Eva Peter Dickinson,2015-01-27 Eva’s hospital room looks out onto the skyscrapers of a huge city, but since waking up from her coma she only dreams of trees Thirteen-year-old Eva opens her eyes to find herself in a hospital, her body paralyzed while it heals from a devastating accident. Her mother says that Eva will be able to move her hands and face soon and that everything is going to be fine, but something in her voice tells Eva it’s not that simple. The doctors give Eva a keyboard that turns her typing into speech and controls a mirror that rotates to look around the room and out the window—every direction except back at her bed. What are the doctors trying to hide from her? And why, in an overpopulated world where humans have tamed all the wild places, does Eva keep dreaming of a forest she’s never seen? This ebook features an illustrated personal history of Peter Dickinson including rare images from the author’s collection.

**My Life as Eva** Eva Gutowski,2019-04-09 From the popular YouTube tastemaker Eva Gutowski comes her nationally bestselling lifestyle and advice book on the ups and downs of life, told in her hilarious, charming, and genuine voice. What’s up guys? It’s me, Eva! You may know me from my YouTube channel, MyLifeAsEva. If that’s the case, then you might also know that I have a munchkin cat named Paris, a weird obsession with patterned sock collecting, and the tendency to say “HOLY SCHNITZEL!” at all the wrong moments. Like...embarrassing moments. I’m so lucky to have my fans—over eight million besties and counting! It has been amazing to meet so many of you since I started making videos. Growing up, books are what got me through life—a lot of the good times, and the really bad times. And no matter how challenging life got, I promised myself that I would get through it, in hopes that someday I’d have the chances to help people who need that one piece of great advice at just the right time. So here’s a book by me, totally for you. I’ll tell you a ton of my secrets, a lot of fail stories, and how I made it through—and how you can, too! Think of my book like a best friend you can turn to at any time. Xo Eva

*Where Happiness Begins* Eva Eland,2020-08-25 This follow-up to When Sadness Is at Your Door suggests that happiness can always be found by looking within. This helpful picture book is a great introduction to mindfulness and emotional literacy. A spare text and simple illustrations encourage readers to find happiness even if it feels far away. The book gives it a shape, turning this elusive emotion into something real while acknowledging that you can't be happy all the time. The thoughtful text reassures readers that when happiness is hard to find, they can look for it in many places. Sharing something with a friend or reaching out to someone who needs it can lead to happiness. Recognize and treasure it when you experience it, knowing that happiness begins with you. Perfect for kids and for adult readers tackling these feelings themselves!

Eva's Adventures in Shadow-Land Mary D. Nauman,2017-07-14 She had been reading fairy-tales, after her lessons were done, all the morning; and now that dinner was over, her father gone to his office, the baby asleep, and her mother sitting quietly sewing in the cool parlor, Eva thought that she would go down across the field to the old mill-pond; and sit in the grass, and make a fairy-tale for herself. There was nothing that Eva liked better than to go and sit in the tall grass; grass so tall that when the child, in her white dress, looped on her plump white shoulders with blue ribbons, her bright golden curls brushed back from her fair brow, and her blue eyes sparkling, sat down in it, you could not see her until you were near her, and then it was just as if you had found a picture of a little girl in a frame, or rather a nest of soft, green grass. 10 All through this tall, wavy grass, down to the very edge of the pond, grew many flowers,—violets, and buttercups, and dandelions, like little golden suns. And as Eva sat there in the grass, she filled her lap with the purple and yellow flowers; and all around her the bees buzzed as though they wished to light upon the flowers in her lap; on which, at last,—so quietly did she sit,—two black-and-golden butterflies alighted; while a great brown beetle, with long black feelers, climbed up a tall grass-stalk in front of her, which, bending slightly under his weight, swung to and fro in the gentle breeze which barely stirred Eva's golden curls; and the field-cricket chirped, and even a snail put his horns out of his shell to look at the little girl, sitting so quietly in the grass among the flowers, for Eva was gentle, and neither bee, nor butterfly, beetle, cricket, or snail were afraid of her. And this is what Eva called making a fairy-tale for herself.

**The Forgotten Life of Eva Gordon** Linda MacKillop,2022-05-17 [A] touching debut. . . . MacKillop takes the pain of aging and regret and infuses it with soul and a touch of humor. This auspicious first outing tugs at the heartstrings.--Publishers Weekly Eva wants to run away from her life--if only she could remember how. Failing memory has forced Eva Gordon to move in with her granddaughter, Breezy. But Eva hates the bustle of Boston. All she wants to do is

move back to her quiet, cozy Cape Cod home and be left alone. Then Breezy announces she's getting married, and they'll be moving to her new husband's rundown family farm, where he lives with an elderly uncle. They'll be one big family--but only Breezy and Brent think it'll be a happy one. It's all too much for Eva. Too much change, too much togetherness, too much of an over-crowded life she never wanted. But as her desire for privacy collides with her worsening memory, Eva may find herself in a pickle she can't get out of. A big-hearted family saga, suffused with grace and kindness, featuring a cast of appealing characters who would be right at home in Jon Hassler's Staggerford or Richard Russo's Empire Falls.--Adrianne Harun, author of A Man Came Out of a Door in the Mountain On par with Olive Kitteridge! But where Olive woos, Eva Gordon captures. . . .A poignant, utterly beautiful story of perspective and hope.--Cheryl Grey Bostrom, author of Sugar Birds A novel full of life and transformation, as charming as a New England cottage by the sea. You can't help but fall in love with spunky, hard-edged Eva Gordon and the others connected to Try Again Farm.--Christine Kindberg, author of The Means That Make Us Strangers

Eva Evergreen, Semi-Magical Witch Julie Abe,2020-08-04 A young witch must pass a coming-of-age quest or risk losing her magic forever in this enchanting fantasy -- perfect for fans of Kiki's Delivery Service and Aru Shah and the End of Time. Sometimes all you need is a pinch of magic... Eva Evergreen is determined to earn the rank of Novice Witch before her thirteenth birthday. If she doesn't, she'll lose her magic forever. For most young witches and wizards, it's a simple enough test: One: Help your town, do good all around. Two: Live there for one moon, don't leave too soon. Three: Fly home by broomstick, the easiest of tricks. The only problem? Eva only has a pinch of magic. She summons heads of cabbage instead of flowers and gets a sunburn instead of calling down rain. And to add insult to injury, whenever she overuses her magic, she falls asleep. When she lands in the tranquil coastal town of Auteri, the residents expect a powerful witch, not a semi-magical girl. So Eva comes up with a plan: set up a magical repair shop to aid Auteri and prove she's worthy. She may have more blood than magic, but her semi-magical fixes repair the lives of the townspeople in ways they never could have imagined. Only, Eva's bit of magic may not be enough when the biggest magical storm in history threatens the town she's grown to love. Eva must conjure up all of the magic, bravery, and cleverness she can muster or Auteri and her dreams of becoming a witch will wash away with the storm.

My Name Is Eva Suzanne Goldring,2020 For readers of The Tattooist of Auschwitz, The Lost Girls of Paris, and The Paris Orphan comes an unforgettable story of love, betrayal, and a courageous woman's search for answers -- whatever the sacrifice. Evelyn Taylor-Clarke sits in her chair at Forest Lawns Care Home in the heart of the English countryside, surrounded by residents with minds not as sharp as hers. It would be easy to dismiss Evelyn as a muddled old woman, but her lipstick is applied perfectly and her buttons done up correctly. Because Evelyn is a woman with secrets, and Evelyn remembers everything. She can never forget the promise she made to the love of her life, to discover the truth about the mission that led to his death, no matter what it cost her . . . When Evelyn's niece Pat opens an old biscuit tin to find a photo of a small girl titled Liese, 1951 and a passport in another name, she has some questions for her aunt. And Evelyn is transported back to a place in Germany known as the Forbidden Village, where a woman who called herself Eva went where no one else dared, among shivering prisoners, to find the man who gambled with her husband's life.
