International Directory of Serials Specialists Jean Whiffin,1995 Here is the first international directory in the field of serials librarianship. This helpful book contains a list of serials experts whose record of contribution to serials librarianship is recognized regionally, nationally, and internationally. International Directory of Serials Specialists is a practical reference that lists contact persons who can supply specialized information on the serials literature of the national imprint and/or serials bibliographic control, management, and conservation in their respective territories. A forum for the exchange of serials expertise, the book facilitates communication in all aspects of serials librarianship. This guide also includes directory information for administrators in over 60 national, regional, and international centers which comprise the network for assigning International Standard Serial Numbers (ISSNs). This information facilitates bibliographic control, identification, and ordering of serial publications. International Directory of Serials Specialists covers 144 experts in 46 countries. Specific information is included for each individual: name, current position, business address, area(s) of serials expertise, career, conferences organized, papers presented, publications, and research in progress. Arranged alphabetically by country, the book is indexed both by personal names and areas of expertise to facilitate usage. An introduction provides a detailed explanation of the entries. Individuals listed in International Directory of Serials Specialists can be called upon to act as consultants, educators, workshop leaders, committee members, and more. The book can save time and effort for: librarians looking for colleagues to help with questions requiring specialized information library associations seeking serials experts who can represent them internationally individuals responsible for conferences, workshops, etc., who need qualified teachers, leaders, or speakers publishers sending direct mailings to serials librarians serials agents locating serials experts throughout the world serial publishers assessing market opportunities in other countries These individuals, along with anyone needing a serials consultant in another country, will find International Directory of Serials Specialists a valuable, easy-to-use source of helpful information.

FAQs About Directory Books

What is a Directory PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Directory PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Directory PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Directory PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different

formats. **How do I password-protect a Directory PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
