Unleashing Dunamis Dr. Lydia L. Chou, 2021-02-19 Wise singles will shine and lead many to righteousness like the stars forever and ever (Daniel 12:3). God loves each single adult, seeing them as precious, worthy, and complete in Christ. He always has their best interests in mind and holds their earthly and heavenly security within his hands. All single adults, including those never married, divorced, and widowed, will reap satisfaction in life when they unleash their dunamis as God intends, such as when they trust in God, the Lord becomes their everlasting strength (Isaiah 26:4). The blessed assurance of eternally good life is theirs to embrace. God is faithful and true (Revelation 19:11). Nowhere in life is there anything that reaches higher and achieves more than the love and wisdom of Christ. As church leaders reach their potential for God, they can transfer their knowledge and experience to singles so that they can attain the life they were made to live. It will be a privilege and an honor to provide what singles need for unleashing their dunamis. May God bless the church and all wise singles.

Walking in Dunamis Tashi L. Robinson, 2014-02 As born again believers, we should see the manifestation of greater works in our lives and working through our lives. We are the image of Christ and His work should be made evident in us. This book will help you increase in your life spiritually as well as your natural life. 3John 1-2 Beloved, I wish above all things that you mayest prosper and be in health, even as your soul prosper.

Dunamis Franklin Andreen, 2017-12-31 Jesus promised His disciples that they would receive power (dunamis) after the Holy Spirit had come upon them. On the day of Pentecost the Spirit came, and ever since, believers have been filled with His power. It's just that many of them don't know it, so they don't utilize it. In this book we look at what the Bible says about dunamis (the Greek word for power, found in the New Testament 120 times!) and the impact it can make upon your life. You'll be surprised to see how many familiar passages use this word. As you see for yourself what God tells you about this mighty power in you, a new faith and vigor will rise up inside. May the readings in this book be anointed to take you to your next level of spiritual victory!

DUNAMIS! Power from on High! Steven Lambert, 2014-03-17 Millions of believers around the world at this very moment are earnestly, and in some cases, desperately, crying out for God's help in real overwhelming needs in their life, on the premise that it is divine intervention they need to bring answers and resolution to those problems. But, Jesus said, The Kingdom of God is WITHIN you!—which means the authority and power of the Kingdom of God is within every believer who has been regenerated, i.e., Born Again, by the infusion of the Holy Spirit in their human spirit! Jesus Himself testified to the early disciples and every other disciple of every age, You shall receive POWER after that the Holy Ghost has come upon you to be my witnesses! (Ac. 1:8). The ONLY WAY to be effective witnesses of the resurrected Christ is through the power believers receive through the BAPTISM IN THE HOLY SPIRIT AND FIRE! Jesus was the Heavenly PROTOTYPE of the SONS OF GOD! And as the Heavenly Model He received the power He needed to perform the works of power, miracles, signs and wonders He performed throughout His personal earthly ministry when He Himself was baptized in the Holy Spirit. In so doing, Jesus, set the precedent for every other Son of God (believer) to likewise receive the power He operated in through the BAPTISM IN THE HOLY SPIRIT AND FIRE to fulfill His Word that the works that He did and even greater works shall believers do! Within every Spirit-baptized believer is the same AUTHORITY and POWER that raised Christ from the dead and that Jesus Himself operated in to heal the sick, halt, paralyzed; open blind eyes and deaf ears; cleanse lepers; cast out demons; raise the dead, feed the 5,000 and 3,000; and walk

Dunamis Sonia Huh, 2016-04-12 What have we become with our free-will? What have we done with our free-will? Let's have an open, respectful conversation about this God that we have tossed out of our lives, schools and society in general. We want to make sure that our decision about believing in and not believing in God is an individual one, not one influenced by others, the crowd, the trends we follow, or out of fear. When we say that He does not

exist, that He is not real, that we should take Him out of the equation, destroy everything that has His name on it, especially the name of Jesus, we want to make sure that we are on the right track. We want to make sure that when we say worshipping other deities, practicing Satanism, creating cults are the best for our free-will, and that keeping Jesus and the Holy Spirit out are truly the right decision to make. So, let's get thinking together, let's talk about this. The divide between good and evil has become stronger and more permanent. We have to know where we stand, what we stand for and why. Pain, anger, depression, rape, murder, self-idolatry, self-aggrandizement, stigma, prejudice, trauma, hate, to name a few, are prevalent in our societies. Our pain and fears lead us to do the unthinkable. We dive into things, actions and activities we cannot even begin to comprehend. We conjure up things we cannot handle. What are we becoming? We appear to chase evil, to chase things that will harm us and harm others. I believe that we need power beyond, and power far greater than our humanity to survive and withstand the evil that is sucking the love, joy, peace and kindness out of us. Evil is getting stronger, bolder and more ruthless, and it is using us, humanity against humanity, to destroy each other. Dunamis declares a power that can and will conquer this evil. We can choose to ignore this declaration, or we can embrace it, the choice is always ours to make. Remember, a day of reckoning will come; death will come, where will you be found, how will you be found and what will you be found doing? Exuding divinity or evil? Dunamis declares that there is untapped, uncommon power within us, and this power is readily available to us, but does not and will not force itself on us. The choice is, and will always be, ours. My appeal to us, for our own individual sakes, is that whatever we decide to do with our free-will, let it take us down the right path, not the popular path, but the path that leads to life.

Dunamis Kara Atkins, 2018-02-25 (*Please Note: This book is ADULT Urban Fantasy. It contains Sex, Violence, and Language...sometimes simultaneously. Please be advised: *Dunamis* contains graphic mature content that may be emotionally disturbing to some if you're not used to this type of writing.) In the aftermath of WW4, while struggling to survive in this new demolished world, Airabella is traveling alone when forcefully introduced to the grim underbelly of a corrupt and sinister plan to rebuild our civilization. The array of supernatural abilities being used, along with those men who harbor their powers, have her fighting no longer just for her own life, but for the lives of those she loves...and for the future of the entire human race. An unfolding enlightened discovery of love, courage, and power take her on a journey of body and mind, transcending her to a new world, and a new self that lay previously hidden to our species...until now. The world *Dunamis* introduces is filled with preternatural humans, who are brought to light in our own reality within a constructed understanding of quantum physics; their

magic explained away by our advancement of science and consciousness. Dunamis means 'inherent power', the word has historically been used within the christian church to describe the power of God, but what if we could discover Dunamis within us? What powers can be unlocked from our own minds? Have witches already known this secret for centuries? If metaphysical magical realism is your thing, this novel will suck you right in.
