Joanne P. Sharp

Politics against Domination Ian Shapiro,2016-04-04 Ian Shapiro makes a compelling case that the purpose of politics should be to combat domination, and he shows what this means in practice at home and abroad. This is a major work of applied political theory, a profound challenge to utopian visions, and a guide to fundamental problems of justice and distribution.

Explicitly Yours Jessica Hawkins,2015-07-16 “Pretty Woman meets Indecent Proposal in Explicitly Yours, a seductive series that’ll leave your heart racing.”—Louise Bay, USA Today Bestselling Author Lola Winters doesn’t think she can escape her life as a waitress—until she receives a shocking proposition from a handsome stranger. Wealthy businessman Beau Olivier is willing to do anything to have Lola for a night. His conditions are explicit: from sunset to sunrise, Lola must submit all of herself to him—body, mind, and soul. But what if Beau doesn’t want to say goodbye in the morning? A red-hot collection that includes four full-length books: Possession, Domination, Provocation, and Obsession.

Domination and the Arts of Resistance James C. Scott,2008-10-01 Play fool, to catch wise.--proverb of Jamaican slaves
Confrontations between the powerless and powerful are laden with deception--the powerless feign deference and the powerful subtly assert their mastery. Peasants, serfs, untouchables, slaves, laborers, and prisoners are not free to speak their minds in the presence of power. These subordinate groups instead create a secret discourse that represents a critique of power spoken behind the backs of the dominant. At the same time, the powerful also develop a private dialogue about practices and goals of their rule that cannot be openly avowed. In this book, renowned social scientist James C. Scott offers a penetrating discussion both of the public roles played by the powerful and powerless and the mocking, vengeful tone they display off stage--what he terms their public and hidden transcripts. Using examples from the literature, history, and politics of cultures around the world, Scott examines the many guises this interaction has taken throughout history and the tensions and contradictions it reflects. Scott describes the ideological resistance of subordinate groups--their gossip, folktales, songs, jokes, and theater--their use of anonymity and ambiguity. He also analyzes how ruling elites attempt to convey an impression of hegemony through such devices as parades, state ceremony, and rituals of subordination and apology. Finally, he identifies--with quotations that range from the recollections of American slaves to those of Russian citizens during the beginnings of Gorbachev's glasnost campaign--the political electricity generated among oppressed groups when, for the first time, the hidden transcript is spoken directly and publicly in the face of power. His landmark work will revise our understanding of subordination, resistance, hegemony, folk culture, and the ideas behind revolt.

Freedom and Domination Dankwart A. Rustow,Salvator Attanasio,2014-07-14 Presented here is a condensed translation of Alexander Rustow's three-volume Ortsbestimmung der Gegenwart. This monumental work was widely acclaimed by critics throughout Europe as a major contribution to both historical and sociological scholarship. Recognized as one of the foremost exponents of neoliberal thought, and thus as one of the intellectual authors of West Germany's economic miracle, Rustow--in his magnum opus--tried to determine what social patterns and trends of thought enhance the human condition and what other patterns and trends lead to repression and barbarism. Originally published in 1981. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Domination Michael Cecilione,1993 At Domination, New York's trendiest downtown club, reporter Kelly Mitchell becomes the prize in a ancient tug of war between two vampire masters--one of whom wants to enslave her soul, the other to destroy her body. Original.

Femininity and Domination Sandra Lee Bartky,2012-12-06 Bartky draws on the experience of daily life to unmask the many disguises by which intimations of inferiority are visited upon women. She critiques both the male bias of current theory and the debilitating dominion held by notions of proper femininity over women and their bodies in patriarchal culture.

Domination Basics Drawk Kwast,2010-12-13 This book shows a blatant disregard for social acceptability as it instructs readers toward one simple goal: total domination. It's egotistical, sexist, narcissistic, and completely practical. These are the secrets of the alpha male, and throughout the centuries, they have been the only real path to money, women, and power. If you've tried everything else, it may be time to use what actually works. Introduction In every generation there are two groups. There are the masses. For them, the world is chaotic and painful. They live most of their lives knowing something is wrong but not knowing how to fix it. Their battle cry is one of weak mediocrity. They are neither satisfied nor rested. Their biggest fear is that they will die nothing more than the sum of their failures and frustrations. There is another group. They are the elite, the Alphas. They understand the universe as an equation. They get it. They are free in all the ways that others are not because they are free of fear. Everything is in abundance for them. They have the friends you want. They have the jobs you want. They have the cars you want parked in front of the houses you wish you owned. They experience the life you want while surrounded by the women you want. All the things you dream about, they know how to get - easier, faster, and smarter than you can. At the end of every day, they sleep with ease, looking forward to the next day's adventures. Which group are you a member of? What if you had a choice? This book will give you that choice. Inside You Will Discover... Part 1: Social Basics Being the envy of those around you How you choose to see yourself and those around you dictates how you assign value. We are going to stack the deck in your favor by preventing you from sabotaging your own value and stopping you from over-inflating the value of those around you. With these skills, you can thrive in any social environment. Part 2: Business Basics Failure and other necessary ingredients for success This is your guide for maneuvering when things periodically and inevitably go wrong in the business world. Where most men become paralyzed, you will become stronger. This is the art of building today's success out of yesterday's failures. Part 3: Power Basics Understanding the source and nature of your power The source and nature of your power is no great secret, yet most men will never understand these concepts because they expect complex answers. By accepting the truths you didn't expect, and taking action on a plan that is deceptively simple, you will gain power far beyond what you thought possible.

The Domination Stirling,1999-05-31 In this tour de force of alternate history and military science fiction, Stirling imagines a world where only the United States stands between the Draka and their dream of an enslaved humanity.

Democracy Against Domination K. Sabeel Rahman,2017 In 2008, the collapse of the US financial system plunged the economy into the worst economic downturn since the Great Depression. In its aftermath, the financial crisis pushed to the forefront fundamental moral and institutional questions about how we govern the modern economy. What are the values that economic policy ought to prioritize? What institutions do we trust to govern complex economic dynamics? Much of popular and academic debate revolves around two competing approaches to these fundamental questions: laissez-faire defenses of self-correcting and welfare-enhancing markets on the one hand, and managerialist turns to the role of insulated, expert regulation in mitigating risks and promoting growth on the other. In Democracy Against Domination, K. Sabeel Rahman offers an alternative vision for how we should govern the modern economy in a democratic society. Drawing on a rich tradition of economic reform rooted in the thought and reform politics of early twentieth century progressives like John Dewey and Louis Brandeis, Rahman argues that the fundamental moral challenge of economic governance today is two-fold: first, to counteract the threats of economic domination whether in the form of corporate power or inequitable markets; and second, to do so by expanding the capacity of citizens themselves to exercise real political power in economic policymaking. This normative framework in turn suggests a very different way of understanding and addressing major economic governance issues of the post-crisis era, from the challenge of too-big-to-fail financial firms, to the dangers of regulatory capture and regulatory reform.

Domination Chase N Auburn,2023-06 Leigha, an auburn-haired beauty, finds her inner strength as she attempts to turn the tables on her dominant and assume the role of dominatrix, will her master allow such antics from his little submissive or will she bite off more than she can chew, by attempting to bring a strong man to his knees. Is her love for this man strong enough to bring him to her submission in total Domination to her desire?

Domination Jessica Hawkins,2016-11-16 After submitting to a millionaire for a night, Lola Winters' dreams are suddenly within grasp-until she discovers Beau Olivier's money doesn't go as far as she'd thought. As unexpected costs appear and her relationship is tested, Lola begins to question what she really wants. Lola knows she can solve her problems with one phone call, but she may risk going too far to have it all. Because she's not dealing with just anyone-Beau Olivier is a master. For Beau, there's no such thing as too far. There is only conquest. There is only victory. Beau already possessed Lola's mind, body, and soul for a night, but it wasn't enough. Like Lola, he wants more than he got. But the more they have...the more there is to lose.

The Mammoth Book of Erotic Romance and Domination Maxim Jakubowski,2014-07-08 With the publication of 50 Shades of Grey BDSM gained new popularity. This captivating collection of stories brings together outstanding and newly-commissioned material by some of the best authors in both the erotica and romance genres. They explore aspects of BDSM focusing on sex-positive and life-affirming scenarios that will arouse and seduce.

Gravity's Rainbow, Domination, and Freedom Luc Herman,Steven C. Weisenburger,2013 Herman and Weisenburger put the novel's abiding questions about freedom in context with sixties struggles against war, restricted speech rights, ethno-racial oppression, environmental degradation, and subtle new means of social and psychological control.

White Guys Fred Pfeil,1995 In this series of fascinating and provocative essays, Fred Pfeil exposes the contradictions and constituencies in the ongoing reconstruction of white heterosexual masculinity during the 1980s and 1990s.

Entanglements of Power Joanne P. Sharp,2000 The team of contributors explore themes of identity, embodiment, organisation, colonialism, and political transformation from historical, contemporary and more abstract perspectives within a wide geographical and cultural spectrum.

The Global Industrial Complex Steven Best,2011 The Global Industrial Complex: Systems of Domination is a groundbreaking collection of essays by a diverse set of leading scholars who examine the entangled and evolving global array of corporate-state structures of hegemonic power--what the editors refer to as the power complex--that was first analyzed by C. Wright Mills in his 1956 classic work, *The Power Elite*. In this new volume edited by Steven Best, Richard Kahn, Anthony J. Nocella II, and Peter McLaren, the power complex is conceived as co-constituted, interdependent and imbricated systems of domination. Spreading insidiously on a global level, the transnational institutional relationships of the power complex combine the logics of capitalist exploitation and profits and industrialist norms of efficiency, control, and mass production, While some have begun to analyze these institutional complexes as separate entities, this book is unique in analyzing them as overlapping, mutually-enforcing systems that operate globally and which will undoubtedly frame the macro-narrative of the 21st century (and perhaps beyond). The global industrial complex--a grand power complex of complexes--thus poses one of the most formidable challenges to the sustainability of planetary democracy, freedom and peace today. But there can be no serious talk of opposition to it until it is more popularly named and understood. The Global Industrial Complex aims to be a foundational contribution to this emerging educational and political project.

Domination and Subjugation in Everyday Life Lonnie Athens,2015-10-26 Reputable scholars have long charged that symbolic interactionism, which is based on the principle of "sociality, discounts the importance that subordination plays in human groups. Emphasizing dominance and power, Athens explains how subordination operates in human group life from a new interactionist's perspective, aptly dubbed by him, "radical interactionism. Expanding on the work of sociologist Robert E. Park, Athens explains the nature and operation of super-ordination and subordination, which he believes affects all social interaction between human beings and groups. He then develops a generic framework and a common terminology to help explain all forms of social conflicts. Athens argues that a radical interactionism disentangles the nature of domination, power and force, as well as the relationship among them, in a manner consistent with the basic premises of the Chicago school of pragmatism. This book offers a provocative and intelligent outline of the development and evolution of radical interactionism, a perspective interactionists can add to their toolbox with profit.

The Political Anatomy of Domination Béatrice Hibou,2017-03-22 Rereading Marx, Weber, Gramsci and, more recently, Foucault, Béatrice Hibou tackles one of the core questions of political and social theory: state domination. Combining comparative analyses of everyday life and economics, she highlights the arrangements, understandings and practices that make domination conceivable, bearable, even acceptable or reassuring. To carry out this demonstration, Hibou examines authoritarian situations—especially comparing the paradigmatic European cases of fascism, Nazism and Soviet socialism and those of contemporary China or North and Sub-Saharan Africa.

The Bonds of Love Jessica Benjamin,1988 ...In *The Bonds of Love*, noted feminist theorist and psychoanalyst Jessica Benjamin explains why we accept and perpetuate relationships of domination and submission. She reveals that domination is a complex psychological process which ensnares both parties in bonds of complicity, and shows how it underlies our family life, our social institutions, and especially our sexual relations, in spite of our conscious commitment to equality and freedom. - Back cover.

Domination Introduction

In the digital age, access to information has become easier than ever before. The ability to download Domination has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Domination has opened up a world of possibilities. Downloading Domination provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Domination has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Domination. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Domination. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but

also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Domination, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Domination has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
