Epiphany Fleming Rutledge, 2023-11-14 We have beheld his glory, glory as of the only Son from the Father. This line from the prologue of the Gospel of John declares the theme of Epiphany. Christmas celebrates Christ's birth; Epiphany manifests his glory. The feast of Epiphany and its following season are not as well observed as they should be. Many of us associate Epiphany with the visit of the Magi but don't know much more about it. In this short volume, priest and theologian Fleming Rutledge expounds the primary biblical texts and narrative arc of the season, inviting us to discover anew the glory of God in the face of Jesus Christ. Each volume in the Fullness of Time series invites readers to engage with the riches of the church year, exploring the traditions, prayers, Scriptures, and rituals of the seasons of the church calendar.

Epiphany Dr. J. Ernesto Molina, 2016-10-31 Epiphany: A Story of Faith, Hope, and Revelation by Dr. J. Ernesto Molina Many stories have been written about the visit of the Three Kings from the Orient. Guided by a star, they came to Bethlehem to render homage to the newborn King Jesus Christ, Savior of the world. These visitors have been called Kings, Wise Men, Magi, and Astrologers – but their origin has remained obscure to say the least. The Christian tradition of the Kings visit stems from the Gospel of St. Mathew (2:1-2). However, many questions have not been answered like: Who were they? Why did they come? How did they know about Jesus, being pagans? Where did they come from? What were their names? Where were they buried? And where are their remains now? Epiphany: A Story of Faith, Hope, and Revelation attempts to fill the gap of information that exists in the history of the Three Kings who visited the holy family at the time of Jesus' birth in Bethlehem.

Epiphany Ferrol Sams, 1995-12-01 From the bestselling author of eight novels, including *Run with the Horsemen*. Each of these novella-length tales focuses on an epiphany—a revelation born of an unlikely interchange. A quixotic old doctor who loves poetry and battles bureaucracy talks with his new patient, an ex-con whose story of racism and injustice changes them both. The mettle of a man's 40-year marriage is examined when he and his wife, on an expedition to gather wild plants, survive a series of odd accidents and strange encounters in the remote Georgia mountains. A group of smart-alecky high school seniors interviews the town's oldest citizen and learns a lesson or two about the not-so-good (but maybe not-so-bad) old days and the bonds that can bridge generations. In *Epiphany*, Ferrol Sams once again displays the warmth, humor, and wisdom that have delighted readers and earned him many a comparison to Mark Twain. "In typical Sams style, the three stories . . . are written with humor and heart. He is a master storyteller."—Macon Telegraph

Annunciation, Incarnation, Manifestation Diane Zike, 2012-02-18 Daily meditations for Advent through Epiphany Annunciation, incarnation and manifestation... These three words provide the connections between the seasons of Advent, Christmas and Epiphany. They are also links to the major theme of the seasons: the son of God coming into the world.... These three seasons together draw sharply into focus the fulfillment of God's promise to us in the birth of Jesus Christ our Redeemer.

Epiphany Patrick Totman, 2018-10-24 This is the story of a family, a very extended and decidedly non-nuclear family with multiple explosive secrets. Family members interact with powerful governmental, financial, and religious forces at a time of seismic cultural shifts in the late twentieth and early twenty-first centuries. The Berlin Wall and the Iron Curtain are falling. Crises arise within and outside the family. Adam Thelen is the third son of the family patriarch, and he is a priest. He has a forbidden love affair and also responds to the evil acts of a fellow priest. Adam is shocked at his own actions. Is he any less malign than his family's adversaries? This saga of a family with strong ties to global, religious, and financial institutions will continue with volume 2—*Epiphany: The Paraclete*.

Epiphany Paul Harrington, 2009-12-10 A dazzling star compels Melchior, Gaspar and Balthazar to begin a journey. From the bamboo forests of China to the hidden city of Petra, from the summits of Arabia to the searing sands of Ethiopia, the Magi will battle supernatural forces, treachery and the fist of Rome to reach Bethlehem. But with blood and betrayal their constant companions, the Magi wonder if they journey to destiny, or death?

Epiphany Armour Patterson, 2019-11-04 A Divine Revelation That Changed Everything... For all who have entered

into the unique, eternal covenant with the sole living God, Christmas, in its essence, is the remembrance of and reflection upon the ultimate gift. God gave once for all people and for all time His only Son to dwell amongst us, changing the world forever. He completed a covenant initiated two thousand years before, provided the one requisite sacrifice, and lit the path unto salvation for the people of all nations. In the observance of Epiphany, we reflect not only upon the Advent of Immanuel, God With Us, but also on that first going out of the light of the nations and His salvation toward the end of the earth. In these devotionals following the course of Matthew 2, the reader is invited to look beyond the night of Jesus' birth toward the unfolding of His new covenant for all people. Author Bio: Armour has spent much of his life in the Middle East afoot or in the saddle; aboard felucca, boat, and ship; as well as driving roads both crowded and known and remote and unmarked. He traversed the cities, ruins, deserts, hills, mountains, and waters of the lands of the Bible. He is a freelance writer and itinerant preacher and lives in North Texas with his wife, Rachel. About the Publisher: Innovo Publishing LLC provides full-service publishing services for Christian authors, artists & ministries with turn-key media solutions for books, eBooks, audiobooks, music, film, and courses using traditional, co-operative, and independent publishing models.

Return Another Way Muriel Tarr Kurtz,2013-01-03 The traditional advent wreath does not include a candle for the Wise Men, but we know they have a special place in our Christmas celebrations. They deserve our interest. This book continues the story to Epiphany, which is January 6, the day the Wise Men were thought to have arrived in Bethlehem. It emphasizes the significance of Epiphany both as a day and as an experience. What is the meaning of Epiphany? The Wise Men had an epiphany, just as we have them. It is that magical moment when the light goes on in your head. Suddenly you know something to be true. The Wise Men knew Jesus was special, unique, worthy of the efforts they had made to meet Him. The word-of-mouth predictions they had heard were right on. As in her first book, Prepare Our Hearts, the author presents a story with a Bible reference and suggests an activity the family can enjoy together. The stories and suggestions can help each family create special times, memories to cherish. The goal is to enrich the family experience by sharing thoughts, activities, and learning together.

The Light of the World Harold Bassage,2011-10

Oriens Fr. Joel Sember,2021-07-23 Make a life-changing pilgrimage, beginning this Advent. Oriens is a Latin word meaning "rising" and "dawn." Your Oriens journey begins on the First Sunday of Advent and continues until the feast of the Presentation on February 2. Every day, you'll take a step closer to "the dawn from on high." Father Joel Sember is your leader on this pilgrimage, one in which you will learn what God is revealing to you through Scripture and prayer. With Oriens as your guidebook, you'll learn how to pray, or to pray more deeply. Each day you'll read a Scripture passage, receive Father Joel's guidance on how to pray with that passage, and find questions for reflection and journaling. If in years past you have found yourself on Christmas wondering how you missed Advent, this book will speak to you. If you utilized Oriens for the first time last year to deepen your

preparation during Advent and celebration during Christmas, then you already know this book will open your heart to hearing the voice of God. Welcome, Oriens pilgrim.

Oriens Father Joel Sember, 2020-07-10 Make a life-changing pilgrimage, beginning this Advent. While the world rushes, you'll slow down. While others are distracted, you'll find focus. When everything seems dark, you'll see light. Oriens: a Latin word meaning rising and dawn. Your Oriens journey begins on the First Sunday of Advent and continues until the feast of the Presentation on February 2. Every day, you'll take a step closer to the dawn from on high. Father Joel Alexander Sember is your guide on an entirely new pilgrimage, one in which you will learn what God is revealing to you, uniquely, through Scripture and prayer. In Oriens: A Pilgrimage Through Advent and Christmas, you'll learn how to pray, or to pray more deeply. Each day you'll read a Scripture passage, receive Father Joel's guidance on how to pray with that passage, and find questions for reflection and journaling. If in years past you have found yourself reaching Christmas only to wonder how you missed Advent, this book will speak to you. If other Advent reflection books have seemed shallow or unfulfilling, this book will open your heart to hearing the voice of God. Welcome, Oriens pilgrim. Fr. Joel has written a warm and practical guide for our pilgrimage through the liturgical seasons of Advent and Christmas. Derived from his experiences as a pastor, spiritual director, and pilgrim himself, this book will guide all who read it into a deeper friendship with Jesus Christ. During this time of uncertainty and spiritual hunger, this simple yet profound book reminds all of us that God has come to save us and to give us hope. – Bishop David L. Ricken, Diocese of Green Bay, Wisconsin Fr. Joel Sember's Advent resource, Oriens: A Pilgrimage through Advent and Christmas, provides an accessible and practical guide for personal prayer as the Church prepares for and celebrates the birth of Christ. By design, Fr. Sember avoids writing meditations based on the season's Scriptures. Instead, he shares daily encouragement for people who want to encounter the Lord for themselves through the beautiful biblical passages drawn from the Church's liturgy in these weeks. Using the analogy of a walking pilgrimage to describe the annual journey through Advent and Christmas, Fr. Sember fosters the journey of the heart of the Christian, who desires to enter into a deeper personal relationship with the Lord. Fr. Sember's approach in helping people to notice how the Lord is addressing them uniquely will help many people to experience the Lord's presence more deeply in their own lives. – Fr. Jim Rafferty, director of spiritual formation at the Institute for Priestly Formation A delight to read, Fr. Joel Sember provides an opportunity for our Advent journey to be one grounded in the rhythm of prayer and pilgrimage. With great joy and humility, Fr. Joel combines wisdom from the Scriptures with impactful lessons from his own life. A gem of a book! – Julianne Stanz, Director of Parish Life and Evangelization, Diocese of Green Bay The Catholic faithful want to know how to enter into the depths of prayer. They want to go beyond just mealtime, bedtime, and scripted prayers. Fr. Joel Sember teaches methods of prayer for the seasons of Advent and Christmas, allowing all the faithful to take their communication to and with God to the next level. – Fr. Edward Looney, author of A Rosary Litany

Time of My Life Myf Warhurst, 2022-09-28 We all have a soundtrack to our lives, songs that as soon as we hear

them we're transported to a moment in time. As the youngest child, and only girl, in a family of creative types, Myf Warhurst grew up with the music in her. Whether she was watching Daryl Braithwaite on TV on a Sunday night or listening to the crackle of the needle across vinyl as Agnetha and Anni-Frid took her from rural Victoria to Eurovision, music has always shaped Myf's life. Later her love of music (and the realisation that a professional pianist gig wasn't part of the plan) would shape her career. But music isn't just about memories. It's a safe place for people who feel different. Songs and lyrics helped Myf make sense of the world and deal with heartbreak and uncertainty. Music steered her hopes and fashion choices, cemented friendships and bonded family. In *Time of My Life* she shares funny, fabulous and occasionally fraught tales about growing up in a small country town with an unhealthy obsession with Countdown, then working in Australian radio and her experiences on the much-loved music quiz show Spicks & Specks. She spills the backstage beans on work, fame, feminism, failure, love and success. Like a sommelier matches food with wine, Myf matches hits with memory, and in the process reminds us all that, as Louis Armstrong said, 'Music is life itself.' A captivating and joyous memoir of wisdom, humour and heart that unleashes the music within us all.
