The Power of Employee Resource Groups Farzana Nayani, 2022-06-07 This is the first authoritative book on building employee resource groups (ERGs) to empower underrepresented employees and positively impact diversity, equity, and inclusion (DEI) efforts within organizations and in society at large. In existence for decades, ERGs originated out of affirmative action policies and have evolved into powerful sources of employee activity and engagement. Organizations can leverage ERGs to support business goals, but ERGs can also play a critical role in creating a more inclusive work environment for marginalized individuals. ERGs represent a balance of serving company interests and empowering employees, offering the opportunity for innovative leadership within organizations. This book is a practical guide on how to manage ERGs effectively and how they inspire a deeper connection between employees and companies while helping us progress toward the DEI goals that we aim to accomplish. Participating in an ERG can help professionals of color and other historically excluded groups advance their careers, thereby increasing diverse representation in leadership. Farzana Nayani provides foundational tools for starting ERGs and outlines the five Ps—purpose, people, processes, planning, and priorities—needed to successfully operate them. Unlike other ERG handbooks, this book is people-centric and socially conscious and thoughtfully takes into account the experiences of employees and leaders during current times. It also serves as a deeper call to action around how ERGs can foster authentic change within organizations, creating transformative impact in the surrounding world.

Neil Daniell, 2012-12-13 NOTE: NO FURTHER DISCOUNT FOR THIS PRINT PRODUCT-- OVERSTOCK SALE -- Significantly reduced list price In the U.S., the response to an incident is regulated under many statutes and many government agencies. It is important for responders to at least understand the basis of these regulations because they dictate everything, from how they manage a spill to the disposal of the spilt material. These regulations stipulate who should be notified and when it is not necessary, as well as what resources or assistance are available to local and state entities if the containment of a spill is beyond their capabilities. Jewel of the Endless Erg: Mage Errant John Bierce, 2019-02-12 After surviving Skyhold's deadly labyrinth, Hugh and his friends are looking forwards to an uneventful summer. Their teacher Alustin has chartered a sandship for a training expedition into the vast sea of sand known as the Endless Erg, aiming for the wealthy and powerful desert city of Theras Tel. Hugh's happier than he's been in a long, long time, and he's quite excited for the fresh air, sunshine, and quiet. Of course, given Hugh's luck, their summer is going to be anything but quiet. They're about to be plunged into a morass of pirates, monsters, warring cults, flesh-tearing sandstorms, and a conspiracy against Indris Stormbreaker, the dragon queen of Theras Tel herself. At least Hugh's going to get plenty of fresh air and sunshine.

Leaders at every level will understand how best to support these groups that directly contribute to business and employee success.

The Short and Snarky Guide to Coxing & Rowing Short and Snarky Coxswains, 2014-08-20 From the often hilarious social media account @shortandsnarkyrowing, *The Short and Snarky Guide to Rowing and Coxing* is funny, irreverent, and something your coxswains will actually read. This is totally unlike other coxing books. Written by two coxswains-turned-coaches with almost four collective decades of high school, college, club, and masters coxing experience and hundreds of races under our belts, we give you the lowdown on coxing for mere mortals that real rowing books would never dare. From novice juniors to senior masters, whether you are a coxswain, a rowing coach

who works with coxswains, or a sweep rower who has to take the occasional turn coxing, we promise you'll learn something and we promise you'll laugh out loud. We cover it all from the very first practice to crossing the line in the championship race, and everything in between. We help coaches figure out how to finally get through to their coxswains, share coxing stories and insight it took us decades to learn, and include tons of photos of how to do all things rowing-both right and wrong-taken from the coxswain seat perspective. And we provide straight, candid answers to the most frequently asked questions from our coxing clinics. This is a resource that every coxswain, coach, and rowing club should own.
