Sliced and Diced Joan De La Haye,2019-04-06 Brace yourself for chilling tales from the dark imagination of Joan De La Haye. This collection of horror shorts pulls you into nightmares where reality unravels. Hunt with a killer, his cold gaze fixed on his next trophy. Join vengeful prison ghosts on their annual reunion...of murder. Encounter a spectral bride trapped in a twisted afterlife and a black dog howling on the moors, luring the unwary to their deaths. New and celebrated stories await in this collection. Masterfully crafted, each tale will plunge you into worlds of dread, where the line between reality and nightmare blurs. Remember, the darkness lingers. Keep the lights on, for even after the final page, the shadows may whisper your name.

Diced Carrots Lina Lerede,2018-03-20 Once let out... there are some things that can never be put back! Mikeshe was new to the school. He was a shy, awkward kid. Most of his classmates thought he was weird. Corey was the first to pay attention to Mikeshe. He nicknamed Mikeshe Meerkat. Corey and his best mate Brayden both enjoyed teasing and tormenting people. They let Mikeshe hang around with them because he was always good for a laugh. Poor Mikeshe would soon find that following others can have explosive results. A very funny story about wanting to make friends and fit in... Oh... and spew... heaps and heaps of spew. Some spit too... but mostly spew!

Sliced and Diced 2 Joan De La Haye,2021-01-03 Step into a twisted realm where nightmares claw at the edges of reality. This second collection of 13

chilling tales throws you into a vortex of suspense. Each story explores the depths of human darkness and supernatural shadows, leaving you breathless and begging for more. The hunter becomes the prey in a deadly pursuit. A predator stalks a seasoned hunter, turning the tables in a deadly game of survival. Join the Devil's spin doctor. Can they outwit an angel and nab a killer, clearing the Devil's name in the process? Looking for property in Hell? But be warned, real estate in the underworld comes with a terrifying price tag. Masterful chills await. Joan De La Haye's gripping narratives will send shivers down your spine and keep you on the edge of your seat. These thrilling tales promise to haunt you long after the final page. Remember, the line between light and darkness is thin. Keep the lights on, for even once you escape these pages, the echoes of these dark tales may linger in the silence long after the final word.

Sliced and Diced 3 Joan De La Haye, 2023-01-05 Step into a chilling realm where darkness whispers, and nightmares bleed into reality. Dive into this third collection of 13 twisted tales, each a portal to hidden horrors. Each story rips the veil between worlds, revealing terrors hidden just beneath the surface. Beware the cursed charm. A coin promises fortune, but its price chills to the bone. Walk the veiled path. A child's innocent trust leads to a chilling encounter, and the true danger might not be what you seek but what seeks you. Witness a fracturing bond as a lost couple confronts not just their failing marriage but a chilling darkness that haunts their steps. Crave

forbidden knowledge? Tread carefully near the mysterious gateway, for the secrets it unlocks come at a blood-curdling cost. Joan De La Haye's masterful storytelling weaves a chilling tapestry of suspense, horror, and unease. Each gripping tale will consume your nights, blurring the lines between dreams and nightmares. Remember, darkness thrives in the shadows. Keep the lights on, for once you enter these depths, the monsters within these pages may become your chilling companions long after the final word. Enter at your own peril, for the monsters here may haunt you even after you escape.

I Diced With God Dorothy Davies, 2014-02-13 28th June, 1491 was a momentous day for England. Sadly England did not realise it at the time. I came kicking and squalling into this world, full of vigour, full of strength and hearty of lungs. God be witness to this, what was the first thing they did? Put me to the breast. Now I ask you... what chance did a man have of growing up to be indifferent to women when they did that! With these words his Majesty King Henry VIII, arguably the most powerful English king, strides onto the pages of this remarkable book. In conversation with the woman he believes to be the reincarnation of Katherine of Aragon, he recounts the real events surrounding his six wives; his regrets, his triumphs and his disasters. In coruscating detail he relives the moment he fell in love with his brother's wife and how all that befell him and his beloved England stemmed from that moment. By turns acerbic, witty, brutal and sensitive, Henry VIII stands revealed at last - but beware, he is not happy with how history has treated him!

Diced Sienna Lorenzini, 2016-03-30 'I click on the link and it takes me to Website, which has a list of terrible ways to die. I read them. Cut, sliced, quartered, stabbed, knifed, shredded, diced. I stop, and read the last word

again. Diced. I like the sound of that word. I read its definition - to be cut into small cubes. I'm not impressed with the definition. To me, diced sounds like a word that should mean tricked, double-crossed, wrong-footed.' 13 year-old Jessica learns overnight that the people you most trust are sometimes capable of 'dicing' you; and worse. Unexplained problems in her dad's company lead Jessica to loose her best friend, and to make a new one. Those same problems require her to grow-up faster than she'd planned, and to enter into an agreement to which she never actually agreed. Before long, Jessica is faced with a seemingly impossible choice that tests her resiliency, willpower and ultimately her sanity to their limit. This story is part coming-of-age, part thriller, part urban adventure. Appealing to a wide audience, but perhaps best suited to early teens, the clever word choice and vivid descriptions make for a rich read. The plot and characters are strong.
