

# Elvis

Elizabeth Williams

**Elvis Presley** Wilborn Hampton, 2008-07-03 Provides an in-depth biography of this rock legend and the places, people, and inspirations that made him the man he was, such as his formative years in Tupelo, his early music years, his years in the army, and his incredible rise to stardom as The King. Reprint.

Who Was Elvis Presley? Geoff Edgers, Who HQ, 2007-08-16 Put on your blue suede shoes and get ready for another addition to the Who Was...? series! The King could not have come from humbler origins: Born in Tupelo, Mississippi, during the Depression, he grew up with the blues music of the rural South, the gospel music of local churches, and the country-western classics. But he forged a sound all his own—and a look that was all his own, too. With curled lip, swiveling hips, and greased pompadour, Elvis changed popular music forever, ushering in the age of rock and roll. Geoff Edgers's fascinating biography of this icon of American pop culture includes black and- white illustrations on nearly every spread.

**Elvis** Alfred Wertheimer, Peter Guralnick, 2017-10-17 As Alfred Wertheimer photographed Elvis during 1956, he created classic images that are spontaneous, unrehearsed and without artifice.

Elvis Presley, Reluctant Rebel Glen Jeanson, David Luhrssen, Dan Sokolovic, 2011-02-18 This fresh interpretation explains how an untutored musician changed music while at the same time playing an inadvertent role in the youth rebellion that has shaped the Baby Boomer generation into the 21st century. Elvis Aaron Presley was born in a two-room house in Tupelo, MS, on January 8, 1935. He died at his Memphis home, Graceland, on August 16, 1977. In those 42 years, Elvis made an indelible impression on pop culture the world over. *Elvis Presley, Reluctant Rebel: His Life and Our Times* probes both the man and his influence, delving deeply into the personality of its protagonist, his needs and motivations, and the social and musical forces that shaped his career. Elvis's musical talents and liabilities are explored, as are his records, films, and live performances and his relationship with his manager, Colonel Tom Parker, whom he allowed to manipulate him as a money-making machine. Readers will learn about Elvis's personal life, his devotion to conventional religious and political beliefs, and his decline into self-destruction and death. Finally, the book explores Elvis's impact on the musical and racial revolutions of the 1950s and 1960s, his legacy, and his importance in shaping a generation of Baby Boomers.

*When Elvis Died* Neal Gregory, Janice Gregory, 1992 Now available in trade paperback for the first time, and published to coincide with the 15th anniversary of his death, a thoroughly researched and thought-provoking look at the death of Elvis, the media's reaction, and the unexpected hysteria and hoopla that followed. Finally, a good book on the death of Elvis Presley.--Greil Marcus, Rolling Stone.

*Elvis Presley* Joel Williamson, 2014-10-16 In *Elvis Presley: A Southern Life*, one of the most admired Southern historians of our time takes on one of the greatest cultural icons of all time. The result is a masterpiece: a vivid, gripping biography, set against the rich backdrop of Southern society--indeed, American society--in the second half of the twentieth century. Author of *The Crucible of Race* and *William Faulkner and Southern History*, Joel Williamson is a renowned historian known for his inimitable and compelling narrative style. In this tour de force biography, he captures the drama of Presley's career set against the popular culture of the post-World War II South. Born in Tupelo, Mississippi, Presley was a contradiction, flamboyant in pegged black pants with pink stripes, yet soft-spoken, respectfully courting a decent girl from church. Then he wandered into Sun Records, and everything changed. I was scared stiff, Elvis recalled about his first time performing on stage. Everyone was hollering and I didn't know what they were hollering at. Girls did the hollering--at his snarl and swagger. Williamson calls it the revolution of the Elvis girls. His fans lived in an intense moment, this generation raised by their mothers while their fathers were away at war, whose lives were transformed by an exodus from the countryside to Southern

cities, a postwar culture of consumption, and a striving for upward mobility. They came of age in the era of the 1954 Brown vs. Board of Education ruling, which turned high schools into battlegrounds of race. Explosively, white girls went wild for a white man inspired by and singing black music while wiggling erotically. Elvis, Williamson argues, gave his female fans an opportunity to break free from straitlaced Southern society and express themselves sexually, if only for a few hours at a time. Rather than focusing on Elvis's music and the music industry, *Elvis Presley: A Southern Life* illuminates the zenith of his career, his period of deepest creativity, which captured a legion of fans and kept them fervently loyal for decades. Williamson shows how Elvis himself changed--and didn't. In the latter part of his career, when he performed regular gigs in Las Vegas and toured second-tier cities, he moved beyond the South to a national audience who had bought his albums and watched his movies. Yet the makeup of his fan base did not substantially change, nor did Elvis himself ever move up the Southern class ladder despite his wealth. Even as he aged and his life was cut short, he maintained his iconic status, becoming arguably larger in death than in life as droves of fans continue to pay homage to him at Graceland. Appreciative and unsparing, culturally attuned and socially revealing, Williamson's *Elvis Presley* will deepen our understanding of the man and his times.

Race, Rock, and Elvis Michael T. Bertrand, 2000 In *Race, Rock, and Elvis*, Michael T. Bertrand contends that popular music, specifically Elvis Presley's brand of rock 'n' roll, helped revise racial attitudes after World War II. Observing that youthful fans of rhythm and blues, rock 'n' roll, and other black-inspired music seemed more inclined than their segregationist elders to ignore the color line, Bertrand links popular music with a more general relaxation, led by white youths, of the historical denigration of blacks in the South. The tradition of southern racism, successfully communicated to previous generations, failed for the first time when confronted with the demand for rock 'n' roll by a new, national, commercialized youth culture. In a narrative peppered with the colorful observations of ordinary southerners, Bertrand argues that appreciating black music made possible a new recognition of blacks as fellow human beings. Bertrand documents black enthusiasm for Elvis Presley and cites the racially mixed audiences that flocked to the new music at a time when adults expected separate performances for black audiences and white. He describes the critical role of radio and recordings in blurring the color line and notes that these media made black culture available to appreciative whites on an unprecedented scale. He also shows how music was used to define and express the values of a southern working-class youth culture in transition, as young whites, many of them trying to orient themselves in an unfamiliar urban setting, embraced black music and culture as a means of identifying themselves. By adding rock 'n' roll to the mix of factors that fed into civil rights advances in the South, *Race, Rock, and Elvis* shows how the music, with its rituals and vehicles, symbolized the vast potential for racial accord inherent in postwar society.

**Elvis by the Presleys** Priscilla Beaulieu Presley, Lisa Marie Presley, 2005 Family photos, reminiscences, and still-life photography of Elvis's possessions.

Fortunate Son Charles Leonard Ponce de Leon, 2006 The author succinctly places Elvis's life within the larger shifts that redefined the cultural landscape during the 1950s, 1960s, and 1970s, discovering in the mounting ironies of Elvis's waning success the seeds of mythology about the King that still exist.

Elvis Presley Bobbie Ann Mason, 2007-07-31 A vibrant, sympathetic portrait of the once and future king of rock 'n' roll by the award-winning author of *Shiloh* and *In Country* To this clear-eyed portrait of the first rock 'n' roll superstar, Bobbie Ann Mason brings a novelist's insight and the empathy of a fellow Southerner who, from the first time she heard his voice on the family radio, knew that Elvis was one of us. *Elvis Presley* deftly braids the mythic and human aspects of his story, capturing both the charismatic,

boundary-breaking singer who reveled in his celebrity and the soft-spoken, working-class Southern boy who was fatally unprepared for his success. The result is a riveting, tragic book that goes to the heart of the American dream.

**Elvis Presley's From Elvis in Memphis** Eric Wolfson, 2020-11-12 I had to leave town for a little while--with these words, Elvis Presley truly came home to rock and roll. A little over a month earlier he had staged rock's first and greatest comeback in a television program, forever known as The '68 Comeback Special. With this show, he resurrected himself--at the age of 33, no less--from the ashes of a career mired in bad movies and soundtracks. So where to go from here? Like a killer returning to the scene of the crime, Elvis came back home to Memphis, where it had all begun. Eschewing the fancier studios of Nashville and Hollywood, he set up shop at the ramshackle American Sound Studio, run by a maverick named Chips Moman with an in-house backing band now known as The Memphis Boys, and made the music of his life. The resulting work, *From Elvis in Memphis*, would be the finest studio album of his career, an explosion of mature confidence and fiery inspiration. It was the sound of Elvis establishing himself as a true rock and roll artist--and proving his status as a legend.

**Elvis Is Alive** Robert Mickey Maughon, 1997 Elvis Presley staged his death and is alive. Elvis is making a living in Paris, France in the only manner he could escape notice, as an Elvis Presley Impersonator.

**The Elvis I Remember** Elizabeth Williams, 2012-04-21 Elvis, I wish the world really knew you... as I knew you. I remember everything about you: Your laugh, your smile, your shyness, your gentleness, your sincerity, your honesty, your sensitivity, your clumsiness, your temper, your teasing, your eyes and most of all your love. I feel that I loved you more than any other women except your dear mother. You were my soul mate, my friend, and my heart. Although the time we shared together was short, I have no reservations in my mind that it should have been for eternity. Elvis, you were always my inspiration with your blessed understanding of God and His Son. You are my gift from Heaven. I wish the world had really known you... as I knew you.

**100 Things Elvis Fans Should Know & Do Before They Die** Gillian Gaar, 2014-04-01 With 2014 marking the 60th anniversary of the release of Elvis Presley's first record, "That's All Right," this book makes the perfect companion for celebrating the life and music of one of the world's most popular entertainers. Packed with history, trivia, lists, little-known facts, and must-do adventures, legions of Elvis fans around the globe who still adore him more than three decades after his death will delight in this ode to "The King." Ranked from one to 100, the songs, albums, movies, places, personalities, and events that are the most important to know in Elvis lore unfold on the pages, offering hours of entertainment for both casual and serious fans.

**Dead Elvis** Greil Marcus, 1999 Listening in on public conversation that recreates Elvis after death, Marcus tracks Presley's resurrection. He grafts together snatches of film, music, books, newspapers, photos, posters, and cartoons, and amazes us with what America has been saying as it raises its late king--and also what this obsession with dead Elvis says about America itself.

**Elvis Presley: Rock & Roll's King** Stephanie Watson, 2012-09-01 This informative title covers the life of Elvis Presley. Readers learn of his childhood in Tupelo, Mississippi and his family's relocation to Memphis, Tennessee. Presley's musical work is discussed, from his beginning singing Ole Shep at a state fair to his collaboration with Sam Phillips at Sun Studios in Memphis to his recording of *That's All Right*, and his introduction to Colonel Tom Parker to his signing with RCA and his first hits *Heartbreak Hotel*, *Don't Be Cruel*, and *Hound Dog* through his television appearances on *Ed Sullivan* and live performances such as 68

Comeback Special and Aloha From Hawaii. Opposition to his controversial dance moves by parents, ministers and lawmakers is included, including his censorship on the Steve Allen Show and public banning of his music. Elvis's movie career is included with hits such as Love Me Tender, Viva Las Vegas, Jailhouse Rock, and Blue Hawaii as is his military service in the US Army. Presley's courtship with Priscilla Beaulieu is included, as is their marriage and the birth of their daughter Lisa Marie, their home Graceland, and their eventual divorce. Elvis's descent into drug use is included, leading to his death by heart failure at age 42. This book includes details of Elvis's life and covers the controversies surrounding his life and death. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

Last Train to Memphis (Enhanced Edition) Peter Guralnick, 2014-12-30 Written with grace, humor, and affection, Last Train to Memphis has been hailed as the definitive biography of Elvis Presley. It is the first to set aside the myths and focus on Elvis' humanity in a way that has yet to be duplicated. A New York Times Notable Book Winner of the Ralph J. Gleason Music Book Award Elvis steps from the pages. You can feel him breathe. This book cancels out all others. --Bob Dylan From the moment that he first shook up the world in the mid 1950s, Elvis Presley has been one of the most vivid and enduring myths of American culture. Last Train to Memphis: The Rise of Elvis Presley is the first biography to go past that myth and present an Elvis beyond the legend. Based on hundreds of interviews and nearly a decade of research, it traces the evolution not just of the man but of the music and of the culture he left utterly transformed, creating a completely fresh portrait of Elvis and his world. This volume tracks the first twenty-four years of Elvis' life, covering his childhood, the stunning first recordings at Sun Records (That's All Right, Mystery Train), and the early RCA hits (Heartbreak Hotel, Hound Dog, Don't Be Cruel). These were the years of his improbable self-invention and unprecedented triumphs, when it seemed that everything that Elvis tried succeeded wildly. There was scarcely a cloud in sight through this period until, in 1958, he was drafted into the army and his mother died shortly thereafter. The book closes on that somber and poignant note. Last Train to Memphis takes us deep inside Elvis' life, exploring his lifelong passion for music of every sort (from blues and gospel to Bing Crosby and Mario Lanza), his compelling affection for his family, and his intimate relationships with girlfriends, mentors, band members, professional associates, and friends. It shows us the loneliness, the trustfulness, the voracious appetite for experience, and above all the unshakable, almost mystical faith that Elvis had in himself and his music. Drawing frequently on Elvis' own words and on the recollections of those closest to him, the book offers an emotional, complex portrait of young Elvis Presley with a depth and dimension that for the first time allow his extraordinary accomplishments to ring true. Peter Guralnick has given us a previously unseen world, a rich panoply of people and events that illuminate an achievement, a place, and a time as never revealed before.

**Elvis** Steve Zmijewsky, Boris Zmijewsky, 1976 The Films and Career of Elvis traces the King's meteoric rise from truck driver to singer, movie star, and Vegas act extraordinaire Features hundreds of photos -- many rare -- and an attractive new cover.

*Elvis - Word for Word* Jerry Osborne, 1999-08

## Elvis Introduction

Elvis Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Elvis Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Elvis : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Elvis : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Elvis Offers a diverse range of free eBooks across various genres. Elvis Focuses mainly on educational books, textbooks, and business books. It

offers free PDF downloads for educational purposes. Elvis Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Elvis, especially related to Elvis, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Elvis, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Elvis books or magazines might include. Look for these in online stores or libraries. Remember that while Elvis, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Elvis eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Elvis full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Elvis eBooks, including some popular titles.

## FAQs About Elvis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality

free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Elvis is one of the best book in our library for free trial. We provide copy of Elvis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Elvis. Where to download Elvis online for free? Are you looking for Elvis PDF? This is definitely going to save you time and cash in something you should think about.
