Jason Mendelson, managing directors at Foundry Group, wrote a long series of blog posts describing all the parts of a typical venture capital Term Sheet: a document which outlines key financial and other terms of a proposed investment. Since this time, they've seen the series used as the basis for a number of college courses, and have been thanked by thousands of people who have used the information to gain a better understanding of the venture capital field. Drawn from the past work Feld and Mendelson have written about in their blog and augmented with newer material, *Venture Capital Financings* puts this discipline in perspective and lays out the strategies that allow entrepreneurs to

excel in their start-up companies. Page by page, this book discusses all facets of the venture capital fundraising process. Along the way, Feld and Mendelson touch on everything from how valuations are set to what externalities venture capitalists face that factor into entrepreneurs' businesses. Includes a breakdown analysis of the mechanics of a Term Sheet and the tactics needed to negotiate Details the different stages of the venture capital process, from starting a venture and seeing it through to the later stages Explores the entire venture capital ecosystem including those who invest in venture capitalist Contain standard documents that are used in these transactions Written by two highly regarded experts in the world of venture capital The venture capital arena is a complex and competitive place, but with this book as your guide, you'll discover what it takes to make your way through it.

Mega Deal Secrets Jamal Reimer, 2021-10-19 Drop the run-rate mentality and start closing Mega Deals. Selling a Mega Deal--a deal of uncommonly large size and complexity--is the crowning achievement of any enterprise seller. Yet there are precious few who have achieved such a feat, and those who have done it tend to guard the keys to their success as well-kept secrets. Jamal Reimer is a senior enterprise seller and has been a top-1-percent performer at one of the largest software as a service (SaaS) companies in the world. He has closed multiple deals over \$50 million. In this book, Reimer shares the methods, strategies, tactics, and tools that he and other Mega Dealers use to bring in massive enterprise deals. In *Mega Deal Secrets*, Reimer teaches all the components of a truly dialed-in sales cycle in the modern selling age: Executive Whispering: how to engage with elusive executives from your company and your customers to build strategic relationships and accelerate uncommonly large deals Mega Deal Premise: how to build a compelling Mega Deal Story that senior executives will invest in Mega Deal Conjurung: how to find and close a Mega Deal in twelve months or less even when the conditions are against you Reimer walks you through every step of the Mega Deal process--from selecting the right candidate account to getting your contract signed by whatever deadline you set. Along the way, you'll follow the journey of how he put together the biggest pitch of his career, stood his ground with the most intimidating executive he's ever met, and, ultimately, closed his first Mega Deal.

What's the Deal? Rhoda Blumberg, 1998 Discusses the Louisiana Purchase of 1803 and the political maneuverings of Napoleon and Jefferson that made it possible.

The Same River Twice Pam Mandel, 2020-11-03 Acclaimed travel

writer Pam Mandel's thrilling account of a life-defining journey from the California suburbs to Israel to the Himalayan peaks and back. Given the choice, Pam Mandel would say no and stay home. It was getting her nowhere, so she decided to say yes. Yes to hard work and hitch-hiking, to mean boyfriends and dirty travel, to unfolding the map and walking to its edges. Yes to unknown countries, night shifts, language lessons, bad decisions, to anything to make her feel real, visible, alive. A product of beige California suburbs, Mandel was overlooked and unexceptional. When her father ships her off on a youth group tour of Israel, he inadvertently catapults his seventeen-year-old daughter into a world of angry European backpackers, seize-the-day Israelis, and the fall out of cold war-era politics. Border violence hadn't been on the birthright tour agenda. But then neither had domestic violence, going broke, getting wasted, getting sick, or getting lost. With no guidance and no particular plan, utterly unprepared for what lies ahead, Mandel says yes to everything and everyone, embarking on an adventure across three continents and thousands of miles, from a cold water London flat to rural Pakistan, from the Nile River Delta to the snowy peaks of Ladakh and finally, back home to California, determined to shape a life that is truly hers. An extraordinary memoir of going away and growing up, *The Same River Twice* follows Mandel's tangled journey and shows how travel teaches and changes us, even while it helps us become exactly who we have been all along.

Before and After the Book Deal Courtney Maum, 2020-01-07

Everything you've ever wanted to know about publishing but were too afraid to ask is right here in this funny, candid guide written by an acclaimed author. There are countless books on the market about how to write better but very few books on how to break into the

marketplace with your first book. Cutting through the noise (and very mixed advice) online, while both dispelling rumors and remaining positive, Courtney Maum's *Before and After the Book Deal* is a one-of-a-kind resource that can help you get your book published. *Before and After the Book Deal: A Writer's Guide to Finishing, Publishing, Promoting, and Surviving Your First Book* has over 150 contributors from all walks of the industry, including international bestselling authors Anthony Doerr, Roxane Gay, Garth Greenwell, Lisa Ko, R. O. Kwon, Rebecca Makkai, and Ottessa Moshfegh, alongside cult favorites Sarah Gerard, Melissa Febos, Mitchell S. Jackson, and Mira Jacob. Agents, film scouts, film producers, translators, disability and minority activists, and power agents and editors also weigh in, offering advice and sharing intimate anecdotes about even the most taboo topics in the industry. Their wisdom will help aspiring authors find a foothold in the publishing world and navigate the challenges of life before and after publication with sanity and grace. Are MFA programs worth the time and money? How do people actually sit down and finish a novel? Did you get a good advance? What do you do when you feel envious of other writers? And why the heck aren't your friends saying anything about your book? Covering questions ranging from the logistical to the existential (and everything in between), *Before and After the Book Deal* is the definitive guide for anyone who has ever wanted to know what it's really like to be an author.

The Next Deal Andrei Cherny, 2008-01-07 American politics today is run on scandal and sound bites because our politicians have become disconnected from the government and public that they serve. Vast changes brought about by the information revolution and the global economy-and by the new Choice Generation of Americans under the

age of thirty-have yet to impact America's centralized, one-size-fits-all government programs. Enter Andrei Cherny, who uses his unique vantage point as a twentysomething with experience working closely with the President and Vice President of the United States to consider what these vast changes will mean for American government and society. Cherny convincingly argues that Americans are coming to demand a Choice Revolution in government-expanding democracy by taking decision-making power out of the hands of experts and putting back into the hands of ordinary people. But more individual power doesn't mean just more individualism. Cherny proposes a truly interactive government in which increased government responsiveness is met with an increased commitment on the part of the public to the common good.

Axiom's End Lindsay Ellis, 2020-07-21 THE INSTANT NEW YORK TIMES BESTSELLER The alternate history first contact adventure *Axiom's End* is an extraordinary debut from Hugo finalist and video essayist Lindsay Ellis. Truth is a human right. It's fall 2007. A well-timed leak has revealed that the US government might have engaged in first contact. Cora Sabino is doing everything she can to avoid the whole mess, since the force driving the controversy is her whistleblower father. Even though Cora hasn't spoken to him in years, his celebrity has caught the attention of the press, the Internet, the paparazzi, and the government—and with him in hiding, that attention is on her. She neither knows nor cares whether her father's leaks are a hoax, and wants nothing to do with him—until she learns just how deeply entrenched her family is in the cover-up, and that an extraterrestrial presence has been on Earth for decades. Realizing the extent to which both she and the public have been lied to, she sets out to gather as much information as she can, and finds that the best way

for her to uncover the truth is not as a whistleblower, but as an intermediary. The alien presence has been completely uncommunicative until she convinces one of them that she can act as their interpreter, becoming the first and only human vessel of communication. Their otherworldly connection will change everything she thought she knew about being human—and could unleash a force more sinister than she ever imagined.

Kind of a Big Deal Shannon Hale, 2020-08-25 “So many strange and wonderful things happen at every twist and turn, you'll be happy to wander with Josie . . . Each book she descends into seems to teach her something, and even if it's not obvious where the story is going, we're in it for the long haul.” —NPR From Shannon Hale, bestselling author of *Austenland*, comes *Kind of a Big Deal*: a story that will suck you in—literally. There's nothing worse than peaking in high school. Nobody knows that better than Josie Pie. She was kind of a big deal—she dropped out of high school to be a star! But the bigger you are, the harder you fall. And Josie fell. Hard. Ouch. Broadway dream: dead. Meanwhile, her life keeps imploding. Best friend: distant. Boyfriend: busy. Mom: not playing with a full deck? Desperate to escape, Josie gets into reading. Literally. She reads a book and suddenly she's inside it. And with each book, she's a different character: a post-apocalyptic heroine, the lead in a YA rom-com, a 17th century wench in a corset. It's alarming. But also . . . kind of amazing? It's the perfect way to live out her fantasies. Book after book, Josie the failed star finds a new way to shine. But the longer she stays in a story, the harder it becomes to escape. Will Josie find a story so good that she just stays forever?

The New Deal Michael Hiltzik, 2011-09-13 From first to last the New Deal was a work in progress, a patchwork of often contradictory

ideas.
