Help Santa.But then Santa rocks the North Pole with a surprise announcement! The Santa Trials have begun!Ollie and Celia enter the contest, having no idea whatsoever that they'll soon have to squeeze through impossible chimneys, race runaway sleighs, sweet-talk a squad of rowdy reindeer, and consume cruel amounts of cookies and milk. Shelley Wrapitup, Master Design Elf Joe Moore, 2014-11-15 Shelley Wrapitup, Master Design Elf Beautiful paper, intricate bows, whimsical gift tags, colorful ribbons, all are the work of one of Santa's most creative elves, Shelley Wrapitup. Just as her name suggests, she wraps all the presents and puts the tags on good and tight, so Santa knows just where they go. No matter the shape or size, every gift receives Shelley's special attention before loading it on Santa's sleigh. She's the person who always makes Christmas so much fun. Through colorful illustrations, rhyme, and alluring details, Shelley's book teaches your child to read in a fun and engaging way. And even though Shelley can make a huge mess, she always cleans up after herself. And that is the message from Santa to your child at the end of Shelley's story. About Santa's Elf Series© by the author, Joe Moore: Even as I was writing the first novel in the Santa Claus Trilogy, I envisioned an entire world at the top of the globe. I knew the most die-hard believer in Santa Claus would realize that this magical gift-giver would need assistance in achieving his task at Christmas. So I began to think about who these helpers were, and what their responsibilities to Santa might be. Then I started writing. And to my surprise, as I wrote, the stories came out of me in rhyme! The cadence and beat of the verses were lyrical. As I spoke to others, including a good many teachers and librarians, they told me this was the easiest way for children to learn and that I should keep the verses coming. As Santa, I also heard from parents about their frustrations trying to instruct their children in the primary lessons of life; such as picking up after themselves, being polite, sharing, brushing their teeth, and so on. So I put a special message from Santa Claus at the end of each story about each of these lessons. Even complex problems like bullying, showing gratitude, and listening to elders get addressed in these books. It never hurts to learn these lessons throughout the year. I wrote nearly 20 books in this series, each focusing on a particular elf and their role to Santa. My wife and illustrator, Mary, is doing her best to get these magical tales drawn and into your child's hands. Since she works so hard fully illustrating every page and includes elements like shapes, colors, and even geography, it takes her a little while to complete each book. We have a half dozen released and more "in the works." I have already heard about new traditions started during Christmas with my Santa Claus Trilogy and families. I am hoping that these will also become part of your celebrations. Make Santa's Elf Series© a new tradition for your family and collect the entire series. The following is a list of the currently published books in the series: Santa's World, Introducing Santa's Elf Series Jamie Hardrock, Chief Mining Elf Shelley Wrapitup, Master Design Elf Keeney Eagleeye, Naughty/Nice List Manager Sarah Buttons, Master Dollmaker Ford MacHarley, Master Wheelsmith

Grief Therapy Karen Katafiasz, 2014-09-09 A gift book, a self-help book that has helped hundreds of thousands of readers. Its succinct, meaningful guidelines and hope-filled illustrations have reassured those who grieve that out of their pain can come profound, transforming healing.

Memoirs of an Elf Devin Scillian, 2014-09-01 It's Christmas Eve and Spark Elf has the very important job of keeping Santa Claus on schedule as he travels the globe in 24 hours delivering presents. Small in stature with pointy ears and stopwatch in hand, Spark lets Santa know it's time to go. He programs the GPS while the other elves secure the toy bag and check the Nice list. Little known fact: We don't even bring the Naughty list with us. Six hours into the trip Santa, sleigh and crew begin to fall behind--so many cuddly doggies to pet and extra cookies to eat. The jolly group makes up time in Brazil and soon find themselves back at the North Pole. Their work is done. But wait, there's something left in the bag--but it isn't a present at all--it's a family dog! Well known fact: Santa

gives things away. He does not take things! Momma Claus comes to the rescue with a plan to get the dog back to his family. Can Santa return the family's beloved pooch in time to keep their Christmas merry?

Shmelf the Hanukkah Elf Greg Wolfe,2016-09-06 In this delightfully inventive holiday tale, an elf named Shmelf takes a journey from the North Pole . . . and discovers all the joys of Hanukkah. Shmelf is one of Santa's most important elves. He's part of the List Checking department, and he makes sure all the good boys and girls get their presents! But when Shmelf finds out that some children are missing from Santa's list, he goes to investigate. What Shmelf uncovers is Hanukkah, a wondrous and joyful holiday that Jewish families celebrate each year. As Shmelf observes a family lighting the menorah, playing dreidel, and hearing the Hanukkah story, he sees how special the traditions of the holiday truly are--and he wants to be a part of it! Luckily, Santa just might have a special role in mind for Shmelf . . . The rich traditions of Hanukkah come to life in this whimsical and magical story that's perfect for the holiday season.

Elf in the Ornament E. L. Barclay,2007-11 What would you do if you were given the opportunity to actually meet one of Santa's elves? What would one of Santa's elves do if he were given the chance to see something he'd never seen before...a real boy and girl! Elf in the Ornament is a wonderful Christmastime adventure, beginning at the North Pole. Santa's experiment involves elves living in special ornaments, hanging in the Christmas trees of unsuspecting little boys and girls during the weeks before Christmas Eve. The elves are only to observe the children and send nightly reports back to the North Pole, to help Santa keep track of who's being naughty or nice...but they are never, for any reason, to allow themselves to be seen. A simple experiment...until Alfred the Elf's curiosity causes him to accidentally come nose-to-nose with 9-year old Megan!

Pig the Elf (Pig the Pug) Aaron Blabey,2018-01-30 From the award-winning creator of Pig the Pug comes another laugh-out-loud book, filled with holiday cheer! No one loves Christmas more than Pig. And the world's greediest pug will stay up all night to get his presents! When Pig yips at Santa and finds himself joining in on the flying sleigh ride, things quickly get out of hand in a way that is pure Pig pandemonium.

Peekin the Littlest Elf of All Pamela J. Masi,Lacey Roland,2008-03-01 Peekin' The Littlest Elf of All, is a two-foot high little mischief maker who tends to get himself into all sorts of trouble around Santa's workshop --especially when it comes to peekin into all the presents before they make it into Santa's sack. It doesn't take long before all his shinanigans finally get him all wrapped up into an adventure he will never forget--and neither will you! *Based on country classic Peekin' from the Album Makin' Memories by Lacey Roland.

The Adventures of Eddie the Elf Julie Toth,2016-10-07 The publishing company has asked me why I wanted to write this book. It is really quite simple. One, I love little children! I love to watch them absorb new lessons and then think about them and apply them as they grow. Secondly, I absolutely love Christmas! I love what it stands for and all the happiness it generates. Theres an old saying that goes Life has a way of getting in the way. That is so true. I have wanted to write this book since I was about twenty. I am now sixty-six! First, you go to work, then you get married, and then children come along. Of course, we had our share of furry and feathered children. At last count, I have had sixteen dogs, three cats, and eight birds. Oh, yes, and then there was Wiggles, our rabbit. Did I mention that I also have two sons and two beautiful granddaughters? They are all of the human variety of course. But Eddie was always in the back of my mind. Its strange that he would usually pop up in the summer of all times! I think it was because we used to have a big garden and Mother Nature was always good to us. We would give our neighbors some of our bounty of tomatoes, peppers, and garlic. That, in a way, was like Christmas because it was like giving them presents. Instead of Eddie, we were the elves for Mother Nature, and she was Santa. There are so many marvelous things in the world, Christmas being one of my favorites. I hope that, when you read my book, you will learn a lot more about where the elves and Santa live. It really is a beautifully happy and busy place. Happy reading and imagining!

The Elf Legacy - Book Five of The Magi Charter Jordan David,2014-09-07 Time marches on... Santas and Elves come and go at the North Pole complex. For some the reasons they choose to leave are personal, for others it's a dismissal. Santa's annual Mission must never fail despite how each passing year adds complexity amidst a world plagued by endless wars and upheavals. The denizens of the North are not secluded from the human world's problems. The complex is not the utopia it was intended to be. Those who call this place home must come to terms with the turbulence of history and not allow personal issues to disrupt their commitments. Long before Mistletoe Green came along there was another, far sinister elf who used the marvels of the North Pole for her own agenda at the peril of both Santa and elf. Anna, Tetsu, and Hilda will each face challenges that threaten their legacies and centuries old friendships. About the series: The Magi Charter For over two thousand years the legend of Santa Claus has endured. His is a Mission of peace as outlined in the Magi Charter, given to the first Santa by the Child. From humble beginnings, following that First Christmas, the Santa lineage has been passed down through the ages. This epic adventure tells the story of those Santas from the founding of the North Pole and the origin of the ancient elves, to our modern times where the world's problems affect even those in the secluded complex of the North, and concluding in the distant future which finds Santa and the elves committed to their mission on a galactic scale where Christmas traditions are barely recognizable. In every era, those committed to the Mission must find a way to deliver that which is needed most to those most deserving.
