

Duty®

DUTY.

Duty Robert M. Gates,2014-01-14 From the former secretary of defense, a strikingly candid, vivid account of serving Presidents George W. Bush and Barack Obama during the wars in Iraq and Afghanistan. When Robert M. Gates received a call from the White House, he thought he'd long left Washington politics behind: After working for six presidents in both the CIA and the National Security Council, he was happily serving as president of Texas A&M University. But when he was asked to help a nation mired in two wars and to aid the troops doing the fighting, he answered what he felt was the call of duty.

Duty Bob Greene,2009-03-17 When Bob Greene went home to central Ohio to be with his dying father, it set off a chain of events that led him to knowing his dad in a way he never had before—thanks to a quiet man who lived just a few miles away, a man who had changed the history of the world. Greene's father—a soldier with an infantry division in World War II—often spoke of seeing the man around town. All but anonymous even in his own city, carefully maintaining his privacy, this man, Greene's father would point out to him, had won the war. He was Paul Tibbets. At the age of twenty-nine, at the request of his country, Tibbets assembled a secret team of 1,800 American soldiers to carry out the single most violent act in the history of mankind. In 1945 Tibbets piloted a plane—which he called Enola Gay, after his mother—to the Japanese city of Hiroshima, where he dropped the atomic bomb. On the morning after the last meal he ever ate with his father, Greene went to meet Tibbets. What developed was an unlikely friendship that allowed Greene to discover things about his father, and his father's generation of soldiers, that he never fully understood before. *Duty* is the story of three lives connected by history, proximity, and blood; indeed, it is many stories, intimate and achingly personal as well as deeply historic. In one soldier's memory of a mission that transformed the world—and in a son's last attempt to grasp his father's ingrained sense of honor and duty—lies a powerful tribute to the ordinary heroes of an extraordinary time in American life. What Greene came away with is found history and found poetry—a profoundly moving work that offers a vividly new perspective on responsibility, empathy, and love. It is an exploration of and response to the concept of duty as it once was and always should be: quiet and from the heart. On every page you can hear the whisper of a generation and its children bidding each other farewell.

Academic Duty Donald Kennedy,1997 Aware of the numerous pressures that academics face, from the pursuit of open inquiry in the midst of culture wars, to confusion and controversy over the ownership of ideas, to the scramble for declining research funds and facilities, he explores the whys and wherefores of academic misconduct, be it scholarly, financial, or personal.

Law and Judicial Duty Philip HAMBURGER,2009-06-30 Philip Hamburger's *Law and Judicial Duty* traces the early history of what is today called judicial review. The book sheds new light on a host of misunderstood problems, including intent, the status of foreign and international law, the cases and controversies requirement, and the authority of judicial precedent. The book is essential reading for anyone concerned about the proper role of the judiciary.

Hazardous Duty David H. Hackworth,1997-09-01 The author of the phenomenal New York Times bestseller *About Face*, Colonel David H. Hackworth is one of America's most decorated soldiers, having served at the end of World War II, and in Korea and Vietnam. Retired from the military since 1971, he has completed second tour of battlefield duty -- this time as a war correspondent -- accompanying our nation's fighting men and women to the Persian Gulf, Bosnia, Somalia, Korea and Haiti. What he learned of high-level military incompetence, futility and corruption in the heat and fury of Desert Storm -- and in the desperation of the Balkans and Mogadishu -- is shocking, frightening and infuriating...and it must be told. *Hazardous Duty* is a necessary wake-up call for military reform -- a no-holds-barred, no-punches-pulled exposé that calls America's top political and military leaders to account for selling out duty, honor and country. It is riveting, real-life adventure of courageous warriors on the world's new battlefields -- and of their systematic betrayal by the weakness of an increasingly wasteful and inept high command. It offers essential solutions to problems that must be addressed if our nation is to remain the foremost military power in a volatile and ever-changing world.

Dereliction of Duty H. R. McMaster,2011-03-01 The war in Vietnam was not lost in the field, nor was it lost on the front pages of the New York Times or the college campuses. It was lost in Washington, D.C. —H. R. McMaster (from the Conclusion) *Dereliction Of Duty* is a stunning analysis of how and why the United States became involved in an all-out and disastrous war in Southeast Asia. Fully and convincingly researched, based on transcripts and personal accounts of crucial meetings, confrontations and decisions, it is the only book that fully re-creates what happened and why. McMaster pinpoints the policies and decisions that got the United States into the morass and reveals who made these decisions and the motives behind them, disproving the published theories of other historians and excuses of the participants. A page-turning narrative, *Dereliction Of Duty* focuses on a fascinating cast of characters: President Lyndon Johnson, Robert McNamara, General Maxwell Taylor, McGeorge Bundy and other top aides who deliberately deceived the Joint Chiefs of Staff, the U.S. Congress and the American public. McMaster's only book, *Dereliction of Duty* is an explosive and authoritative new look at the controversy concerning the United States involvement in Vietnam.

Defining Duty in the Civil War J. Matthew Gallman,2015-05-25 The Civil War thrust Americans onto unfamiliar terrain, as two competing societies mobilized for four years of bloody conflict. Concerned Northerners turned to the print media for guidance on how to be good citizens in a war that hit close to home but was fought hundreds of miles away. They read novels, short stories, poems, songs, editorials, and newspaper stories. They laughed at cartoons and satirical essays. Their spirits were stirred in response to recruiting broadsides and patriotic envelopes. This massive cultural outpouring offered a path for ordinary Americans casting around for direction. Examining the breadth of Northern popular culture, J. Matthew Gallman offers a dramatic reconsideration of how the Union's civilians understood the meaning of duty and citizenship in wartime. Although a huge percentage of military-aged men served in the Union army, a larger group chose to stay home, even while they supported the war. This pathbreaking study investigates how men and women, both white and black, understood their roles in the People's Conflict. Wartime culture created humorous and angry stereotypes ridiculing the nation's cowards, crooks, and fools, while wrestling with the challenges faced by ordinary Americans. Gallman shows how thousands of authors, artists, and readers together created a new set of rules for navigating life in a nation at war.

Special Duty Richard J. Samuels,2019-10-15 The prewar history of the Japanese intelligence community demonstrates how having power over much, but insight into little can have devastating consequences. Its postwar history—one of limited Japanese power despite growing insight—has also been problematic for national security. In *Special Duty* Richard J. Samuels dissects the fascinating history of the intelligence community in Japan. Looking at the impact of shifts in the strategic environment, technological change, and past failures, he probes the reasons why Japan has endured such a roller-coaster ride when it comes to intelligence gathering and analysis, and concludes that the ups and downs of the past century—combined with growing uncertainties in the regional security environment—have convinced Japanese leaders of the critical importance of striking balance between power and insight. Using examples of excessive hubris and debilitating bureaucratic competition before the Asia-Pacific War, the unavoidable dependence on US assets and popular sensitivity to security issues after World War II, and the tardy adoption of image-processing and cyber technologies, Samuels' bold book highlights the century-long history of Japan's struggles to develop a fully functioning and effective intelligence capability, and makes clear that Japanese leaders have begun to reinvent their nation's intelligence community.

Manual of Interior Guard Duty. U. S. Army. 1914 United States. War Department. General Staff,United States. War Department,1914

Highest Duty Chesley B. Sullenberger,Jeffrey Zaslow,2009-09-25 Now a major motion picture from Clint Eastwood, starring Tom Hanks—the inspirational autobiography by one of the most captivating American heroes of our time, Capt. ‘Sully’ Sullenberger—the pilot who miraculously landed a crippled US Airways Flight 1549 in New York’s Hudson River, saving the lives of all 155 passengers and crew. On January 15, 2009, the world witnessed a remarkable emergency landing when Captain Sully Sullenberger skillfully glided US Airways Flight 1549 onto the Hudson River, saving the lives of all 155 passengers and crew. His cool actions not only averted tragedy but made him a hero and an inspiration worldwide. His story is now a major motion picture from director / producer Clint Eastwood and stars Tom Hanks, Laura Linney and Aaron Eckhart. Sully's story is one of dedication, hope, and preparedness, revealing the important lessons he learned through his life, in his military service, and in his work as an airline pilot. It reminds us all that, even in these days of conflict, tragedy and uncertainty, there are values still worth fighting for—that life's challenges can be met if we're ready for them.

Love and Duty Ben Purcell,1992

The People's Duty Shmuel Nili,2019-06-13 Nili develops a novel conception of 'the people', both as an agent with its own moral integrity, and as an owner of public property. Exploring problems central to present-day politics, this non-technical book will appeal to political theorists, but also to readers in public policy, area studies, law, and across the social sciences.

Duty to Respond Nenad Dimitrijevi?,2011-01-01 The subject of the book is responsibility for collective crime. Collective crime is an act committed by a significant number of the members of a group, in the name of all members of that group, with the support of the majority of group members, and against individuals targeted on the basis of their belonging to a different group. The central claim is that all members of the group in whose name collective crime is committed share responsibility for it. This book's special interest is with analytical and normative defense of arguments that purport to explain reasons for, and the character of, responsibility of decent people. Those who did not intend, support, or committed wrong, are still accountable in a non-vicarious manner. The basis of their responsibility is the crime-specific relationship between group identity and personal identity.

A Captain's Duty Richard Phillips,Stephan Talty,2010-04-06 I share the country's admiration for the bravery of Captain Phillips and his selfless concern for his crew. His courage is a model for all Americans. --President Barack Obama It was just another day on the job for fifty-three-year-old Richard Phillips, captain of the Maersk Alabama, the United States-flagged cargo ship which was carrying, among other things, food and agricultural materials for the World Food Program. That all changed when armed Somali pirates boarded the ship. The pirates didn't expect the crew to fight back, nor did they expect Captain Phillips to offer himself as hostage in exchange for the safety of his crew. Thus began the tense five-day stand-off, which ended in a daring high-seas rescue when U.S. Navy SEALs opened fire and picked off three of the captors. It never ends like this, Captain Phillips said. And he's right. A Captain's Duty tells the life-and-death drama of the Vermont native who was held captive on a tiny lifeboat off Somalia's anarchic, gun-plagued shores. A story of adventure and courage, it provides the intimate details of this high-seas hostage-taking--the unbearable heat, the death threats, the mock executions, and the escape attempt. When the pirates boarded his ship, Captain Phillips put his experience into action, doing everything he could to safeguard his crew. And when he was held captive by the pirates, he marshaled all his resources to ensure his own survival, withstanding intense physical hardship and an escalating battle of wills with the pirates. This was it: the moment where training meets instinct and where character is everything. Richard Phillips was ready.

Lifeguard on Duty ,2009 A stylish and sexy celebration of the bronzed Adonises who patrol the beach. Matt Albani built his reputation shooting celebrity portraits and fashion spreads for the likes of Elle and Vanity Fair. For his first book, however, he trained his lens on a different class of beautiful people, one more rugged, less glamorous and yet unassailably iconic: the American lifeguard. Albani's searing hot images are perfectly displayed under the direction of Sam Shahid, the art director for some of powerHouse Books' most lavish titles.

The Whole Duty of Man, Etc DUTY.,1687

Duty Calls James Haddock,2020-01-11 Duty Calls continues the story of Nic, Mal, Jazz and Jade as they fight to hold what belongs to them. The Corporations are becoming more aggressive in their effort to steal their inventions. Our four friends are matching the corporate's aggression blow for blow. The fight has already turned deadly, and the Corporation has shown they aren't afraid to spill blood. Nic has shown restraint, but the gloves are about to come off. They've gone after his family and that's the one thing he will not tolerate.

Civic Duty Alan Paradise,2000 - Suspension modifications for street, strip, or track--springs, shocks, bushings, anti-roll bars, strut tower bars, wheels and tires- Bolt-on performance--air induction systems, cam timing and overdrive pulleys, headers, exhaust systems, ignition, and ECU technology- Hard core engine modification--complete engine swap information that tells you which are the best and easiest swaps and which are the ones to avoid, pistons, head work, cams, engine building tricks, supercharging vs. turbocharging, and nitrous- Getting the power to the pavement--clutches and flywheels, differential, and shifters- Braking--pads, rotors, and discs all around- Exterior interior styling - exterior styling components (including rear deck wings) and a chapter on exterior graphics- Interior design--seats, door panels, gauges, and cages- Performance driving--road racing and autocross, drag racing, and driving schools- Finding and starting a Honda club- The history of the Civic with photos of the various models

Paths of Duty Patricia Grimshaw,2019-03-31 Twenty-three-year-old Laura Fish Judd left rural Massachusetts in 1827 for the Hawaiian islands, one of eighty young American women who enlisted in the effort to Christianize the islands between 1819 and 1850. Only a month before, after receiving a marriage proposal from a young physician in need of a wife to qualify for mission service, she had written in her diary: 'The die is cast.' I have in the strength of the Lord, consented Rebecca-like--I WILL GO, yes, I will leave friends, native land, everything for Jesus. Laura Judd and other ambitious young women consented to hasty marriages with virtual strangers to achieve their goal of carrying Christ's message to the heathen. As Patricia Grimshaw's compelling study makes clear, these women were driven by a desire for important, independent life-work that went well beyond their expected roles as dutiful wives. The ambitions, hopes, and fears of those eighty pioneer women make a poignant and fascinating story. But Paths of Duty does more than recount the experiences of a group of individuals. Grimshaw shows how the mission women reflected the larger society of which they were part, and through their story shed new light on the role of American Protestant mission in Hawaii. Although the women's public role in mission work was limited, they were highly influential in their daily and seemingly mundane interactions with Hawaiian women. The American women's ethnocentricity made them quite incapable of appreciating Hawaiian culture on its own terms, but their notions of proper femininity and female behavior were effectively transmitted to Hawaiian girls and women. Paths of Duty provides a deeper understanding of this neglected process of acculturation in the islands and its eventual implications for Hawaii's entry into the American sphere of influence.

Facts and Considerations Relative to Duties on Books Charles Coffin Jewett,1846

This is likewise one of the factors by obtaining the soft documents of this **Duty®** by online. You might not require more grow old to spend to go to the books establishment as well as search for them. In some cases, you likewise get not discover the statement Duty® that you are looking for. It will categorically squander the time.

However below, behind you visit this web page, it will be so unconditionally easy to get as capably as download lead Duty®

It will not undertake many period as we tell before. You can realize it even though take effect something else at home and even in your workplace. appropriately easy! So, are you question? Duty® Introduction

In the digital age, access to information has become easier than ever before. The ability to download Duty® has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Duty® has opened up a world of possibilities. Downloading Duty® provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Duty® has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Duty®. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Duty®. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Duty®, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Duty® has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Duty® Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Duty® is one of the best book in our library for free trial. We provide copy of Duty® in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Duty®. Where to download Duty® online for free? Are you looking for Duty® PDF? This is definitely going to save you time and cash in something you should think about.
