

# FirstClass

John Friedman

*First Class* Alison Stewart, Melissa Harris-Perry, 2013-08-01 Combining a fascinating history of the first U.S. high school for African Americans with an unflinching analysis of urban public-school education today, *First Class* explores an underrepresented and largely unknown aspect of black history while opening a discussion on what it takes to make a public school successful. In 1870, in the wake of the Civil War, citizens of Washington, DC, opened the Preparatory High School for Colored Youth, the first black public high school in the United States; it would later be renamed Dunbar High and would flourish despite Jim Crow laws and segregation. Dunbar attracted an extraordinary faculty: its early principal was the first black graduate of Harvard, and at a time it had seven teachers with PhDs, a medical doctor, and a lawyer. During the school's first 80 years, these teachers would develop generations of highly educated, successful African Americans, and at its height in the 1940s and '50s, Dunbar High School sent 80 percent of its students to college. Today, as in too many failing urban public schools, the majority of Dunbar students are barely proficient in reading and math. Journalist and author Alison Stewart—whose parents were both Dunbar graduates—tells the story of the school's rise, fall, and possible resurgence as it looks to reopen its new, state-of-the-art campus in the fall of 2013.

**First Class** Christopher W. Shaw, 2021-11-09 Investigating the essential role that the postal system plays in American democracy and how the corporate sector has attempted to destroy it. With *First Class: The U.S. Postal Service, Democracy, and the Corporate Threat*, Christopher Shaw makes a brilliant case for polishing the USPS up and letting it shine in the 21st century.—John Nichols, national affairs correspondent for *The Nation* and author of *Coronavirus Criminals and Pandemic Profiteers: Accountability for Those Who Caused the Crisis* *First Class* is essential reading for all postal workers and for our allies who seek to defend and strengthen our public Postal Service.—Mark Dimondstein, President, American Postal Workers Union, AFL-CIO The fight over the future of the U.S. Postal Service is on. For years, corporate interests and political ideologues have pushed to remake the USPS, turning it from a public institution into a private business—and now, with mail-in voting playing a key role in local, state, and federal elections, the attacks have escalated. Leadership at the USPS has been handed over to special interests whose plan for the future includes higher postage costs, slower delivery times, and fewer post offices, policies that will inevitably weaken this invaluable public service and source of employment. Despite the general shift to digital communication, the vast majority of the American people—and small businesses—still rely heavily on the U.S. postal system, and many are rallying to defend it. *First Class* brings readers to the front lines of the struggle, explaining the various forces at work for and against a strong postal system, and presenting reasonable ideas for strengthening and expanding its capacity, services, and workforce. Emphasizing the essential role the USPS has played ever since Benjamin Franklin served as our first Postmaster General, author Christopher Shaw warns of the consequences for the country—and for our democracy—if we don't win this fight. Praise for *First Class*: Piece by piece, an essential national infrastructure is being dismantled without our consent. Shaw makes an eloquent case for why the post office is worth saving and why, for the sake of American democracy, it must be saved.—Steve Hutkins, founder/editor of *Save the Post Office* and Professor of English at New York University The USPS is essential for a democratic American society; thank goodness we have this new book from Christopher W. Shaw explaining why.—Danny Caine, author of *Save the USPS* and owner of the Raven Book Store, Lawrence, KS Shaw's excellent analysis of the Postal Service and its vital role in American Democracy couldn't be more timely. ... *First Class* should serve as a clarion call for Americans to halt the dismantling and to, instead, preserve and enhance the institution that can bind the nation together.—Ruth Y. Goldway, Retired Chair and Commissioner, U.S. Postal Regulatory Commission, responsible for the Forever Stamps In a time of community fracture and corporate predation, Shaw argues, a first-class post office of the future can bring communities together and offer exploitation-free banking and other services.—Robert Weissman, president of Public Citizen

*First Class* Sharon Disher, 2013-07-31 When Sharon Hanley Disher entered the U.S. Naval Academy with eighty other young women in 1976, she helped end a 131-year all-male tradition at Annapolis. Her entertaining and shocking account of the women's four-year effort to join the academy's elite fraternity and become commissioned naval officers is a valuable chronicle of the times, and her insights have been credited with helping us understand the challenges of integrating women into the military services. From the punishing crucible of plebe summer to the triumph of graduation, she describes their search for ways to survive the mental and physical hurdles they had to overcome. Unflinchingly frank, she freely discusses the prejudice and abuse they encountered that often went unpunished or unreported. A loyal Navy supporter, nevertheless, Disher provides a balanced account of life behind the academy's storied walls for that first group of teenaged women who charted the way for future female midshipmen. Lively, well researched, and amazingly good humored, the book seems as fresh today as it was when first published in hardcover in 1998.

**Inventory of Books in the Library of Thomas Nelson Page**, 1922

**First Class Life** Lindsey Vertner, 2020-06-30 Do you ever find yourself seemingly on autopilot and just going through the motions of life? Do you ever feel like you have everything you need except for some reason, there's this lingering feeling of being unfulfilled? Are you looking for a way to maximize your purpose, increase your impact, and create intentional happiness in your life? Then, this book is DEFINITELY for you, my friend! In this book, you will learn exactly what it takes to create a high quality *First Class Life* for yourself and that overflows to those around you. You will learn how to decrease stress so that you can spend more time maximizing your impact. You will learn how to be intentional about achieving your goals and creating a life full of purpose. Some of the strategies that you will learn in this book include: -Understanding the power of your thoughts! -Why self-care is important to your mental & emotional health! -The importance of boundaries, gratitude, and your ability to say no! -Increasing your Confidence Power! -How to identify your level of self-worth! -And much, much more!!! In 2007, a fatal car wreck left Lindsey brain dead and paralyzed. It was with that experience that she chose to turn her pain into purpose. She fought for her life physically, mentally, and emotionally. To everyone's shock, she made a miraculous recovery and was able to create the life she truly desired. Now, through coaching and speaking, it is her mission to teach others around the world how to create their own *First Class Life* full of purpose, fulfillment, and happiness! **A First Class Temperament** Geoffrey C. Ward, 2014-09-09 In this classic of American biography, based upon thousands of original documents, many never previously

published, the prize-winning historian Geoffrey C. Ward tells the dramatic story of Franklin Roosevelt's unlikely rise from cloistered youth to the brink of the presidency with a richness of detail and vivid sense of time, place, and personality usually found only in fiction. In these pages, FDR comes alive as a fond but absent father and an often unfeeling husband--the story of Eleanor Roosevelt's struggle to build a life independent of him is chronicled in full--as well as a charming but pampered patrician trying to find his way in the sweaty world of everyday politics and all-too willing willing to abandon allies and jettison principle if he thinks it will help him move up the political ladder. But somehow he also finds within himself the courage and resourcefulness to come back from a paralysis that would have crushed a less resilient man and then go on to meet and master the two gravest crises of his time.

*How to Win at College : Surprising Secrets for Success from the Country's Top Students* Cal Newport, 2005

**First Class Fatherhood** Alec Lace, 2022-04-12 Did you know that in the United States alone, more than one in four children live in a home without a father? When Alec Lace recognized this crisis and launched his parenting podcast 2018, his mission was simple: to give dads an opportunity to encourage others, by sharing the experiences and wisdom they've gained during their respective journeys. A few years and hundreds of interviews later--including with many high-profile dads from sports, media, politics, the military, and other industries--Alec has curated a rich collection of anecdotes that provides guidance and inspiration on a wide array of topics, including but not limited to Advice for about-to-be or new dads Finance and education Discipline Dating and social life Faith, values, and service Fitness and health, for both children and fathers How to be a fatherhood ambassador First Class Fatherhood will engage the reader with thought-provoking ideas and realistic solutions from fathers who have been through it all. Alec believes that being a father is the most important role a man can play in the game of life. And his hope is that this book will help change the narrative of fatherhood and family life, and greatly reduce the number of children growing up without a father in the home.

**First Class Citizenship** Michael G. Long, 2008-09-02 Never-before-published letters offer a rich portrait of the baseball star as a fearless advocate for racial justice. Jackie Robinson's courage on the baseball diamond is one of the great stories of the struggle for civil rights in America, but his death at age fifty-three in 1972 robbed America of his voice far too soon. Here, Robinson comes alive on the page, as scholar Long unearths a remarkable trove of Robinson's correspondence with--and personal replies from--such towering figures as Dwight Eisenhower, Richard Nixon, John F. Kennedy, Lyndon Johnson, Martin Luther King, Malcolm X, Hubert Humphrey, Nelson Rockefeller, and Barry Goldwater. Writing eloquently, Robinson charted his own course, offering his support to Democrats and Republicans, questioning the tactics of the civil rights movement, and challenging the nation's leaders. Robinson truly personified the first class citizenship that he considered the birthright of all Americans.--From publisher description

*Boy Scouts - A Guide to Building & Running a Scout Troop* Gilcraft, 2013-04-16 Originally published in 1930, this book is an exhaustively detailed manual of instruction and advice on how to build a scout troop. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Hesperides Press are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork. Contents Include The Architects Training: How Scouting Began. the Architects Designs: What Scouting Means. The Foundations of the Building: Scout Law. Beginning to Build: Tools ''Opened or Controlled''. Materials to Use: Practices. Beams and Girders: Individuality, Discipline. Assistance in Building: Parents, Church, School. Laying the First Courses: Tender Foot Tests, Investiture. Working to Plan: Outdoor Atmosphere. Adding Another Storey: Second-Class Tests. Roofing the Building: First Class Tests. Decorating: Badges, Handcrafts. Housekeeping: Records, Finance. The Domestic Staff: Scoutmaster, Assistant Scoutmaster, Troop Leader. The Family: Individual Scouts, Boy Nature. The Family Grows up: Looking Ahead, Employment. Annual Repairs: Troop Headquarters, Furnishing Gear. Entertainment: Rallies, Concerts. The Garden: Scouting and Religion, Church Parades. The Out-Of-Doors: Open-air-Scouting. Summer Holidays: Camping. Town and Country: Town Troops. The View from the Windows: Scouter's, Training, Brotherhood

**First Class Passengers on a Sinking Ship** Richard Lachmann, 2020-01-14 Why great powers decline, from Spain to the United States The extent and irreversibility of US decline is becoming ever more obvious as America loses war after war and as one industry after another loses its technological edge. Lachmann explains why the United States will not be able to sustain its global dominance, and contrasts America's relatively brief period of hegemony with the Netherlands' similarly short primacy and Britain's far longer era of leadership. Decline in all those cases was not inevitable and did not respond to global capitalist cycles. Rather, decline is the product of elites' success in grabbing control over resources and governmental powers. Not only are ordinary people harmed, but also capitalists become increasingly unable to coordinate their interests and adopt policies and make investments necessary to counter economic and geopolitical competitors elsewhere in the world. Conflicts among elites and challenges by non-elites determine the timing and mold the contours of decline. Lachmann traces the transformation of US politics from an era of elite consensus to present-day paralysis combined with neoliberal plunder, explains the paradox of an American military with an unprecedented technological edge unable to subdue even the weakest enemies, and the consequences of finance's cannibalization of the US economy.

**A Woman's Guide to Claiming Space** Eliza VanCort, 2023-02-21 For too long, women have been told to confine themselves-physically, socially, and emotionally. Eliza VanCort says now is the time for women to stand tall, raise their voices, and claim their space. Women fight the pressure to make themselves small in private, professional, and public spaces. VanCort, a teacher, consultant, and speaker, provides the necessary tools for women to rewrite the rules and create the stories of their choosing safely and without apology. VanCort identifies the five key behaviors of all Space-Claiming Queens: use your voice and posture to project confidence and power, end self-sabotage, forge connections, neutralize unsafe spaces, and unite across differences. Through personal narrative, research, and actionable strategies, VanCort provides how-tos on combating challenges, such as antimentors and microaggressions, and gives advice for building up your old girls club, asking for what you're worth, and owning your space without apology. Bold, fun, and enlightening, this book is birthed from VanCort's incredible story. Having a mother with schizophrenia forced VanCort to learn to be small and invisible at an early age, and suffering a traumatic brain injury as an adult required her to rethink communication from the ground up. Drawing on these experiences, and those of real women everywhere, VanCort empowers women to claim space for themselves and for their sisters with courage, empathy, and conviction because when we rise together, we rise so much higher.

**Going First Class?** Vered Amit,2011-06-01 People travel as never before. However, anthropological research has tended to focus primarily on either labor migration or on tourism. In contrast, this collection of essays explores a diversity of circumstances and impetuses towards contemporary mobility. It ranges from expatriates to peripatetic professionals to middle class migrants in search of extended educational and career opportunities to people seeking self development through travel, either by moving after retirement or visiting educational retreats. These situations, however, converge in the significant resources, variously of finances, time, credentials or skills, which these voyagers are able to call on in embarking on their respective journeys. Accordingly, this volume seeks to tease out the scope and implications of the relatively privileged circumstances under which these voyages are being undertaken.

**A First-Class Catastrophe** Diana B. Henriques,2017-09-19 The definitive account of the crash of 1987, a cautionary tale of how the U.S. financial system nearly collapsed ... Monday, October 19, 1987, was by far the worst day in Wall Street history. The market fell 22.6 percent--almost twice as bad as the worst day of 1929--equal to a loss of nearly 5,000 points today. But Black Monday was more than just a one-day market crash; it was seven years in the making and threatened the entire U.S. financial system. Drawing on superlative archival research and dozens of original interviews, the award-winning financial journalist Diana B. Henriques weaves a tale of ignored warnings, market delusions, and destructive decisions, a drama that stretches from New York and Washington to Chicago and California. Among the central characters are pension fund managers, bank presidents, government regulators, exchange executives, and a pair of university professors whose bright idea for reducing risk backfires with devastating consequences. As the story hurtles toward a terrible reckoning, the players struggle to avoid a national panic, and unexpected heroes step in to avert total disaster. For thirty years, investors, bankers, and regulators have failed to heed the lessons of Black Monday. But with uncanny precision, all the key fault lines of the devastating crisis of 2008--breakneck automation, poorly understood financial products fueled by vast amounts of borrowed money, fragmented regulation, gigantic herdlike investors--were first exposed as hazards in 1987. A First-Class Catastrophe offers a new way of looking not only at the past but at our financial future as well.--Dust jacket.

**First Class Killing** Lynne Heitman,2014-07-08 A female private investigator goes undercover to expose a high-flying prostitution ring in this "action-filled thriller [that] packs an erotic punch" (The Boston Globe). Tough, smart, and resourceful, Alex Shanahan survived the cutthroat corporate world on her own terms. Now she's using her hard-earned experience as a private investigator. Alex is hired to check out an airline that's been serving more than just in-flight beverages: there's a high-end prostitution ring catering to first-class passengers. Alex goes undercover as a flight attendant to infiltrate the group. But she can't stay hidden in the clouds forever, and when her cover is blown, the turbulence that follows might make this flight her last. "Get ready for the plane ride of your life. . . . Heitman is an excellent storyteller who creates wonderful and believable characters. . . . First Class Killing will leave readers eagerly awaiting the next Alex Shanahan novel." --Old Book Barn Gazette

**Mile High Club** Diana Benson,1997-11-01 Presents anecdotes of celebrities who flew on MGM Grand Air, and brief profiles of the flight attendants and the company

**When We Went First Class** Ellen Williamson,1990

**The American First Class Book** John Pierpont,1832

**Managing Sustainability** John Friedman,2020-04-07 Managing Sustainability: First Steps to First Class provides a compelling case, real-world examples, and the tools to follow a proven strategy for aligning sustainability efforts with existing organizational priorities. This strategy has taken companies from initial conception to the top of the sustainability rankings. Using examples from leading companies, readers will understand how to build--programs that drive results and enhance reputation. Benefits include enabling companies to attract, hire, retain, and fully engage the best talent, seize the innovation high ground with new and premium products and services, provide access to socially responsible investment capital, implement "best practices," earn license to operate, reduce compliance and regulatory costs, and more. Includes the latest trend to go beyond the organization's own "footprint" to integrate their values into their supply chains and build employee and customer loyalty by empowering these essential stakeholders to live their shared values. Sustainability professionals or business strategists who are seeking to integrate effective programs that match corporate strategy with the purpose and values-driven initiatives that engage employees, build customer loyalty, and improve license to operate will benefit from the author's more than 30 years' experience in corporate communications, business, and corporate sustainability.

## FirstClass Introduction

FirstClass Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. FirstClass Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. FirstClass : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for FirstClass : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks FirstClass Offers a diverse range of free eBooks across various genres. FirstClass Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. FirstClass Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific FirstClass, especially related to FirstClass, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to FirstClass, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some FirstClass books or magazines might include. Look for these in online stores or libraries. Remember that while FirstClass, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow FirstClass eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the FirstClass full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of FirstClass eBooks, including some popular titles.

## FAQs About FirstClass Books

1. Where can I buy FirstClass books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a FirstClass book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of FirstClass books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are FirstClass audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read FirstClass books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
