Gamechanger Spencer FC,2018-08-09 How one man went from gaming and making videos at home to becoming a football club owner 'The bizarre new world of football' Guardian I lifted the trophy triumphantly over my head, just as I'd seen so many FA Cup, World Cup and Champions League winners do on TV. It was quite simply the best moment of my life. Hashtag United had won. So, how on earth did this happen? How did a kid who at one point couldn't even get in his school team end up playing at Wembley Stadium in front of 20,000 people? How did someone who spent his life playing computer games get to play football in the same side as World Cup- and Champions League-winning players? I'm hardly sure myself. But here's my attempt to tell the story.

Football Club Management Ian Lawrence,2018-01-29 The rapid global growth of the sport industry has prompted the need for a more commercial approach to the management of sport clubs. This book is the first study of its kind to focus on the management of professional football clubs, providing a real-world insight into management principles and their practical application. The international commercialisation of football has led to a fundamental transformation of the industry's management practices, given the financial rewards of success and the high price of failure. This book presents a critical examination of this transformation, questioning why clubs are increasingly adopting management strategies from other industries. Each chapter analyses the role played by a key leadership figure within a club, such as the owner, chief executive officer (CEO), chief financial officer (CFO), chief operating officer (COO), director of football (DoF), and head coach. Full of exclusive interviews, case studies and examples of best practice, this book sheds new light on the challenges of working in this extraordinarily high-pressure environment. Football Club Management: Insights from the Field is fascinating reading for all those working in or studying the management, marketing or administration of football.
