Diamond Steve Lerner,2006-02-17 The story of how a mixed-income minority community in Louisiana's Chemical Corridor fought Shell Oil and won.

For years, the residents of Diamond, Louisiana, lived with an inescapable acrid, metallic smell—the toxic bouquet of pollution—and a mysterious chemical fog that seeped into their houses. They looked out on the massive Norco Industrial Complex: a maze of pipelines, stacks topped by flares burning off excess gas, and huge oil tankers moving up the Mississippi. They experienced headaches, stinging eyes, allergies, asthma, and other respiratory problems, skin disorders, and cancers that they were convinced were caused by their proximity to heavy industry. Periodic industrial explosions damaged their houses and killed some of their neighbors. Their small, African-American, mixed-income neighborhood was sandwiched between two giant Shell Oil plants in Louisiana's notorious Chemical Corridor. When the residents of Diamond demanded that Shell relocate them, their chances of success seemed slim: a community with little political clout was taking on the second-largest oil company in the world. And yet, after effective grassroots organizing, unrelenting fence-line protests, seemingly endless negotiations with Shell officials, and intense media coverage, the people of Diamond finally got what they wanted: money from Shell to help them relocate out of harm's way. In this book, Steve Lerner tells their story. Around the United States, struggles for environmental justice such as the one in Diamond are the new front lines of both the civil rights and the environmental movements, and Diamond is in many ways a classic environmental-justice story: a minority neighborhood, faced with a polluting industry in its midst, fights back. But Diamond is also the history of a black community that goes back to the days of slavery. In 1811, Diamond (then the Trepagnier Plantation) was the center of the largest slave rebellion in United States history. Descendants of these slaves were among the participants in the modern-day Diamond relocation campaign. Steve Lerner talks to the people of Diamond, and lets them tell their story in their own words. He talks also to the residents of a nearby white neighborhood—many of whom work for Shell and have fewer complaints about the plants—and to environmental activists and Shell officials. His account of Diamond's 30-year ordeal puts a human face on the struggle for environmental justice in the United States.

**The History and Use of Diamond** Samuel Tolansky,1962

*Hearts and the Diamond* Gerald Beaumont,1921

The Diamond Master Jacques Futrelle,2021-11-16 The Diamond Master (1909) is a mystery novel by Jacques Futrelle. Published at the height of his career as a leading popular detective and science fiction writer, The Diamond Master was adapted for two silent films in 1921 and 1929. Celebrated for his brisk storytelling and mastery of suspense, Jacques Futrelle was lost at sea on April 15, 1912 while returning from Europe on the HMS Titanic. His wife, who survived the disaster, had his last book dedicated to “the heroes of the Titanic.” “A minute or more passed, a minute of wonder, admiration, allurements, but at last he ventured to lift the diamond from the box. It was perfect, so far as he could see; perfect in cutting and color and depth, prismatic, radiant, bewilderingly gorgeous. Its value? Even he could not offer an opinion...” An expert jeweler, even Harry Latham is forced to admit he has never in his life seen such a diamond. It arrived in an unmarked package with neither message nor return address, a rather casual presentation for such an invaluable object. Unable to appraise it, let alone uncover its origins, he seeks the advice of other experienced jewelers. Soon, it is determined that five flawless diamonds have been delivered to his colleagues across the United States, prompting confusion and fear as to the intentions of the anonymous sender. With a beautifully designed cover and professionally typeset manuscript, this edition of Jacques Futrelle's The Diamond Master is a

classic of American detective fiction reimagined for modern readers.

**Black Diamond** Brittani Williams, 2008-11-25 When Diamond and Mica rekindle their friendship by plotting to get rid of one of North Philly's most notorious drug dealers and steal his fortune, betrayal once again rips them apart, leaving them with nothing except the will to survive. Original.

**Handbook of Industrial Diamonds** James Sung, 2021-07-23 Every year, the world consumes more than 10,000 tons of diamond superabrasives, which are indispensable for fields such as construction, metals, ceramics, automobiles, semiconductors, computers, and cellular phones. In fact, the per capita consumption of superabrasives may be used as an indicator of a country's industrial activities. This volume presents several aspects of superhard materials, especially diamond superabrasives and their manufacture, properties, and applications, and introduces several new designs of ultrahard materials that may be harder than diamond. It discusses diamond's connection with the origin of life, in particular, the origin of the first RNA. In addition, it throws light on the concept of diamond quantum computers with neutrons of the carbon-13 isotope as quantum bits. This innovation may maintain quantum coherence with minimal interference without using complicated cryogenic cooling. Hence, it can be a robust design for future quantum computers. For those interested in the depth of the quantum mechanical world, a chapter elaborates the history of life and humanity in light of the evolution of quantum universes.

**The Diamond Escape** Sheila Bitts, 2017-03-17 Self-reliance is what makes America tick for young Frederick Falloy, a private detective working on his first case in Chicago, 2014. It seems nothing but violence surrounds the stolen Cacaw Diamonds, which he must locate. He finds himself building a working relationship with a mentor--a veteran police officer named Phillip Grable, Homicide Division. Pushing his limits, he outsmarts his demons to find a way to win, no matter how the cards fall.

**Blood, Sweat and Earth** Tijl Vanneste, 2021-12-21 A sweeping history of our enduring passion for diamonds—and the exploitative industry that fuels it. Blood, Sweat and Earth is a hard-hitting historical exposé of the diamond industry, focusing on the exploitation of workers and the environment, the monopolization of uncut diamonds, and how little this has changed over time. It describes the use of forced labor and political oppression by Indian sultans, Portuguese colonizers in Brazil, and Western industrialists in many parts of Africa—as well as the hoarding of diamonds to maintain high prices, from the English East India Company to De Beers. While recent discoveries of diamond deposits in Siberia, Canada, and Australia have brought an end to monopolization, the book shows that advances in the production of synthetic diamonds have not yet been able to eradicate the exploitation caused by the world's unquenchable thirst for sparkle.

Jared M. Diamond Jared Diamond, PGC Miscellaneous Purchased Staff, 1998-04-30

**The Diamond's Journey** Susanne Steiner, 2016-09-22 The Diamond's Journey is an historical fiction, following a group of diamonds from discovery in their raw, unpolished state. The diamonds travel from hand to hand for many reasons to different people - collectors, lovers, and survivors. The polished stones are cut by a master and set in a new, modern setting at the turn of the century. The ring continues to travel and play an important role in the life of each person who has the opportunity to spend time with it. The story begins with the current holder of the diamond ring, a young mother who has inherited it from her mother-in-law. In researching the value of the ring, she discovers the ring is much older than she imagined, and the diamonds are hand-cut in a style known as the ideal cut. This discovery launches the story of the diamond trader who trains an assistant to help him find the diamonds he is looking for. Their adventure begins in India and continues halfway across the world to obtain the diamonds the trader is enchanted with. Their story ends in Lisbon, Portugal, as the diamonds change hands and travel to Paris. From Paris their journey brings them to America and a champion in JP Morgan, collector of minerals and gemstones. They are used in an engagement ring and forgotten in a drawer, traded for freedom, given as a gift, bartered for food, given as a gift again and used to secure a relationship. Their journey is long, and they continue to sparkle

and entrance, in dire situations as well as at joyous occasions.

*Diamond's Reign* Diamond Cartel, 2011-10-18 Diamond Richardson treated her life like a game of Russian roulette. The greater the risk, the greater the pleasure, and self-satisfaction was all she cared about. Abandoned by her mother as a child, she's had to dodge the bullet of molestation, drugs, and alcohol. One man, James, finally sets her on the right path, but after his death she is once again derailed by lust, lies, and death in disguise. Will Diamond be able to get back on track before the final bullet hits? Or will her past catch up with her and end her reign?

It Started with a Diamond Teri Wilson, 2017-07-01 An heiress nabs a polo star in this scintillating romance from the USA Today-bestselling author of *The Princess Problem* and *His Ballerina Bride*. A Page Six Exclusive Report Stunning world-class equestrian Diana Drake has stayed out of the family business for decades. But now Diana has the inside track on a coveted diamond . . . not to mention a polo-playing partner in crime in Franco Andrade. And after mere weeks, the city's most eligible bachelor is engaged to the jewelry heiress! Still, this whirlwind romance may not be as glittering as the jewels in Drake's. After all, we hear that Franco's first love has always been the polo team that unceremoniously sacked him. And Diana's still recovering from the loss of the sport she's always cherished. Can the handsome Argentine help his new fiancée capture the diamond of the century . . . and in the process repair her shattered heart?

The Diamond World David E. Koskoff, 1981

**Hope Diamond** Richard Kurin, 2006-05-09 The true story behind the most famous—and infamous—stone in the world. The Hope diamond is not only exceptionally beautiful it has a long and incredibly colorful history. That history – spread over three continents – features diamond mining in India, the French Revolution, the machinations of British King George IV, the Gilded Age in America and a number of very clever jewelers including Pierre Cartier and Harry Winston. In the 20th century, the myth of the Hope diamond curse made the diamond more notorious and famous than ever before, but it is only one small piece of a long and lustrous history. Dr. Kurin, who is a cultural anthropologist, has spent over a decade on the trail of the Hope, from India, to France, Germany, Russia, Switzerland, and England. His narrative is filled with fascinating places and people – from the fabled diamond city of Golconda to the fabulously rich heiress Evalyn McLean to Jackie Kennedy and her pivotal role in one of the Hope's few 20th century trips abroad.

**Diamond Life** Aliya S. King, 2012-02-07 The follow-up to the critically acclaimed novel *Platinum*, *Diamond Life* returns to the smoke and mirrors world of fame with brand new characters and more true to life plotlines. Alex Maxwell's career as a journalist and celebrity ghostwriter is taking off, but it pales in comparison to her rapper husband Birdie's multi-platinum debut and world tour. Slowly but surely, everything they swore would never happen begins to happen—leaving Brooklyn for a mansion in suburban New Jersey and letting a reality TV crew into their home. Birdie is confronted time and again by the sexy groupies who pursue famous rappers, and he's forced to make some life-changing choices. Meanwhile, the largely unknown performers Trip and Step release their new single, and it becomes the hottest song of the year. The duo's popularity spreads like wildfire at the expense of entertainment's leading icons—Jake and Z—who seem to be losing their edge, their market share, and perhaps their reputations, too. *Diamond Life* doesn't just pick up where *Platinum* left off—it reintroduces *Platinum*'s main characters from a different perspective and gives background characters center stage while presenting future stars. Whether readers have read the first book or not, they'll be swept up by this intoxicating story of love, sex, ambition, money, betrayal, and the surprising realities of making it big.

Diamonds (3rd Edition) Antoinette Matlins, PG, FGA, 2011-03-01 Newly updated and expanded, *Diamonds* gives you all the information you need to buy, collect, sell—or simply enjoy—diamonds with confidence and knowledge. Whether you are buying a diamond for an engagement ring, anniversary, to commemorate a special moment or for personal pleasure, today it is more important than ever to understand what you are buying. There are new shapes and cuts, fancy colors, high-tech treatments and sophisticated frauds. There are new ways to buy—such as Internet auctions. Buyers need a

source of expert guidance. Practical, comprehensive and easy to understand, this book offers in depth all the information you need to buy sparkling diamonds with confidence, including: What is a diamond? An in-depth look at factors affecting differences in quality and cost. Diamond grading reports—why all the information is important, and what it tells you. How to compare prices. How to spot differences in stones that may appear to be the same quality. How to protect yourself from misrepresentation. Questions to ask when buying any diamond. What to get in writing. How to get what you want within your budget. Important information about buying on the Internet ... and much more! Written by an “insider,” this easy-to-read guide is the “unofficial diamond bible” for anyone who wants to get the most for their money and enjoy what they have purchased.

The Great Diamond Hoax and Other Stirring Incidents in the Life of Asbury Harpending Asbury Harpending, 1913 On my return to California, after an absence of many years, my attention was called, for the first time, to the fact that my name had been associated unpleasantly with the great diamond fraud that startled the financial world nearly half a century ago. Plain duty to my family name and reputation compelled me to tell the whole story of that strange incident so far as my knowledge of it extends. I sincerely trust that a candid reading of these pages will satisfy the public that I was only a dupe, along with some of the most distinguished financiers of the last generation. Concerning two of the historians who maligned me, I am without redress. They are dead. The latest author, Mr. John P. Young, repeated the accusation of his predecessors in his history of San Francisco. This gentleman has admitted that he merely copied the story of the earlier works, having no personal knowledge of events at that period, and has handsomely admitted, over his signature, that he unconsciously did me an injustice. To the diamond story I have added, at the request of friends, some of my experiences and reminiscences of California of the early days--Preface.

Embark on a breathtaking journey through nature and adventure with is mesmerizing ebook, Natureis Adventure: **Diamond** . This immersive experience, available for download in a PDF format ( \*), transports you to the heart of natural marvels and thrilling escapades. Download now and let the adventure begin!

## Diamond Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing

and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Diamond free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Diamond free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can

find websites that offer free PDF downloads on a specific topic. While downloading Diamond free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Diamond. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Diamond any PDF files. With these platforms, the world of PDF downloads is just a click away.

## FAQs About Diamond Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.

Diamond is one of the best book in our library for free trial. We provide copy of Diamond in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Diamond. Where to download Diamond online for free? Are you looking for Diamond PDF? This is definitely going to save you time and cash in something you should think about.
