

# Dozen

Carrie Finison

**A Dozen a Day Mini Book** Edna Mae Burnam,2005-07 (Willis). The Dozen a Day books are universally recognized as one of the most remarkable technique series on the market for all ages! Each book in this series contains short warm-up exercises to be played at the beginning of each practice session, providing excellent day-to-day training for the student.

*A Dozen a Day Book 1* Edna Mae Burnam,2005-10-01 (Willis). The Dozen a Day books are universally recognized as one of the most remarkable technique series on the market for all ages! Each book in this series contains short warm-up exercises to be played at the beginning of each practice session, providing excellent day-to-day training for the student.

**The Nerdy Dozen** Jeff Miller,2014-06-10 When Neil Andertol and a motley crew of video-gaming whizzes accidentally download top-secret training software and are recruited by the military to restore a botched aircraft mission, they're no longer playing for points—they're playing to save the world! Part action movie, part slapstick comedy, debut author Jeff Miller's *The Nerdy Dozen* is a madcap adventure for the middle grade set.

*Cheaper by the Dozen* Frank B. Gilbreth,Ernestine Gilbreth Carey,2013-11-05 The #1 New York Times–bestselling classic: A hilarious memoir of two parents, twelve kids, and “a life of cheerfully controlled chaos” (The New York Times). Translated into more than fifty languages, *Cheaper by the Dozen* is the unforgettable story of the Gilbreth clan as told by two of its members. In this endearing, amusing memoir, siblings Frank Jr. and Ernestine capture the hilarity and heart of growing up in an oversized family. Mother and Dad are world-renowned efficiency experts, helping factories fine-tune their assembly lines for maximum output at minimum cost. At home, the Gilbreths themselves have cranked out twelve kids, and Dad is out to prove that efficiency principles can apply to family as well as the workplace. The heartwarming and comic stories of the jumbo-size Gilbreth clan have delighted generations of readers, and will keep you and yours laughing for years. This ebook features an illustrated biography including rare photos from the authors’ estates.

*A Dozen a Day Book 3* Edna Mae Burnam,2005-07-01 (Willis). The Dozen a Day books are universally recognized as one of the most remarkable technique series on the market for all ages! Each book in this series contains short warm-up exercises to be played at the beginning of each practice session, providing excellent day-to-day training for the student.

*What's a Pair? What's a Dozen?* Stephen R. Swinburne,2000-02-01 The world is filled with numbers. From learning to count their fingers to learning to put on their shoes, children encounter mathematical concepts early in life. Steve Swinburne introduces children to number-related words in this bouncy, colorful photo-essay. From one to a dozen, lively photographs illustrated math words such as single, double, couple, and prefixes such as uni-, bi-, and tri-. The second half of the book is presented as a guessing game. Following *Lots and Lots of Zebra Stripes* and *Guess Whose Shadow?*, Steve Swinburne offers children another entertaining look at an all-important concept.

*The Dozen Dozens* Tom Green,2017-10-31 Once upon a time there was a man named Mr. Dozen. Mr. Dozen’s first name was Odd. Odd is an odd name, but Odd was his name. Odd Dozen had a wife. Mrs. Dozen’s first name was Even. Even is a different kind of name, but Even was her name....

A Doctor's Dozen Catherine Florio Pipas, MD, MPH, 2018-09-04 Burnout affects a third of our population and over half of our health professionals. For the second group, the impact is magnified, as consequences play out not only on a personal level, but also on a societal level and lead to medical errors, suboptimal care, low levels of patient satisfaction, and poor clinical outcomes. Achieving wellbeing requires strategies for change. In this book, Dr. Pipas shares twelve lessons and strategies for improved health that she has learned from patients, students, and colleagues over her twenty years working as a family physician. Each lesson is based on observation and research, and begins with a story of an exemplary patient whose challenges and successes reflect the theme of the lesson. Along with the lessons, the author offers plans for action, which taken together create the framework for a healthy life. Each lesson concludes with resources and a health challenge.

**Dozens of Doughnuts** Carrie Finison, 2020-07-21 A generous but increasingly put-upon bear makes batch after batch of doughnuts for her woodland friends without saving any for herself in this delightful debut picture book about counting, sharing, and being a good friend. LouAnn (a bear) is making a doughnut feast in preparation for her long winter's nap. But just before she takes the first bite, DING DONG! Her friend Woodrow (a woodchuck) drops by. LouAnn is happy to share her doughnuts, but as soon as she and Woodrow sit down to eat, DING DING! Clyde (a raccoon) is at the door. One by one, LouAnn's friends come over--Topsy (an opossum) and then Moufette (a skunk) and then Chip and Chomp (chipmunks)--until it's one big party. LouAnn welcomes her surprise guests and makes batch after batch of doughnuts, always dividing them equally among her friends. But she makes one BIG miscalculation. Soon LouAnn's kitchen is bare, winter is near, and she's had nothing to eat at all!

A Dozen Dozens Harriet Ziefert, 2007 The concepts of half dozen and dozen are taught by counting items such as pigs, goldfish, socks, and feet.

*Bulldozer Helps Out* Candace Fleming, 2017-05-16 A very little bulldozer learns that taking care of kittens is a very big job in this darling follow-up to *Bulldozer's Big Day* from award-winning author Candace Fleming and Caldecott Medalist Eric Rohmann. The construction site bustled. Cement Truck was stirring...stirring...stirring. Digger Truck was scooping...scooping...scooping. Crane Truck was lifting...lifting...lifting. And Bulldozer was--watching...watching...watching. Little Bulldozer wants to help, but all the bigger trucks say he is too small. So when Crane Truck says he can clear a bit of debris out of the way, Little Bulldozer is eager for the job. He can do it, yes he can. What he doesn't expect is to find a family of newborn kittens living in the pile of debris! Can he take care of babies? Now that's a tough job. A job that happens to be just the right size for Little Bulldozer.

*Baker's Dozen* Heather Forest, 2017-12-13 Read Along or Enhanced eBook: The baker, Van Amsterdam becomes known in Colonial America for baking his St. Nicholas cookies but his greed drives him to become stingy in his business. When an old woman buys a dozen cookies from him and expects to receive 13, he withholds the last one. Unfortunately, his business goes downhill until the day she returns for 12 more cookies. But this time he gives her an extra measure and the custom of offering a baker's dozen or 13 items spreads throughout the colonies.

**Cheaper by the Dozen**, 2005

**New York in a Dozen Dishes** Robert Sietsema,2015 In thirteen essays (a baker's dozen) covering distinctive dishes from a cross-section of New York City's cultural makeup, veteran food journalist Robert Sietsema explores how foods from around the world arrived, commingled, and became part of the city's culinary identity. Sietsema writes from personal experience as a restaurant critic eating in thousands of restaurants across five boroughs (and New Jersey) over the span of multiple decades; each chapter ends with a recipe.

**The Dirty Dozen** Robert A. Levy,William Mellor,2009-08-01 Alexander Hamilton wrote that "the judiciary, from the nature of its functions, will always be the least dangerous to the political rights of the Constitution." If only that were true. The Founding Fathers wanted the judicial branch to serve as a check on the power of the legislative and executive, and gave the Supreme Court the responsibility of interpreting the Constitution in a way that would safeguard individual freedoms. In some cases, like *Brown V. Board of Education* and *United States V. Lopez*, the Court fulfilled its role, protecting us from racial discrimination and the heavy hand of the federal government. But sadly, the Supreme Court has also handed down many destructive decisions on cases you probably never learned about in school. In *The Dirty Dozen*, two distinguished legal scholars shed light on the twelve worst cases, which allowed government to interfere in your private contractual agreements; curtail your rights to criticize or support political candidates; arrest and imprison you indefinitely, without filing charges; and seize your private property, without compensation, when someone uses the property for criminal activity—even if you don't know about it! This is not a book just for lawyers. It's for all Americans who want to understand how the Supreme Court can affect our right to life, liberty, and the pursuit of happiness. This paperback edition includes a new preface, "Guns, Bailouts, and Empathetic Judges," which highlights new and critical issues that have arisen since the book's initial edition was published in 2008.

**New York Dozen** Michael J. Crosbie,The Images Publishing Group,2011 Features New York's most celebrated architects

**Denise's Daily Dozen** Denise Austin,2010-01-05 From Denise Austin comes the perfect health book for anyone who wants to live better but just can't seem to find the time. Much more than just another exercise book, *Denise's Daily Dozen* covers a whole range of health and diet related concepts yet manages it all in a no-stress, time-conscious program of 12's. At its core, this book contains the minimum daily requirements to keep the reader flexible, strong and trim. Organized simply into seven chapters, which equal the seven days of the week, it covers a full week in daily allotments. Each day will have its own focus from Monday being fat burning day to Sunday's recharge and rejuvenate. Denise has created a total body program, including a 7-day balanced meal plan that includes healthy recipes, and a workout that encompasses 12 exercises done in 12 minutes each day. Everyone can take just 12 minutes, at whatever time of the day works for them, and turn it over to these simple and fun exercises. Cardio, toning, yoga and breathing exercises...they're all here but in a way that maximizes effect while minimizing time. Beyond a dozen exercises for each day of the week this book will include many other of Denise's dozens for each day.

**Deadly Dozen** Robert K. DeArment,2015-01-06 Wyatt Earp, Billy the Kid, Doc Holliday—such are the legendary names that spring to mind when we think of

the western gunfighter. But in the American West of the late nineteenth and early twentieth centuries, thousands of grassroots gunfighters straddled both sides of the law without hesitation. Deadly Dozen tells the story of twelve infamous gunfighters, feared in their own times but almost forgotten today. Now, noted historian Robert K. DeArment has compiled the stories of these obscure men. DeArment, a life-long student of law and lawlessness in the West, has combed court records, frontier newspapers, and other references to craft twelve complete biographical portraits. The combined stories of Deadly Dozen offer an intensive look into the lives of imposing figures who in their own ways shaped the legendary Old West. More than a collective biography of dangerous gunfighters, Deadly Dozen also functions as a social history of the gunfighter culture of the post-Civil War frontier West. As Walter Noble Burns did for Billy the Kid in 1926 and Stuart N. Lake for Wyatt Earp in 1931, DeArment—himself a talented writer—brings these figures from the Old West to life. John Bull, Pat Desmond, Mart Duggan, Milt Yarberry, Dan Tucker, George Goodell, Bill Standifer, Charley Perry, Barney Riggs, Dan Bogan, Dave Kemp, and Jeff Kidder are the twelve dangerous men that Robert K. DeArment studies in Deadly Dozen: Twelve Forgotten Gunfighters of the Old West.

**The Dozen Dozens** Tom Green, 2017-10-31 Once upon a time there was a man named Mr. Dozen. Mr. Dozen's first name was Odd. Odd is an odd name, but Odd was his name. Odd Dozen had a wife. Mrs. Dozen's first name was Even. Even is a different kind of name, but Even was her name....

Killer's Dozen Richard A. Lupoff, 2010-03-01 From the Introduction by Ed Gorman: If there's one thing Dick Lupoff understands (with perverse glee) it's the sorry state of the human condition. In this collection you'll find a wide variety of humans whose conditions leave much to be desired. A pit bull owner who's just as nasty as his dog A thief who believes his father-in-law was a real Nazi A dead-end boxer who has come back in a boxing movie A detective named Caligula Foxx who might be Nero Wolfe in drag A crooked corporal whose payoff is death Not only are the storylines original, the writing is indelibly stamped with Dick's vision and voice. Dick's writing talents really can't be defined by the usual means. Yes, he writes science fiction. Yes, he writes fantasy. Yes, he writes mystery. But what he really writes are Lupoffs. Long, short, hilarious, whimsical, dark, mysterious—they're all Lupoffs. Richard A. Lupoff is the author of many books including the popular Lindsey-and-Plum mysteries. The next of these, The Emerald Cat Killer, will be published by St. Martin's Press in October, 2010. His most recent collection of mysteries is Quintet: The Cases of Chase and Delacroix, published by Crippen & Landru.

The Enigmatic Realm of **Dozen**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Dozen** a literary masterpiece penned with a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact

on the hearts and minds of people who partake in its reading experience.
