Faker Sarah Echavarre Smith,2019-10-08 One of Bustle's Most Anticipated Fall Releases Debut author Sarah Smith nails this fun and sexy rom-com where two office foes hammer out their differences to build a love that will last.... Emmie Echavarre is a professional faker. She has to be to survive as one of the few female employees at Nuts & Bolts, a power tool company staffed predominantly by gruff, burly men. From nine to five, Monday through Friday, she's tough as nails--the complete opposite of her easy-going real self. One thing she doesn't have to fake? Her disdain for coworker Tate Rasmussen. Tate has been hostile to her since the day they met. Emmie's friendly greetings and repeated attempts to get to know him failed to garner anything more than scowls and terse one-word answers. Too bad she can't stop staring at his Thor-like biceps... When Emmie and Tate are forced to work together on a charity construction project, things get...heated. Emmie's beginning to see that beneath Tate's chiseled exterior lies a soft heart, but it will take more than a few kind words to erase the past and convince her that what they have is real.

Faker's Guide to the Classics Michelle

Witte, 2013-05-21 DIV With a chatty voice and sarcastic style, *The Faker's Guide to the Classics* condenses the great—but long and often complicated—novels, plays, and poems into bite-size nuggets of info that are easy to digest, cutting out the bloated analysis and nauseating debate of other reading guides. From *Anna Karenina* and *Beowulf* to *Ulysses* and *Wuthering Heights*, each of the 100 books profiled here is a classic that everyone talks about but only hardcore lit majors have actually read. Now, with *The Faker's Guide to the Classics*, you, too, can: Reminisce about books you were supposed to read for class but didn't; fudge literary discussions at fancy parties; impress a date with your incredible knowledge and wit; and cut through the ivory tower of world letters to read like a ninja! Each entry contains: a quick and dirty narrative description of plot points and overall story, including significant twists and surprise endings, told with humorous brevity; famous quotes from each work, accompanied by smartass responses; the original cover or an illustration conveying the work's tone (or lack thereof). Brief author bios, including misdeeds and scandals, add illuminating and occasionally disgusting background to each work. All of the text appears in simple, contemporary English, so it's easy to understand—and short enough to tweet. With this must-have guide, there's no more need to worry whether a reference to Miss Havisham is an

insult or to wonder what happened to Moby-Dick.
Not reading the classics has never been easier!

Faker Mike Carey, Jock, 2008-10

The Faker Gina Azzi, 2021-04-21 NHL hotshot
Torsten Hansen is a lot of things. My husband
shouldn't be one of them. One emotional night
slinging tequila shots and singing karaoke with
the Hawks defenseman turns into more than I
bargained for. A wicked hangover, an eviction
notice, and a marriage proposal. If Torsten and I
wed, he can fulfill a promise to his grandmother
and the debt I'm drowning in will be paid by his
trust fund. It's a win-win, an easy and
straightforward arrangement between friends. So
what if my friend has piercing blue eyes, a
sensual smirk, and a body that occupies my dreams?
It shouldn't matter that Torsten understands my
past and makes me feel safe. Home. Except it does.
Because if I give my heart to my husband, how will
I survive our eventual divorce?

**Spotting Fakers, lies, and illusions using
elementary theories about the mind** Miklos
Zoltan, 2013-10-14 Our minds are more accurate than
we might think. False information is the weak spot
of our marvelous minds. It does not matter how
precise a computer is, if we feed it false
information (wrong data) the result of its
computation will be incorrect. Similarly false
information is the cause of most (if not all)
human error. In this age, we have access to
endless uncensored and unverified data, which
contains significant quantities of false
information. Unlike computers, our minds are

highly trained to detect and filter out most of the false information but occasionally we accept some as true. The problem with false information is that once we accept it as true, we will think with it as true. Since we accepted it, we tend not to look at it again. The good news is that it is simple to find and handle false information once we know how. Every accepted false information, false assumption, illusion, and lie we handle gets us a step closer to our true potential. Every one of these is a hidden splinter in our mind therefore handling them is very rewarding. When accepted, even the smallest amount of false information is enough to cause us a great deal of trouble. This simple but in-depth exploration reveals why we accept some of the false information and how to give our "lie detector" a permanent turbo boost. The journey starts with Fakers who use lies, illusions, and deceit to get ahead in life instead of an honest exchange. They earned the spotlight because they intentionally spread large amounts of false information. The theories presented reveal the root cause of their actions as well as how to spot and deal with them. The casual writing style and everyday examples ensure easy understanding of these seemingly involved subjects. Prior education in the related fields is not required. It's no fun to be exploited or betrayed. Life is much more fun when we can avoid such potential trouble. In addition, the introduced theories, methods, and practices can assist in solving persistent problems related to study, business, science, and more. Learning new skills can be time consuming and challenging

even without the presence of false information. The increased ability to spot the fake and the false can positively affect our progress in life.

Misty and Faker Mystery Elf,2017-02-13 Misty and Faker are two ordinary people except for the part where they are only one foot tall. Misty embraces her size by dressing up like an elf all the time while faker prefers to dress like a normal guy. Don't forget that they love to cook together, making food for the polar bears to eat. One day they were just exploring and they ran into a big brick house (or more like the size of a mansion). They decide to go inside, but end up getting trapped. They find their way out, but must find a way to help the two people that trapped them. If they are able to help them it will change their lives forever. Will they do it? Will they be able to help or make it worse?

Faker Mike Carey,2008 A group of freshmen at a Midwestern college comes back from winter break to find their lives suddenly derailed. Amateur extortionist Jessie Kidby, sports scholar Paul Saknussen, Yvonne Latimer (will hack for food), and sexual plaything Marky Sale have almost nothing in common, except that they all share the same house, went to the same insane party and puked up their insides. And the next morning there are holes in their memories that they just can't explain.

Heartbreakers and Fakers Cameron Lund, 2022-02-01

From the author of *The Best Laid Plans* comes another fresh voiced, hilarious rom-com perfect for fans of *You Have a Match* and *The Rest of the Story*. Penny Harris just ruined her life. As one of the most popular girls in school, she's used to being invited to every party, is dating the Jordan Parker, and can't wait to rule senior year with her best friend, Olivia. But when Penny wakes up on Jordan's lawn the morning after his first-day-of-summer bash, she knows something went horribly wrong the night before. She kissed Kai Tanaka. Kai, her longtime nemesis. Kai, Olivia's boyfriend. Penny can't figure out what could have inspired her to do it--she loves Jordan and she would never hurt Olivia--but one thing's for sure: freshly dumped, and out a best friend, the idyllic summer she pictured is over. And despite the fact that Jordan seems to be seeking comfort (and a whole lot more) in Olivia, all Penny can think about is winning him back. Kai wants to save his relationship too, so they come up with a plan: convince their friends that they really do have feelings for each other. After all, everyone forgives a good love story, and maybe seeing Penny and Kai together will make Jordan and Olivia change their minds. But as summer heats up, so does Penny and Kai's relationship, and Penny starts to question whether she's truly faking it with Kai, if he's really as terrible as she always thought he was, and if the life she's fighting so hard to get back is the one she really wants.

The Faker and the Finder Haley Schmidt, 2020-05
In *The Faker and the Finder*, the author's transparency of a dirty soul helps the reader become aware of a Divine relief for a heavily wounded spirit. An unveiling of the impact of tragedy and trauma on the mind and body, she takes the hand of the reader and walks them step-by-step through her journey of trying to fake her way back into feeling alive. The Finder's restoration plan for her existence and eternity revealed a Father who would not surrender control.

Faker Nicholas T McDonald, 2015-06-02 How to be free from the pressure to pretend Have you ever felt like a faker? Facebook, Twitter and Instagram allow us to paint beautiful pictures of our lives. But many of us feel like fakers. If people really knew who we were, what would they think? Would

they still care? What would life look like if we stopped pretending? This book not only explores that question, but provides the thrilling answer found in a short story told 2,000 years ago. This richly illustrated book for teens and older brings the power of this exciting story to bear on our modern lives.

Foley is Good Mick Foley, 2002-06-04 In *Foley Is Good*, Mick Foley -- former Commissioner of the World Wrestling Federation, aka Cactus Jack, Dude Love, and Mankind -- picks up right where his smash #1 New York Times bestseller *Have a Nice Day!* left off, giving readers an inside look at the behind-the-scenes action in the Federation. With total honesty and riotous humor, Mick Foley shines a spotlight into some of the hidden corners of the World Wrestling Federation. From the ongoing controversy surrounding backyard wrestling to the real story behind his now-infamous I Quit match with The Rock, Foley covers all the bases in this hysterically funny roller-coaster ride of a memoir.
