📖 **INTELLIGENCE ANALYSIS** WAYNE MICHAEL HALL,GARY CITRENBAUM,2009-12-22 This book offers a vast conceptual and theoretical exploration of the ways intelligence analysis must change in order to succeed against today’s most dangerous combatants and most complex irregular theatres of conflict. Intelligence Analysis: How to Think in Complex Environments fills a void in the existing literature on contemporary warfare by examining the theoretical and conceptual foundations of effective modern intelligence analysis—the type of analysis needed to support military operations in modern, complex operational environments. This volume is an expert guide for rethinking intelligence analysis and understanding the true nature of the operational environment, adversaries, and most importantly, the populace. Intelligence Analysis proposes substantive improvements in the way the U.S. national security system interprets intelligence, drawing on the groundbreaking work of theorists ranging from Carl von Clausewitz and Sun Tzu to M. Mitchell Waldrop, General David Petraeus, Richards Heuer, Jr., Orson Scott Card, and others. The new ideas presented here will help the nation to amass a formidable, cumulative intelligence power, with distinct advantages over any and all adversaries of the future regardless of the level of war or type of operational environment.

📖 **MODELING AND BENCHMARKING SUPPLY CHAIN LEADERSHIP** JOSEPH L WALDEN,2009-06-24 What is motivational dysfunction? You have seen it, you may even have experienced it, and you have certainly felt the effects of this dysfunction in your workplace. Often undiagnosed, employees suffering from motivational dysfunction have lowered motivation caused by a lack of excitement for their job. This serious issue can cost companies billions of dollars per year in lost productivity. How can you combat this in your organization? Simply put, leadership is the cure. Focusing on the people aspect of supply chains, Modeling and Benchmarking Supply Chain Leadership: Setting the Conditions for Excellence provides the framework for leading people to achieve new levels of excellence. Applying his 30 years of supply chain experience and exemplary leadership, Joe Walden details the qualities considered benchmarks for measuring leadership success. He uses the LEADERSHIP© acronym to establish a framework. Each chapter examines a critical attribute, defining it and using examples of good and bad leadership from the military and a range of commercial industries. Just as the study of operations management used the House of Quality to describe how quality is designed into and built into a product; Walden looks at how the attributes of leadership form a House of Leadership. More than a few business leaders have insinuated that the supply chain is where future competitions will be —and winning those competitions will require leadership. While technical skills, automation of functions, and information systems are important, without the right people with the right training and skill set, supply chains will fail and motivational dysfunction will take hold. This book provides a model of leadership to motivate your team and empower them to make the decisions that set the conditions for supply chain victory.

📖 **BROKEN LENSES VOLUME 3** EMILY BERNATH,2023-09-19 As the third book in Emily Bernath’s Broken Lenses series, Broken Lenses Volume 3: Experiencing God’s Freedom in a World of Sin steps back to answer the questions, “Who is God? Do I want to get to know God? What do I get out of it?” Anyone can walk into a church and hear messages about the goodness and holiness of God, but what does that really mean? And how does God’s goodness impact everyday people? Broken Lenses Volume 3 aims to answer these questions head-on, with each chapter looking at a different characteristic of God’s nature, how God emulates that characteristic, and how having a God who holds those characteristics impacts every human being. It’s one thing to know that God is holy, sovereign, and merciful—it’s another to know how God chooses to exercise that holy, sovereign, and merciful nature. Everyone wants freedom from the shame and guilt of sin, but only God is qualified to provide that freedom. While many paint their own picture of God’s identity and intention, Broken Lenses Volume 3 aims to dispel conflicting information about the heart of God and teach readers about God’s true nature—and the true freedom available to all who seek a relationship with Him.

📖 **ASPIRE TO GROW** WUAN D. MILLER,2020-12-15 Are you struggling to live a mature Christian life? You don’t have to. All you need is a step in the right direction. Which step? Intentionality! Why intentionality? While spiritual growth should be the goal of daily Christian living, it is not automatic. Unless the believer is intentional, what one learns from reading the Bible will never manifest on its own. The Lord can inspire one to action, yet it is up to the believer to ASPIRE, or move toward, the call of the Lord. The greater the aspiration, the greater the spiritual growth. The question is, how does one get started? ASPIRE TO GROW is a deep dive into biblical disciplines that can transform any life into the one God has intended. In this work, WuAn D. Miller shows Christians how spiritual growth is possible through a modern treatment of nine, timeless biblical practices: • Connect to Draw • Consecrate to Align • Commit to Launch • Share to Grow • Serve to Receive • Sow to Send • Rest to Rejuvenate • Reflect to Reposition • Renew to Enrich Drawing from the model of Jesus, devotional scriptures, ideas for daily application, and questions to ponder, Miller unpacks the richness of these disciplines in the Word of God in a way that is relevant for today, while systematically condensing them into a simple 3-pillar model for living it out: • Worship • Witness • Withdraw Wherever you are in your study of the Word, ability to witness to others, or private devotion, ASPIRE can help one go to the next level. Anyone who wants to move from wherever they are right now to where God has intended them to be should read ASPIRE TO GROW.

📖 **PARALLAXIC PRAXIS: MULTIMODAL INTERDISCIPLINARY PEDAGOGICAL RESEARCH DESIGN** PAULINE SAMESHIMA,PATRICIA L. MAARHUIS,SEAN WIEBE,2019-04-30 Parallaxic Praxis is a research framework utilized by interdisciplinary teams to collect, interpret, transmediate, analyze, and mobilize data generatively. The methodology leverages the researchers’ personal strengths and the collective expertise of the team including the participants and community when possible. Benefits include the use of multi-perspective analyses, multi-modal investigations, informal and directed dialogic conversations, innovative knowledge creation, and models of residual and reparative research. Relying on difference, dialogue, and creativity propulsion processes; and drawing on post-qualitative, new materiality, multiliteracies, and combinatorial, even juxtaposing theoretical frames; this model offers extensive research possibilities across disciplines and content areas to mobilize knowledge to broad audiences. This book explains methods, theories, and perspectives, and provides examples for developing creative research design in order to innovate new understandings. This model is especially useful for interdisciplinary partnerships or cross-sector collaborations. This book specifically addresses issues of research design, methodology, knowledge generation, knowledge mobilization, and dissemination for academics, students, and community partners. Examples include possibilities for scholars interested in doing projects in social justice, community engagement, teacher education, Indigenous research, and health and wellness.

📖 **CENTURION LIVING** Dr. JUSTIN THOMPSON, 2012-11-07 Did you ever ask, What is the meaning of life? Find out what Scripture has to say about the answer to this question as you develop a strategic life plan that is centered on God’s purpose and vision for your life. Learn to see your entire life and all the everyday things that you do as divine assignments given to you by God himself. You may change your perspective on life and gain a whole new passion for living. “To begin this process we must understand our origin. Where do we come from? Why are we here? What is the meaning of life? What (or who) defines our purpose? These are the most fundamental questions for a business to answer before creating a business plan, and they are the most fundamental, foundational knowledge that an individual must acquire and define before any meaningful plan for life can be developed.” “The intent of this book is to be a guide to a stronger understanding of God’s purpose for you, and to apply this understanding to the defining of values and a vision for your life. In later chapters you will see how applying the foundation of purpose, values and vision through all of the missions in your life with a clear strategy that maintains focus on your original purpose, will help reveal God’s purpose for your life.” “When asked to define their purpose in life people often state that they were meant to be an engineer, or accountant, or doctor, or clergymen, or parent, or whatever. Someone may be called to one of these specific missions, but a mission in life is different from life’s purpose. ... A mission is a life role, or assignment... Purpose is a fundamental meaning, or reason for being...”

📖 **See You, and I Know!** SHEILA G. BULLOCK, 2015-07-30 What would you do if you knew someone was watching you twenty-four hours a day, seven days a week, 365 days a year? Be prepared for an exciting journey as you venture into Psalm 139. You will never read it the same after reading this book.

📖 **THEONOMY** J. MELVIN RAY, 2016-12-15 To see a Theonomy style in Church Management the 21st century church must take a step back to see our future. Over the years, people planted notions that people we are made to serve the church. We believe that we were fashioned for the survival of the church organization, but the opposite of this is true, the church organization is fashioned for the survival of its people. In our churches, we are realizing this truth as we begin looking for those in charge and the church to become more responsive to the mission of/for its community survival. When the church has fully lived up to its mission, then we will see an immersion into a changing of management style. This change is the returning to where we started; it is projecting us into our future a re-doing of what the first church did so well in God’s theonomy.

📖 **GUERRILLA MARKETING VOLUME 1** JAY CONRAD LEVINSON, JASON MYERS, MERRILEE KIMBLE, 2021-10-05 Guerrilla marketers are unique, and they know it and promote it. Therefore, Jason Myers and Merrilee Kimble had to ask themselves: “How can we make this book unique?” After all, Guerrilla Marketing, since the original Guerrilla Marketing book was introduced by Jay Conrad Levinson in 1984, has supported and empowered entrepreneurs, small and medium sized businesses, solopreneurs, and people with ideas that they think can be a business. Where does it all begin? That’s a simple answer: with a strong foundation of Guerrilla Marketing. Jason and Merrilee spend the first section reviewing the strong foundational elements of Guerrilla Marketing and spend the remaining sections of Guerrilla Marketing sharing today’s Guerrilla Marketing tactics, tools, and tips. These are the Guerrilla Marketing resources that every business needs to succeed and generate profits. They also offer a FREE companion course to help entrepreneurs continue to build their rock-solid Guerrilla Marketing foundation. In the companion course, Jason and Merrilee dive deeper with video tutorials, exercises, and the tools entrepreneurs need to build that crucial foundation from which their Guerrilla Marketing success will be born. Guerrilla Marketing also contains 70+ free online tools for small businesses. Jason and Merrilee are continuing Jay Conrad Levison’s unconventional system of marketing. By understanding not only what marketing is but why it works, they give small and medium sized businesses (SMBs) the opportunity to think and grow big. When the power of one’s SMB is understood and what they can do with Guerrilla Marketing, it not only levels the playing field with competition, but it also tilts the playing field to their advantage.

📖 **NAVIGATE YOUR FAITH** RON PRATT, 2019-03-05 What’s the point of being a Christian anymore? Many Christians today are feeling unfulfilled in their walk with God, and they have no idea it’s because of the little decisions they’re making each day that are leading them into lives of compromise. In Navigate Your Faith Ron Pratt uses a fictional American family to expose how the enemy lures believers into prioritizing their own pleasure, entertainment, or career goals over their relationship with Christ. This erodes their passion for Jesus and causes them to become spiritually bored and have powerless Christian lives. Rather than claiming that God will approve of Christians no matter what they do, as some modern ministers do, Navigate Your Faith challenges readers to take a hard look at their lives and see if they’re simply incorporating Jesus into their lifestyles or allowing Him to set them on a course of His choosing. With proven strategies to rebuild lost intimacy with God, this book will help Christians recognize the deceptive tactics of the enemy, break out of complacency, and make a greater impact on the world around them. This book will help you recognize and avoid the deception of today’s nominal Christian culture.
