

Envy

Sandra Brown

Envy Joseph Epstein,2003-08-28 Malice that cannot speak its name, cold-blooded but secret hostility, impotent desire, hidden rancor and spite--all cluster at the center of envy. Envy clouds thought, writes Joseph Epstein, clobbers generosity, precludes any hope of serenity, and ends in shriveling the heart. Of the seven deadly sins, he concludes, only envy is no fun at all. Writing in a conversational, erudite, self-deprecating style that wears its learning lightly, Epstein takes us on a stimulating tour of the many faces of envy. He considers what great thinkers--such as John Rawls, Schopenhauer, and Nietzsche--have written about envy; distinguishes between envy, yearning, jealousy, resentment, and schadenfreude (a hardy perennial in the weedy garden of sour emotions); and catalogs the many things that are enviable, including wealth, beauty, power, talent, knowledge and wisdom, extraordinary good luck, and youth (or as the title of Epstein's chapter on youth has it, The Young, God Damn Them). He looks at resentment in academia, where envy is mixed with snobbery, stirred by impotence, and played out against a background of cosmic injustice; and he offers a brilliant reading of Othello as a play more driven by Iago's envy than Othello's jealousy. He reveals that envy has a strong touch of malice behind it--the envious want to destroy the happiness of others. He suggests that envy of the astonishing success of Jews in Germany and Austria may have lurked behind the virulent anti-Semitism of the Nazis. As he proved in his best-selling Snobbery, Joseph Epstein has an unmatched ability to highlight our failings in a way that is thoughtful, provocative, and entertaining. If envy is no fun, Epstein's Envy is truly a joy to read.

Envy Sandra Brown,2013-08-27 In this explosive thriller, a New York City-based book editor travels to a Southern island to meet a mysterious author -- but she's about to uncover the truth about a carefully concealed crime. Maris Matherly-Reed is a renowned New York book editor, the daughter of a publisher and the wife of bestselling author Noah Reed. It's not often that an unsolicited submission tantalizes her, but a new manuscript with blockbuster potential inspires her to search for the elusive author. On an obscure island off the Georgia coast, amid the ruins of an eerie cotton plantation, she finds Parker Evans, a man determined to conceal his identity as well as his past. Working with him chapter by chapter, Maris is riveted by his tale of two friends who charter a boat with a young woman for a night of revelry . . . an excursion from which only one person returns. As the story unfolds, Maris becomes convinced it is more than just fiction. Disturbed about her growing attraction to Parker and gripped by a chilling suspicion about his novel's characters, she searches for the hidden truth about a crime committed decades ago. Then someone close to her dies while an evil presence looms even closer: a man who will use anyone -- and anything -- to get what he wants . . .

Envy Helmut Schoeck,1987

Envy Media Adams,2011-08-18 The Seven Deadly Sins have sliced up the dictionary and taken what's theirs. No one vice is too greedy as each volume prides itself on having more than 500 entries. Word lovers will lust after these richly packaged volumes--and once you've collected all seven, you'll be the envy of all your friends. Envy: A Dictionary for the Jealous Everyone else will be turning green when the Envious reveal their desirable new vocabularies. From A to Z, each entry feeds the monster and makes it want that much more.

The Moral Psychology of Envy Sara Protasi,2022-08-22 The book explores the role of envy in society and its nature as a social emotion that is deeply concerned with both the self and others. It examines envy's morally problematic aspects but also its aspirations, its effects, and its manifestations in a variety of contexts both personal and political.

Jealousy and Envy Léon Wurmser,Heidrun Jarass,2011-02-25 Jealousy and envy permeate the practice of psychoanalytic and psychotherapeutic work. New experience and new relevance of old but neglected ideas about these two feeling states and their origins warrant special attention, both as to theory and practice. Their great complexity and multilayered nature are highlighted by a number of contributions: the very early inception of the triangular jealousy situations; the prominence of womb envy and hatred against femininity rooted in the envy of female procreativity; the role of shame and the core of both affects; the massive effects of the embodiment of these feelings in the conscience (i.e., the envious and resentful attacks by the inner judge against the self); the attempt to construct a cultic system of sacrifices the would countermand womb envy by an all-male cast of killing, rebirth, redemption, and blissful nourishment; and finally, the projection of envy, jealousy, and their context of shame and self-condemnation in the form of the Evil Eye. Taken together, the contributions to the stunning and insightful volume form a broad spectrum of new insights into the dynamics of two central emotions of rivalry and their clinical and cultural relevance and application.

Envy Theory Frank John Ninivaggi, M.D.,2010-09-16 This book introduces envy theory, a conceptual exploration of hypotheses and conjectures about the mind's fundamental cognitive and emotional makeup. It addresses basic propositions about human psychology, consciousness, and the meaning of personhood. Envy theory draws from psychology, psychoanalysis, neuroscience, cognitive science, phenomenology, and aspects of the humanities in constructing models of envy in the human condition.

Holy Envy Barbara Brown Taylor,2019-03-30 The renowned Christian preacher and New York Times bestselling author of *An Altar in the World* recounts her moving discoveries of finding the sacred in unexpected places while teaching world religions to undergraduates in Baptist-saturated rural Georgia, revealing how God delights in confounding our expectations. Christians are taught that God is everywhere--a tenet that is central to Barbara Brown Taylor's life and faith. In *Holy Envy*, she continues her spiritual journey, contemplating the myriad ways she encountered God while exploring other faiths with her students in the classroom, and on field trips to diverse places of worship. Both she and her students ponder how the knowledge and insights they have gained raise important questions about belief, and explore how different practices relate to their own faith. Inspired by this intellectual and spiritual quest, Barbara turns once again to the Bible for guidance, to see what secrets lay buried there. Throughout *Holy Envy*, Barbara weaves together stories from her classroom with reflections on how her own spiritual journey has been challenged and renewed by connecting with people of other traditions--and by meeting God in them. At the heart of her odyssey is her trust that it is God who pushes her beyond her comfortable boundaries and calls us to disown our privatized versions of the divine--a change that ultimately deepens her relationship with both the world and with God, and ours.

The Psychology of Jealousy and Envy Peter Salovey,1991-02-15 After decades of banishment to popular magazines and advice columns, jealousy and envy have emerged as legitimate topics of scientific inquiry. This volume includes chapters from nearly every major contributor to the psychological literature in this area. From

emotional, and cognitive processes that underlie jealousy and envy; to the ways these emotions are experienced and expressed within close relationships; to family, societal, and cultural contexts, the volume offers a definitive statement of current theory and research.

Envy Laurie Beckelman,1995 A discussion of envy and how it affects relationships and self-esteem in teenagers. Hotline.

Envy Юрий Карлович Олеша,1967 This is the most comprehensive collection in English of Olesha's work. It includes eight stories that have been translated especially for the Anchor edition.--Back cover.

Beyond Envy Sally Fiorenza,Gerald Peckham,2008-10-19 Eddie Fiorenza suffered second and third degree burns over ninety percent of his body. The Doctors said he would never live, but with God, his Mother and Girlfriend by his side Eddie was given a second chance.

The Philosophy of Envy Sara Protasi,2021-07-15 Envy is almost universally condemned. But is its reputation warranted? Sara Protasi argues envy is multifaceted and sometimes even virtuous.

Envy Joseph Epstein,2003-08-28 The best-selling author of *Snobbery: The American Version* offers a lively, philosophical treatise on the deadly sin of envy, examining the diverse faces and manifestations of envy, the thoughts of the great philosophers, and discussing the malice that underlies envy, in the first volume in a new series exploring each of the Seven Deadly Sins. (Philosophy)

Keeping Up with the Joneses Susan J. Matt,2013-04-19 A century ago many Americans condemned envy as a destructive emotion and a sin. Today few Americans expect criticism when they express envy, and some commentators maintain that the emotion drives the economy. This shift in attitude is Susan Matt's central concern. *Keeping up with the Joneses: Envy in American Consumer Society, 1890-1930* examines a key transition in the meaning of envy for the American middle class. Although people certainly have experienced envy throughout history, the expansion of the consumer economy at the turn of the twentieth century dramatically reshaped the social role of the emotion. Matt looks at how different groups within the middle class—men in white-collar jobs, bourgeois women, farm families, and children—responded to the transformation in social and cultural life. *Keeping Up with the Joneses* traces how attitudes about envy changed as department stores, mail-order catalogs, magazines, movies, and advertising became more prevalent, and the mass production of imitation luxury goods offered middle- and working-class individuals the opportunity to emulate upper-class life. Between 1890 and 1910 moralists sought to tame envy and emulation in order to uphold a moral economy and preserve social order. They criticized the liberal-capitalist preoccupation with personal striving and advancement and praised the virtue of contentment. They admonished the bourgeoisie to be satisfied with their circumstances and cease yearning for their neighbors' possessions. After 1910 more secular commentators gained ground, repudiating the doctrine of contentment and rejecting the notion that there were divinely ordained limits on what each class should possess. They encouraged everyone to pursue the objects of desire. Envy was no longer a sin, but a valuable economic stimulant. The expansion of consumer economy fostered such institutions as department stores and advertising firms, but it also depended on a transformation in attitudes and emotional codes. Matt explores the ways gender, geography, and age shaped this transformation. Bridging the history of emotions and the history of consumerism, she uncovers the connection between changing social norms and the growth of the consumer economy.

Envy and Jealousy in Classical Athens Ed Sanders,2014 The author applies to Athenian culture and literature insights on the contexts, conscious and subconscious motivations, subjective manifestations, and indicative behaviours of envy, jealousy, and related emotions, derived from modern (post-1950) philosophical, psychological, psychoanalytical, sociological, and anthropological scholarship. This enables an exploration of both the explicit theorization and evaluation of envy and jealousy in ancient Greek texts, and also the more oblique ways in which they find expression across a variety of genres - in particular philosophy, oratory, comedy and tragedy.

Envy: A Luxe Novel Anna Godbersen,2009-01-27 In 1899 Manhattan, Elizabeth Holland refuses to resume her position in society, mutual scorn divides newlyweds Henry and Penelope Schoonmaker, and the social position of Penelope's best friend, Carolina Broad, is far from secure.

Envy Victoria Christopher Murray,2018-06-19 Now a Lifetime movie event! From the NAACP Image award winner and national bestselling author Victoria Christopher Murray, a novel inspired by the seven deadly sins about a woman who wants more than just a relationship from her newly discovered half-sister—she wants her life. A heart at peace gives life to the body, but envy rots the bones. Gabrielle Wilson has the perfect life: a Beverly Hills mansion, a loving family, and a massively successful PR firm. When her father admits that an affair he had years before resulted in a daughter, Gabrielle is shocked, but is actually happy. Could this be the sister she has been praying for all her life? Keisha Jones's life is a struggle. Her late mother worked on the streets, and school was its own nightmare. When Gabrielle offers to fly Keisha out of Arkansas to meet the family, Keisha instantly agrees. But Gabrielle doesn't realize that Keisha has known about the Wilsons for years. Keisha is determined to have everything she has always envied, and nothing can stand in her way. Includes a reading group guide with an author Q&A and discussion questions for book clubs.

Envy Gregg Olsen,2015-06-08 New York Times bestselling adult true crime author Gregg Olsen makes his YA debut with *Empty Coffin*, a gripping new fiction series for teens based on ripped-from-the-headlines stories...with a paranormal touch. Crime lives--and dies--in the deceptively picture-perfect town of Port Gamble (aka Empty Coffin), Washington. Evil lurks and strange things happen--and 15-year-olds Hayley and Taylor Ryan secretly use their wits and their telepathic twin-sense to uncover the truth about the town's victims and culprits. *Envy*, the series debut, involves the mysterious death of the twins' old friend, Katelyn. Was it murder? Suicide? An accident? Hayley and Taylor are determined to find out--and as they investigate, they stumble upon a dark truth that is far more disturbing than they ever could have imagined. Based on the shocking true crime about cyber-bullying, *Envy* will take you to the edge--and push you right over.

Spiritual Envy Michael Krasny,2012 Provides direction for believers and non-believers on understanding their own questions about faith, religion, God, and human responsibility.
