Essentialism Greg McKeown, 2014-04-15 NEW YORK TIMES BESTSELLER • More than one million copies sold! Essentialism isn't about getting more done in less time. It's about getting only the right things done. "A timely, essential read for anyone who feels overcommitted, overloaded, or overworked."—Adam Grant Have you ever: • found yourself stretched too thin? • simultaneously felt overworked and underutilized? • felt busy but not productive? • felt like your time is constantly being hijacked by other people's agendas? If you answered yes to any of these, the way out is the Way of the Essentialist. Essentialism is more than a time-management strategy or a productivity technique. It is a systematic discipline for discerning what is absolutely essential, then eliminating everything that is not, so we can make the highest possible contribution toward the things that really matter. By forcing us to apply more selective criteria for what is Essential, the disciplined pursuit of less empowers us to reclaim control of our own choices about where to spend our precious time and energy—instead of giving others the implicit permission to choose for us. Essentialism is not one more thing—it's a whole new way of doing everything. It's about doing less, but better, in every area of our lives. Essentialism is a movement whose time has come.

Serger Essentials Gail Patrice Yellen, 2015-12-25 Use your serger to its full potential! The serger is the most versatile tool a sewist can use, capable of hemming, seaming, decorative finishes and more. Too often, sergers are used for finishing edges and nothing more, simply because it's too complicated to change the settings. Author Gail Yellen is here to demystify the serger and help you get the most out of your machine! By familiarizing yourself with the various components and how they affect the stitch, you'll tackle new stitches and techniques with a new enthusiasm. Features: • Handy Operator Tips explain common handling errors and how to avoid them • Accessory Foot Appendix details the different serger feet available and when to use them 5 simple projects put your new serging knowledge into practice • Coverstitch overview complete with decorative and construction techniques • Quick Reference Guide lets you quickly find the machine settings for popular stitches Advice on threading, tension, differential feed, and needles relevant to all models; tips for using decorative threads that result in masterful finishes, cover stitch and more—it's all here in *Serger Essentials*!

English Essentials John Langan, 2009-01-28 John Langan's *English Essentials* offers guidance through the grammar, punctuation, and usage skills needed for success in college and beyond. In short, *English Essentials* is an efficient, accessible, and helpful guide to mastering practical English skills.

Leadership Essentials Greg Ogden, Daniel Meyer, 2009-08-20 Leadership is essential. Maybe you've shied away from leadership because you don't know what it will involve, or you feel too unsure of your own abilities. But your leadership is needed! In every sector of society, from families to businesses to churches, leadership roles remain empty, waiting for people willing and able to step up and make wise decisions that bring positive change. And, in a world with priorities vastly different from Christ's, Christian leaders are especially needed to point people to him. Preparation is essential. As essential as the leadership itself is the preparation beforehand, which is why Greg Ogden, a seasoned leader himself, has created this interactive guide that will give you the tools you need to lead well, using your unique gifts and experience. Divided into four sections, this workbook will help you develop character, postures, vision and skills as you participate in the following elements in each chapter: a memory verse a Bible study a reading a leadership exercise By working through these multiple channels of learning you'll be equipped not just with head knowledge about leadership but with true character formation and awareness of your own abilities that will prepare you for the challenges and choices of leadership. Designed to work well on your own, with a partner or with a group, *Leadership Essentials* by Greg Ogden and Daniel Meyer is the essential preparation tool for those who would be led and shaped by Christ to lead others with strength and wisdom.

Cisco Networking Essentials Troy McMillan, 2011-10-26 An engaging approach for anyone beginning a career in networking As the world leader of networking products and services, Cisco products are constantly growing in demand. Yet, few books are aimed at those who are beginning a career in IT—until now. *Cisco Networking Essentials* provides a solid foundation on the Cisco networking products and services with thorough coverage of fundamental networking concepts. Author Troy McMillan applies his years of classroom instruction to effectively present high-level topics in easy-to-understand terms for beginners. With this indispensable full-color resource, you'll quickly learn the concepts, processes, and skills that are essential to administer Cisco routers and switches. Begins with a clear breakdown of what you can expect to learn in each chapter, followed by a straightforward discussion of concepts on core topics Includes suggested labs and review questions at the conclusion of each chapter, which encourage you to reinforce and measure your understanding of the topics discussed Serves as an ideal starting point for learning Cisco networking products and services If you are interested in a career in IT but have little or no knowledge of networking and are new to Cisco networking products, then this book is for you.

Linux Essentials Roderick W. Smith, 2012-03-29 A unique, full-color introduction to Linux fundamentals Serving as a low-cost, secure alternative to expensive operating systems, Linux is a UNIX-based, open source operating system. Full-color and concise, this beginner's guide takes a learning-by-doing approach to understanding the essentials of Linux. Each chapter begins by clearly identifying what you will learn in the chapter, followed by a straightforward discussion of concepts that leads you right into hands-on tutorials. Chapters conclude with additional exercises and review questions, allowing you to reinforce and measure your understanding. Offers a hands-on approach to acquiring a foundation of Linux skills, aiming to ensure Linux beginners gain a solid understanding Uses the leading Linux distribution Fedora to demonstrate tutorials and examples Addresses Linux installation, desktop configuration, management of files and filesystems, remote administration, security, and more This book is essential reading for anyone entering the world of Linux!

Old Testament Essentials Tremper Longman, III,2013-12-26 Readers' Choice Award Winner Christians love the Bible, but they often do not know what to do with the Old Testament, writes Westmont College professor Tremper Longman. Further, he points out that it includes many types of writing—history, prophecy, poetry, wisdom and apocalyptic. In this helpful volume he offers different strategies for understanding each of these important types of writing. Jesus made a point to tell his disciples that the whole Old Testament anticipated his coming (see especially Luke 24:25-27, 44-45). And so each session includes a special feature called Anticipating the New Testament. Through this you will begin to discover the links between the two testaments and gain a fuller sense of our unfolding salvation history. Following the format of the other volumes of the Essenitals series, originally designed by Greg Ogden, author of Discipleship Essentials, each session includes the following elements: a memory verse a Bible study a reading Anticipating the New Testament a life application section Designed to work well on your own, with a partner or triad, or in a small group, Old Testament Essentials offers a comprehensive overview that will enrich your knowledge and deepen your faith. Tremper Longman is for me—and countless others—a treasured 'go-to' resource to uncover the treasures of Old Testament wisdom. This survey will be of huge value to anyone who wants the big picture of the Great Story. —John Ortberg, senior pastor of Menlo Park Presbyterian Church and author of Who Is This Man?

Essentials of the California Verbal Learning Test Thomas J. Farrer,Lisa W. Drozdick,2020-04-09 Part of Wiley's Essentials of Psychological Assessment series, this book covers the administration, scoring, and interpretation of the CVLT-C, CVLT-II, and CVLT-3. Additionally, readers will find a discussion of the strengths and weaknesses of the assessment, a review of the CVLT's performance in clinical populations, and illustrative case reports. Each chapter ends with a Test Yourself section for enhanced learning. Essentials of the California Verbal Learning Test: CVLT-C, CVLT-2, & CVLT3 is a perfect resource for anyone who needs to understand and use the CVLT assessments.

Alfred's Essentials of Music Theory Andrew Surmani,Karen Farnum Surmani,Morton Manus,1998-02 Alfred's Essentials of Music Theory is designed for students of any age, whether listeners or performers, who want to have a better understanding of the language of music. In this all-in-one theory course, you will learn the essentials of music through concise lessons, practice your music reading and writing skills in the exercises, improve your listening skills with the available ear-training CDs (sold separately), and test your knowledge with a review that completes each unit. The Teacher's Answer Key is a spiral-bound book that includes answers for the Lesson and Review pages as well as music for the Ear-Training pages in Volumes 1-3 of the Student Books. The complete line of Alfred's Essentials of Music Theory includes Student Books, a Teacher's Answer Key, Ear-Training CDs, Double Bingo games, Flash Cards, Reproducible Teacher's Activity Kits, and interactive software for students and teachers in private study, studio and network environments.

Media Essentials Richard Campbell,Christopher Martin,Bettina Fabos,Shawn Harmsen,2019-10-02 A concise and affordable resource for the mass communication course, Media Essentials provides a flexible, informative, and relevant breakdown of what the media is, how it works, and how it impacts today's most talked-about subjects. From #metoo to content streaming to social media and politics, students learn how a wide variety of recent developments have impacted the mass-media landscape—and how past innovation and change have informed our current media world. Media Essentials is available with LaunchPad, a robust online platform designed to help students fully engage with course content—and with the world of mass media. From our acclaimed LearningCurve adaptive quizzing, which helps students learn and retain concepts, to compelling features like an interactive e-book and a variety of entertaining and thought-provoking video clips, LaunchPad gets students connected with—and interested in—the information they need to succeed in class.

Essentials Of American Politics David Mckay,2018-06-27 Essentials of American Politics is an undergraduate text with a novel analytical and comparative focus. It takes as a central theme the increasing tension in American politics between a general philosophy of limited government and particular public demands for more and better government programs and services. While this has always been a feature of the American polity, recent events have brought it into sharp focus. Both a Republican Congress and Democratic president extol the virtues of less government but continue to grapple with demands for improved education, health care, transportation and almost every other area of social and economic life. All praise the virtues of lower taxation and at the same time promise improvements in the quality of public services. A similar tension applies in the courts, in state politics and indeed throughout the system. Recent successes such as a balanced budget have been achieved in part because the limited government philosophy has been on the ascendant and has won support from all shades of political opinion. But conflicts over the distributional questions of who gets what has hardly subsided.In few other democracies is this tension as well defined as in the United States and Essentials reminds readers of this fact through comparison with democratic processes in other countries, and in particular with European countries.Essentials weaves this theme into a discussion of American national politics. Up to date and well organized chapters are devoted to beliefs and values, the Constitution, federalism, Congress, presidency, the federal bureaucracy, interest groups and the courts. Policy chapters include economic, social and foreign affairs. In all chapters the analytical approach explains to students some of the main controversies in American political science. At all times Essentials seeks to impart basic information on American politics in an analytical but stimulating manner.Features:Concise format of 17 chapters that cover institutions, behavior and policy arenas.Theme of American's general philosophy of limited government versus our particular demands for expanded government programs and services.Rich, comparative examples (Britain, Canada, and Mexico versus U.S.) throughout the book's narrative.
