The Flaming Corsage William Kennedy, 2011-12-22

In a Manhattan hotel room, the Love Nest Killings of 1908 take place. But the mystery of who killed whom, and why, does not unravel until we explore the lives of Katrina Taylor and Edward Daughtery. He is a first-generation Irish American and a successful playwright. She is a high-born Protestant, a beautiful seductive woman with complex attitudes towards life. Their marriage is a passionate one, but a cataclysmic hotel fire changes it into something else altogether. Moving back and forth between the 1880s and 1912, *The Flaming Corsage* follows Katrina and Edward as other lives impact upon theirs-their socially opposed families; Edward's flirtatious actress paramour, Melissa Spencer; the physician Giles Fitzroy, and his wife; and Edward's friend, the cynical journalist Thomas Maginn. *The Flaming Corsage* evocatively portrays through the lens of Albany's robust Irishtown and English-Dutch aristocracy the seething, contradictory impulses of our humanity, lusts and furies that know no bounds of time or place.

Under a Flaming Sky Daniel Brown, 2016-02-01 On September 1, 1894 two forest fires converged on the town of Hinckley, Minnesota, trapping over 2,000 people. Daniel J. Brown recounts the events surrounding the fire in the first and only book on to chronicle the dramatic story that unfolded. Whereas Oregon's famous Biscuit fire in 2002 burned 350,000 acres in one week, the Hinckley fire did the same damage in five hours. The fire created its own weather, including hurricane-strength winds, bubbles of plasma-like glowing gas, and 200-foot-tall flames. In some instances, fire whirls, or tornadoes of fire, danced out from the main body of the fire to knock down buildings and carry flaming debris into the sky. Temperatures reached 1,600 degrees Fahrenheit--the melting point of steel. As the fire surrounded the town, two railroads became the only means of escape. Two trains ran the gauntlet of fire. One train caught on fire from one end to the other. The heroic young African-American porter ran up and down the length of the train, reassuring the passengers even as the flames tore at their clothes. On the other train, the engineer refused to back his locomotive out of town until the last possible minute of escape. In all, more than 400 people died, leading to a revolution in forestry management practices and federal agencies that monitor and fight wildfires today. Author Daniel Brown has woven together numerous survivors' stories, historical sources, and interviews with forest fire experts in a gripping narrative that tells the fascinating story of one of North

America's most devastating fires and how it changed the nation.

Flaming? Alisha Lola Jones, 2020-06-09 Male-centered theology, a dearth of men in the pews, and an overrepresentation of queer males in music ministry: these elements coexist within the spaces of historically black Protestant churches, creating an atmosphere where simultaneous heteropatriarchy and real masculinity anxieties, archetypes of the alpha-male preacher, the effeminate choir director and homo-antagonism, are all in play. The flamboyant male vocalists formed in the black Pentecostal music ministry tradition, through their vocal styles, gestures, and attire in church services, display a spectrum of gender performances - from hyper-masculine to feminine masculine - to their fellow worshippers, subtly protesting and critiquing the otherwise heteronormative theology in which the service is entrenched. And while the performativity of these men is characterized by cynics as flaming, a similar musicalized fire - that of the Holy Spirit - moves through the bodies of Pentecostal worshippers, endowing them religio-culturally, physically, and spiritually like fire shut up in their bones. Using the lenses of ethnomusicology, musicology, anthropology, men's studies, queer studies, and theology, *Flaming?: The Peculiar Theo-Politics of Fire and Desire in Black Male Gospel Performance* observes how male vocalists traverse their tightly-knit social networks and negotiate their identities through and beyond the worship experience. Author Alisha Jones ultimately addresses the ways in which gospel music and

performance can afford African American men not only greater visibility, but also an affirmation of their fitness to minister through speech and song.

Flaming Tree Phyllis A. Whitney, 2017-08-29 On the California coast, a physical therapist unlocks a young boy's terrible secrets, in this novel from "the Grand Master of her craft" (Barbara Michaels). In search of solitude in the wake of her son's tragic death, recently divorced physical therapist Kelsey Stewart accepts an invitation to stay at her aunt Elaine's seaside inn in Carmel, California. No sooner does Kelsey arrive than she becomes moved by another tragedy: On a bright sunny day, local boy Jody Hammond fell from the Point Lobos cliff into the pounding waves of the Pacific and was left with a devastating brain injury. He now stares into an empty void and hasn't spoken a single word since the accident. Compelled to aid in the boy's recovery, Kelsey visits the Hammonds' Flaming Tree ranch, where Jody's tyrannical father, Tyler, has given up hope. Kelsey can offer that, and the effort might revive her own crushed spirit as well. But as she falls in love with the mysterious Tyler, she also begins to unravel the family's secrets. When she begins to fear that Jody's silence is coming from a very dark place, her mission will become one of life and death—because what's buried in the boy's memories could be murder. *Flaming Tree* is a twisting tale of deception, danger, and discovery from an Edgar Award-winning and New York Times—bestselling master of suspense. This ebook features an illustrated biography of Phyllis A.

Whitney including rare images from the author's estate.

The Flaming Blue Sword Sidney St. James, THE FLAMING BLUE SWORD Book 1 of 3 Storm Lord Trilogy Series A Paranormal Romance Angelica Thompson, an award-winning romance novelist, makes a decision to end her turbulent relationship back home in Denver and heads to a secluded spot on the shores of Black Rock Cove in Oregon. Writer's block in preventing her from finishing her last novel in her paranormal romance series and is being pressured by her publisher, BeeBop Publishing Group, to finish by the end of the summer. She discovered the first night of her arrival how vividly her mind's thoughts and dreams came alive. Her imagination of a dead sea captain, a black panther pouncing on her for his evening meal, and falling to her death in a cove hundreds of feet below are only the beginning. Janie, a local real estate agent awakens her in her cottage. Was she awakened during a dream or... could it be real? An ancient prophecy of destruction has been set into motion, and what destiny has in store for Angelica and the entire village of Black Rock Cove is

bigger than anyone could possibly imagine. She sits on the front porch staring out to the sea while her mind gets lost in another dream. She can see Black Rock Cove off in a distance, standing like that of a skeleton. She dreams of barren wastelands, empty now that disease took over whatever the fire didn't. Even the Pacific Ocean stood still like a semi-stagnant pool of death and decay. There are no waves as even the wind appears to have left the earth. The skies are barren... no seagulls flying over or squawking their usual morning sounds. All the while, the oppressive heat came down like the breath of Lucifer himself! The end is coming! That is unless Angelica and the others learn to believe in what is about to happen and trust each other. If not, they may never unravel the mystery surrounding the death of Jonathan Knight, the sea captain from two hundred years ago. Is the black panther what he appears to be, or is there something strange in how he comes and goes. Experience the power of true love! Feel the intensity of real emotion when one woman loves one man, but powerful forces threaten to keep them apart forever! See real magic. Fear real evil. Find true love.

The Flaming Sword Thomas Dixon,2005-05-20 Thomas Dixon is perhaps best known as the author of the best-selling early twentieth-century Klan trilogy that included the novel *The Clansman* (1905), which provided the core narrative for D.W. Griffith's groundbreaking and still controversial film *The Birth of a Nation* (1915). In his twenty-eighth and last novel, *The Flaming Sword* (1939), Dixon takes to task his long-standing black critics, especially W.E.B. DuBois, by attacking what he considered to be a vast conspiracy by blacks and Communists to destroy America. A new introduction and detailed notes by John David Smith offer a valuable historical and critical perspective on this important and divisive classic of American

literature. Thomas Dixon (1864-1946) was born in Shelby, North Carolina. He is the author of The Clansman and The Sins of the Fathers.
