Your Ema Loves You Eloise Lovelace,2011-03

The Sins of Mrs. Ema Mirela Kanini,2021-12-20 The Sins of Mrs. Ema is a provocative novel by author Mirela Kanini about true happiness in life. Is it money or love? How do we balance having a devoted husband and then finding the right person at the wrong time? How far will we go for love? Ema seems to have it all. She is a successful psychologist, married to a business man, and lives in a mansion in a desirable neighborhood. She has everything one could want, from luxury cars, to a vacation home, to trips to the most exotic places. Her marriage has lost its passion and is dulled by routine. But one business trip to her hometown changes everything. Her life shifts from a quiet, suburban one to a passionately dangerous one. She meets Toni, the love of her life. She risks everything she has to follow her heart. She is caught between the man who cares about her and the man she truly loves. What if she loses it all at the end? Unpredictable, heartbreaking! An affair to remember! This is a brilliant psychological romance!

Dear Ema Marielle Courtial,2021-06-16 Terminer ses études en médecine, obtenir son doctorat et fonder sa famille avec l'amour de sa vie, la vie d'Ema Williams était sous contrôle, tout était tracé. Tout était tracé, tout s'est effondré... À PROPOS DE L'AUTEURE Marielle Courtial poursuit une carrière sociale basée sur les relations humaines. Guide for Implementing Or Enhancing an Endangered Missing Advisory (EMA) Paul Murphy,2011-06-01 There are some cases of missing children that do not meet the threshold for the issuance of an AMBER Alert. The same concern applies to missing

persons older than 18, who fall outside AMBER Alert's purview. The EMA was crafted in 2005 to fill this gap. This report describes how a community can establish a task force to create an EMA plan, which creates voluntary partnerships to recover missing persons who do not fit the AMBER Alert criteria but who may be in danger. EMAs help law enforcement notify the general public that someone is missing and ultimately save lives. This guide provides directions for developing, activating, and sustaining an EMA plan and includes sample plans and press releases. A print on demand report.

Ema's Quest Dean Schultz, 2020-08-26 This is a story about meeting new friends and discovering that giving is the best gesture you can do. Ema learns all these things in a short journey in her neighborhood.

Ema's Odyssey Sandra Harner, 2014-01-07 Follow the fantastic odyssey of one woman as she explores shamanic realms, encountering spirit animals and other teachers who answer her deepest questions and provide her with life-changing guidance and healing. Widowed, childless, and alone, 60-year-old Ema bravely decides to expand her self-knowledge by embarking on a spiritual adventure. She meets with author Sandra Harner, who leads her through five sessions of Harner Shamanic Counseling (HSC), a highly effective system of personal problem-solving in which counselors help clients enter a shamanic state of consciousness using a specific sonic rhythm. While in this state, clients seek out helping spirits, who offer insight, wisdom, and healing. By the end of her sessions with Harner, Ema has discovered her own innate ability to find answers to pervasive personal questions, overcome inhibitory fears, and acquire self-confidence and wisdom. She has found a sense of personal empowerment and a newfound joy in existence--and decides she wants to

continue her journeys independently. From 1999 to 2011, Ema ventures on a total of 64 journeys, each one chronicled in this book, thanks to taped recordings of her simultaneous narration. In addition to serving as an invaluable resource for students and practitioners of shamanism, psychology, and alternative modalities of therapy, Ema's Odyssey enchants us with its lyrical poetry and unique wisdom, and inspires us with its demonstration of courage, curiosity, persistence, and humility. Perhaps most importantly, we come away with the added assurance that we are not alone, that there are oft-untapped resources we all can access, given the tools and trust in our own experience. From the Trade Paperback edition.

Ema the Captive César Aira, 2016-12-06 Ema The Captive, César Aira's second novel, is perhaps closest in style to his popular *An Episode in the Life of a Landscape Painter* and *The Hare* In nineteenth-century Argentina, Ema, a delicate woman of indeterminate origins, is captured by soldiers and taken, along with her newborn babe, to live as a concubine in a crude fort on the very edges of civilization. The trip is appalling (deprivations and rapes prevail along the way), yet the real story commences once Ema arrives at the fort, where she takes on a succession of lovers among the soldiers and Indians, leading to a brave and grand entrepreneurial experiment. As is usual with Aira's work, the wonder of the book is in the details of customs, beauty, and language, and the curious, perplexing reality of human nature.
