When the Beat Drops Anna Hecker, 2018-05-15 It's time to face the music. Seventeen-year-old Mira has always danced to her own beat. A music prodigy in a family of athletes, she'd rather play trumpet than play ball—and with her audition to a prestigious jazz conservatory just around the corner (and her two best friends at music camp without her), she plans to spend the summer focused on jazz and nothing else. She only goes to the warehouse party in a last-ditch effort to bond with her older sister. Instead, she falls in love with dance music, DJing... and Derek, a gorgeous promoter who thinks he can make her a star. Suddenly, trumpet practice and old friendships are taking a back seat to packed dance floors and sun-soaked music festivals, outsized personalities and endless beats. But when a devastating tragedy plunges her golden summer into darkness, Mira discovers just how little she knows about her new boyfriend, her old friends, and even her own sister. Music brought them together. Will it also tear them apart?

**God Drops In** Dale L. Bates, 2014-11-07 *God Drops In: Enjoying the Presence of God* gathers together a collection of poems that serves as a guide for individuals seeking to come to know God more intimately. Dale L. Bates, resting upon the experiences and insights gained over a life that spans almost eighty years, including fifty-five years of marriage, offers the lessons he has learned through his varied vocations and his pursuit of spiritual learning. A prologue sketches out the character of the poet's search. In particular, its discussion of the writings of Brother Lawrence on the presence of God provides background and context for the collection's poetry. The collection then speaks to a variety of topics, including love, fear, forgiveness, respect, aging, death, hope, and God. One poem, typifying the collection's mix of everyday details and spiritual insight, observes, "Hope stands in the middle of chaos and directs / the traffic toward peace and order." If you find your life calling you to seek out the times and places where God may touch you, then *God Drops In*, with its unpretentious

approach to seeking the presence of God in Christ amid the details of daily life, will serve as your guide.

Drop Effect Milan Dimitrijevic,2011 It's hard to find those who would devote their time for you, who would be honest and who would advise you from the bottom of the heart. It's hard to find those who speak and write openly about their life, their feelings, their success and their failures, their ups and downs. Drop Effect is the book that creates a new dimension in perceiving the ways of predicting and managing the changes. Undoubtedly, it's a piece of work from a man far ahead of his time, while the content and the book message are timeless, universal.
